

"Happiness is what you make of life.
It's a choice, a way, a process; not a destination,
product, or quota." —from the Prelude

HAPPINESS is a word that is thrown around so much that it can easily lose its meaning. But as hard as happiness can be to truly define, it can be even more difficult to attain. Everybody wants to be happy, of course, but what if they're not? Is happiness something that comes and goes like the weather, or is it something that we can develop and nurture within ourselves?

The Happiness Handbook has the answer. In this entertaining yet practical guide, Lisa T.E. Sonne (*Buddha Meditations*) provides dozens of positive affirmations as well as imaginative and occasionally even scientifically tested ways to bring happiness into your life every day, including:

- Go for a morning walk
- Learn how to meditate
- Close your eyes and think of somebody you love
- Perform five acts of kindness, today

No matter what life throws at you, *The Happiness Handbook* will help you turn your frown upside down.
