## **Sparring With Charlie Library Edition:**

*Sparring with Charlie* Christopher Hunt, 1996 When Christopher Hunt set off in search of Vietnam's notorious Ho Chi Minh Trail he hardly expected to end up on a rickety Russian made motorcycle navigating 5 000 kilometers of paths rarely traveled by tourists and on roads missing from maps Hunt left the United States expecting to explore the 1 700 kilometer highway that was once the supply route for the North Vietnamese Army He soon found himself roaming the Vietnamese countryside in need of help and direction In the process he found that being an American in Vietnam conjured constant reminders of the past and encountered a country and a people poised precariously between the ancient and the modern With adventure wit and an eye for the absurd Christopher Hunt goes beyond the newspaper headlines and myths about Vietnam to capture the color and complexity of Vietnam today
