Spanish-Cuban-American War And The Birth Of American Imperialism:

The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 1 Philip S. Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover

The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip S. Foner, 1972 **The Spanish-Cuban-American War and the Birth of American Imperialism Vol. 2** Philip S. Foner, 1972 This volume covers the imposition of U S domination over Cuba through the Platt Amendment which marks the beginning of U S neocolonialism *The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902* Philip Sheldon Foner, 1973-01-01 **The**

Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902 Philip Sheldon Foner, 1972 **The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902** Philip Sheldon Foner, 1972 The Spanish-Cuban-American War and the Birth of American Imperialism, 1895-1902: 1898-1902 Philip Sheldon Foner, 1972 This major work by Philip Foner the well known historian has as its chief object the re definition of the conflict known in the U S historiography as the Spanish American war This very name in his view reflects the bias of two generations of historians who relegated Cuba to the passive position of a prize in a struggle between Spain and the United States It is his contention that the Cuban nation by virtue of its prolonged and successful rebellion of 1895 1898 treated in Vol 1 was a central protagonist of the conflict its role ending when it was subjected to neocolonial status by the United States In pursuing this new outlook Professor Foner studied the sources available in the United States the rich materials in the Archivo Nacional and the Library of the City Historian in Havana and enlisted help and documentary evidence furnished by the leading historians and historical institutes of Cuba These sources have enabled him to deal at length with the occupation and subjugation of Cuba by the United States and reconstruct the story in richer detail and in a more realistic interpretation than has ever been done before Volume II begins with the war in Cuba after U S intervention in 1898 and covers the imposition of U S domination of

Cuba through the Platt Amendment which marked the beginning of American neocolonialism Back cover **Historical Dictionary of the Spanish American War** Donald H. Dyal, 1996-04-16 Foreshadowing the twentieth century experience the Spanish American War was America's first modern foreign war Catapulting the United States into an international world power the war had lasting international implications Besides America's acquisition of Puerto Rico the Philippines Hawaii and Guam the war led the United States to take to the international stage confronting Germany and Japan foreshadowing the conflict of World War II and creating a diplomatic bridge between Great Britain and the United States For Spain the 1898 1899 conflict was the death knell of empire which led to a national crisis culminating in the Spanish Civil War This volume provides easily accessible information on the naval and army operations Spanish operations and the political background to the military events with an emphasis on future foreign affairs The Spanish American War is seminal to an understanding of twentieth century U S foreign relations in Cuba the Pacific especially Japan and with Great Britain It is also central to an understanding of twentieth century Spain U S military history also requires an understanding of amphibious operations naval and army reform deployment command and control and interservice cooperation as reflected in the Spanish American War This book provides a quick reference to what was once called this splendid little war **Spanish-American War** Daniel E. Brannen, Julie Carnagie, Allison McNeill, 2003 A comprehensive overview of the Spanish American War including biographies and full or excerpted memoirs speeches and other source documents **Term Paper Resource Guide to Twentieth-Century United States History** Ron Blazek, Teri Maggio, Robert Muccigrosso, 1999-05-30 Students will write more effective term papers with this guide to 500 term paper ideas as well as a listing of appropriate print and nonprint sources on twentieth century U S history This guide presents entries on 100 of the most important events and developments in twentieth century U S history organized in chronological order Each entry consists of a short description of the event followed by five specific suggestions for term papers about the event and a wide ranging annotated bibliography of 15 35 books articles videos and a web site appropriate for student research In every case the emphasis is on recent and up to date material as well as landmark works and primary sources Every entry contains a video and concludes with a recommended web site producing a multimedia approach designed to appeal to the current information gathering habits and preferences of young people From the Spanish American War to the creation of NAFTA the 100 events and developments cover political social economic and cultural issues The work has been designed to meet the needs of the U S history curriculum Term paper topic ideas offer students thought provoking suggestions that are challenging and develop critical thinking skills The annotated bibliography is organized into reference sources general sources specialized sources biographical sources periodical articles recommended videos and World Wide Web sites All items are readily available in school public and academic library collections This unique guide is valuable not only to students but to teachers and librarians who guide students in research and is an excellent purchasing guide for librarians who serve student needs President McKinley,

