being not perfect parents in a not perfect world The result Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is a joyous celebration of child rearing in which any parent no matter how perfect can share I want to have a happy and healthy marriage and I want to have happy faithful kids proclaims co author McCleneghan in the introduction to the book But I reject the pervasive cultural lie that a happy marriage and the faithful kids are somehow the byproducts of some rigorous and largely unattainable personal or moral perfection Thus Hopes and Fears is neither a how to book nor a mere meditation Rather the authors seek to find the beautiful and the spiritual in the sometimes mundane activities that parents have performed since the beginning of history while at the same time allowing beautiful and spiritual insights of the past to inform and shape the activities of modern parenting Thus the words of a hymn can trigger an idea about how to deal with bedtime and an exercise in baby naming can lead to a better understanding of a passage in Isaiah The intertwining of the spiritual and familial in this book constantly surprises and delights a quote from Paul Tillich can stand next to one from Tina Fey or What to Expect When You re Expecting We are often reminded that the authors two longtime friends are ordinary working mothers Fortunately they are also experienced and well read congregational leaders and they bring that perspective to their reflections Hopes and Fears is also about sharing in the widest and deepest sense of that word As many parents know learning to share is one of the most difficult things for many children to acquire McCleneghan and Moses have decided to teach by example with this book noting we re hopeful that as we share our lives the trials and tribulations and incredible joys other parents will feel inspired to reflect on their own experiences and perhaps even to consider new ways in which their own faith is relevant to their identities as parents Hopes and Fears Everyday Theology for New Parents and Other Tired Anxious People is highly suitable for group study as well as individual reflection *He Typed. She Typed* Mark Van Wye, Amy Turner, 2008-02 Acclaimed by the writers of Sex and the City and He s Just Not That Into You and featured on Dr Drew s radio show this steamy hilarious romantic comedy tackles the dating world in an ongoing intimate behind the scenes conversation between two singles of the opposite sex **Angelina Ballerina at Ballet School** Katharine Holabird, 2021-06-29 When Angelina accidentally embarrasses herself in ballet class after being off for summer break she isn t so enthusiastic about returning to ballet school but with encouragement from family and friends Angelina learns that making mistakes shouldn t stop her from doing what she loves most dancing Pippa by Design Claudia Logan, 2019-09-24 Pippa by Design is a fun filled read perfect for fashionistas and dancers to be from author Claudia Logan and illustrator Chesley McLaren Pippa does not finish every activity she starts or get picked for everything unlike her sister Verity Pippa does however love to draw fashion designs in her special sketchbook while she waits in the hallway to pick up Verity at ballet practice There s a big hullabaloo when Verity announces that she s been chosen to dance in a performance of The Sleeping Beauty and another hullabaloo later when Pippa discovers her sketchbook has gone missing But all isn t lost with the help of a secret admirer new friends and even her sister Pippa finds herself invited into a world she never imagined and a place
