**Summer of the Star** Johnny D. Boggs, 2016-05-01 Recalling his early life as a young cowboy sixty-two year old Madison Carter remembers his first love her name was Estrella O. Sullivan and he met her the summer he turned sixteen back in 1873. The summer of 1873 marked Madison's last drive up what is now called the Chisholm Trail. It was the first time he tasted oysters and the only time he pinned on a badge. It was the summer of longhorns miserable heat friendship and betrayal and murder. In the end it was the summer the whole world came crumbling down on the United States and Madison's world crashed too. The summer of 1873 was the year Madison watched a bunch of men die. One of them was a man he killed an encounter one never forgets.      Matthew Johnson, US Marshal Johnny D.

Boggs, 2020-12-01 They sing songs about Matthew Johnson. The hero of dime novels. Matt won national fame during a range war in Idaho when he shot and killed an outlaw and former saddle pal. But the past seventeen years have been an alcoholic blur rather than a heroic journey. Gone are the days when he was a free-wheeling cowboy swapping poems with his best friend on the cattle ranges. The West has modernized and practically disappeared when Matt arrives in Denver in 1894 as the newly appointed US marshal for the state of Colorado. The cowboy turned lawman inherits a state on the brink of collapse.

The silver crash has ruined the economy railroaders are striking a range war is looming corruption is rampant and a rumored gold strike on the Southern Ute reservation threatens to turn into a bloodbath Slowly Matt realizes why he got the job His supporters figure that the man who killed Jeff Hancock will either stay too drunk to realize what's happening or take their bribes and look the other way After all the songs being sung about Matthew Johnson these days are more insulting than glorifying Instead of the hero who stopped a range war he is usually thought of as a man who murdered his best friend in exchange for the appointment as Idaho's US marshal And he hasn't been sober in years What no one has counted on is the love of a woman who has had her own share of hard times and bad decisions Or the fact that there's a special breed of man who will fight with his last breath to regain his dignity and self respect If Matt can overcome his demons and past schoolkids might start singing a new verse to an old song

*South by Southwest* Johnny D. Boggs, 2015-10-13 From a Spur Award winning author comes a thrilling tale of faked deaths runaway slaves and revenge amid the Civil War The only way to escape the purgatory that is the Florence Stockade is to die so on February 3 1865 Zebulon Hogan dies Corporal Favour and Private Gardenhire the only two soldiers of the 16th Wisconsin healthy enough to tote Zeb's wasted away ninety pounds wrap him in a dirty stinking and damp blanket and carry him to the Dead House It was typhoid pneumonia that got him the soldiers told the Confederate guards Zeb is buried in the prisoners cemetery but the grave is shallow and it's likely that the hogs rooting around will soon be sinking their teeth into his rotting flesh Then young Ebenezer Chase a runaway slave sees the shadowy figure of a hand clawing through the muddy dirt over that grave like it's reaching to pull anybody nearby into the deepest part of Hades Ebenezer's first impulse is to scream to warn the soldiers in

the Stockade of what is happening but nothing comes out of his throat Zeb Hogan has a mission far beyond escaping from the Stockade He has sworn an oath to other prisoners to pursue the traitorous Sergeant Ben DeVere who traded blue for gray and is now a Confederate in Vicksburg and kill him The problem for Zeb is that he knows nothing of the surrounding country and is likely to be intercepted Ebenezer despite being a runaway slave and no less vulnerable to capture does know the country Perhaps they can join forces to get where each wants to go Skyhorse Publishing is proud to publish a broad range of books for readers interested in fiction that takes place in the old West Westerns books about outlaws sheriffs chiefs and warriors cowboys and Indians are a genre in which we publish regularly Our list includes international bestselling authors like Zane Gray and Louis L Amour and many more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home