War and Empire Richard F. Hamilton, 2017-07-05 The progressive reading of history focuses on two major antecedents for the origins of the United States 1898 war with Spain the 1896 presidential election and the Hearst Pulitzer press war that reportedly generated an irresistible clamor from an aroused public Underlying those narratives are two very different theoretical frameworks a class dominance view and that of the mass society Volume 1 of *President McKinley War and Empire* assesses the adequacy of those readings In the 1896 election the Republicans led by William McKinley were challenged by William Jennings Bryan a radical and an inflationist who had defeated the conservative leaders of the Democratic Party The Bryanites portrayed the 1896 election as a struggle between Wall Street and the people McKinley was portrayed as a docile pliable figure whose campaign was directed by an adept Ohio business magnate Mark Hanna The McKinley victory meant that big business was now in control The Cuban insurgency begun in 1895 gained attention and support from the American newspapers This began with a circulation war in New York City with Hearst and Pulitzer publishing sensational reports about the struggle in Cuba The resulting public clamor it is said overwhelmed the members of the legislative and executive branches McKinley and his advisors fended off those demands as best they could but following the sinking of the Maine he conceded and asked Congress to authorize intervention This work provides an original assessment of those long standing claims the basic elements of the progressive history It reviews McKinley's biography principally the events leading up to his election victory including discussion of Hanna's role It then examines the events leading up to the war Studies of press content are reviewed and new material is introduced The work also argues that two other factors were decisive the efforts of an adept Cuban pressure group and partisa

America in 1900 Noel J Kent, 2015-03-04 Many of the key issues concerning the United States as we enter the 21st century were already taking shape as we entered the 20th century Business mergers U S military intervention in the Philippines trade disputes with China and Europe racial violence high levels of crime rising income gaps between rich and poor volatile stock market prices homelessness in the cities the dangers of immigration and the domination of money in elections all these major national issues in 1900 are familiar in some form to Americans today The nation grappled for the first time with a series of complex new challenges distribution of wealth and economic opportunity the form race and ethnic relations should take in a country of increasing diversity the relationship between big business and government how the United States as a new world power should act overseas and a host of others Written in a fluid and highly readable style Kent's ten chapters comprise a colorful narrative history of the major events of this pivotal year that continues to resonate a century later

Expansionism Frank Villafana, 2017-09-08 Starting in the early part of the nineteenth century American administrations expressed a desire to own Cuba A rationale for adding Cuba to the territory of the United States could be built on Cuba's sugar and tobacco industries as well as Cuba's mineral deposits But economics was not the primary motivation American presidents knew that in the event of war any nation occupying Cuba would have an advantage over the US military strategies this fear coupled with the economic benefit explains a century of policy decisions

As Frank R Villafana shows Cubans were not sitting idle waiting for outsiders to liberate them from Spanish oppression A major part of this research is devoted to studying Cuban efforts to liberate their island from prolonged Spanish domination Cuba had been struggling for independence from Spain since the 1830s followed by the Ten Year War During the 1895 1898 War of Independence Cuba came close to defeating Spain but a merciless Spanish military effort converted Cuba into a series of concentration camps Spain surrendered after its naval defeats by the US at Manila Bay and Santiago de Cuba following a failed ground campaign in eastern Cuba After the US occupied Cuba militarily American political leaders realized only a small minority of Cubans supported annexation and the Platt Amendment was developed as a substitute Today most Cubans agree that independence even constrained by the United States was better than enslavement by the Castro brothers However as Villafana emphasizes Cubans living in Cuba as well as abroad still seek a land free and independent of foreign threat and domestic tyrants

Solidarity Steve Striffler, 2019-01-20 How and why has solidarity changed over time Why have particular strategies tactics and strands of internationalism emerged or re emerged at particular moments And how has solidarity shaped the history of the US left in particular In Solidarity Steve Striffler addresses these key questions offering the first history of US Latin American solidarity from the Haitian Revolution to the present day Striffler traces the history of internationalism through the Cold War exploring the rise of human rights as the dominant current of international solidarity He also considers the limitations of a solidarity movement today that inherited its organisational infrastructure from the human rights movements Moving beyond conventionally ahistorical analyses of solidarity here Striffler provides a distinctive intervention in the history of progressive politics in both the US and Latin America the past and present of US imperialism and anti imperialism and the history of human rights and labour internationalism

Big Swords, Jesuits, and Bondelswarts John S. Lowry, 2015-11-16 In Big Swords Jesuits and Bondelswarts John S Lowry demonstrates that anti imperialist resistance movements overseas significantly shaped the course of Wilhelmine domestic politics between 1897 and 1906 In 1898 and 1900 for example the consequences of Chinese Cuban and Samoan resistance permitted Berlin to steer two large naval laws through the Reichstag by enabling the government to garner critical votes from the Catholic Center Party through pro Catholic gestures overseas rather than via repeal of the Anti Jesuit Law at home By contrast after 1903 costly uprisings throughout German occupied Africa generated acute fiscal concerns among Center Party delegates and African civilian protests against colonial misrule aroused missionary and Centrist ire Lowry emphasizes that the ensuing Reichstag dissolution of 1906 arose much more directly from African factors than previous scholarship has recognized

Volunteers of the Empire Fernando J. Padilla Angulo, 2022-12-15 This book uncovers the history of The Volunteers a Spanish loyalist militia who were committed to upholding Spanish imperial interests and influence in Cuba Puerto Rico Santa Domingo and The Philippines as the age of empire came to a close Unpicking the relationship between local and imperial administrations and highlighting the contribution of voluntary units to colonial warfare Padilla Angulo shows how Spanish loyalism

persevered in the colonies even as the last bastions of empire were dismantled Revealing the complexity and diversity of The Volunteers themselves in various colonies Volunteers of the Empire shows how thousands of young men of Spanish African and Asian descent were united in the defence of Spanish sovereignty in times of anti colonial struggle that were civil wars in all but name It uncovers a fascinating history of a militia that became an essential element of Spanish imperialism and the armed wing of Spanish loyalism during the second half of the 19th century Through their fluctuating relationship with the authorities in Spain The Volunteers provide a fresh perspective into the global and local complexities of nation building nationalism and citizenship

Cuba and Puerto Rico Carmen Haydée Rivera, Jorge Duany, 2023-02-28 The intertwined stories of two archipelagos and their diasporas This volume is the first systematic comparative study of Cuba and Puerto Rico from both a historical and contemporary perspective In these essays contributors highlight the interconnectedness of the two archipelagos in social categories such as nation race class and gender to encourage a more nuanced and multifaceted study of the relationships between the islands and their diasporas Topics range from historical and anthropological perspectives on Cuba and Puerto Rico before and during the Cold War to cultural and sociological studies of diasporic communities in the United States The volume features analyses of political coalitions the formation of interisland sororities and environmental issues Along with sharing a similar early history Cuba and Puerto Rico have closely intertwined cultures including their linguistic literary food musical and religious practices Contributors also discuss literature by Cuban and Puerto Rican authors by examining the aesthetics of literary techniques and discourses the representation of psychological space on the stage and the impacts of migration Showing how the trajectories of both archipelagos have been linked together for centuries and how they have diverged recently Cuba and Puerto Rico offers a transdisciplinary approach to the study of this intricate relationship and the formation of diasporic communities and continuities Publication of this work made possible by a Sustaining the Humanities through the American Rescue Plan grant from the National Endowment for the Humanities

The Case for Combat Edward J. Lordan, 2010-09-16 This book provides a historical analysis of presidential rhetoric regarding war and examines the similarities differences effectiveness and ethics of the persuasive strategies used by the White House through the history of the nation In the United States the decision to use military force typically is made by the president even though it is actually Congress that has the authority to commit the nation to war It is also the president's job to inform the American people when that decision has been made and to attempt to convince the citizens to support their government in the decision to go to war The book traces the development of the rhetoric used by presidents to convince Americans to go to war from the earliest days of the nation to the latest conflicts in Afghanistan and Iraq After an overview of the governmental issues related to committing to combat the author evaluates presidential speeches over the course of ten American conflicts to determine how effective and ethical presidents have been in communicating with various publics Taking neither a pro nor antiwar stance this text focuses entirely on the period leading up to the announcement of a formal

conflict *Dangerous Nation* Robert Kagan, 2007-11-06 Most Americans believe the United States had been an isolationist power until the twentieth century This is wrong In a riveting and brilliantly revisionist work of history Robert Kagan bestselling author of *Of Paradise and Power* shows how Americans have in fact steadily been increasing their global power and influence from the beginning Driven by commercial territorial and idealistic ambitions the United States has always perceived itself and been seen by other nations as an international force This is a book of great importance to our understanding of our nation's history and its role in the global community *Dying by the Sword* Monica Duffy Toft, Sidita Kushi, 2023 Tracing the entire history of American foreign policy *Dying by the Sword* focuses on how the US came to prioritize the use of military tools over other tools of statecraft including diplomacy and economic policy It demonstrates that since the end of the Cold War the US has dramatically increased its use of force abroad despite fewer international threats The US's hyper militaristic foreign policy which the authors term kinetic diplomacy threatens to undermine not just America's leadership role its credibility and its domestic policy priorities but more broadly international peace and security

Spanishcubanamerican War And The Birth Of American Imperialism Book Review: Unveiling the Power of Words

Spanishcubanamerican War And The Birth Of American Imperialism Introduction

In today's digital age, the availability of Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Spanishcubanamerican War And The Birth Of American Imperialism versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Spanishcubanamerican War And The Birth Of American Imperialism books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Spanishcubanamerican War And The Birth Of American Imperialism books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Spanishcubanamerican War And The Birth Of American Imperialism books and manuals for download and embark on your journey of knowledge?

FAQs About Spanishcubanamerican War And The Birth Of American Imperialism Books

1. Where can I buy Spanishcubanamerican War And The Birth Of American Imperialism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
