K Morrison

Sinners And Heretics The Politics Of Military Intervention In Latin America:

Sinners and Heretics Mauricio Solaún, Michael A. Quinn, 1973 **Military Government and the Movement Toward Democracy in South America** Howard Handelman, Thomas Griffin Sanders, 1981 Sophisticated investigations of governmental transition in Brazil Chile Uruguay Peru and Ecuador Discusses such issues as the undercurrents of popular discontent and the recent progress toward increased civilian political participation **The Cambridge History of Latin America** Leslie Bethell, 1984 This is an authoritative large scale history of the whole of Latin America from the first contacts between native American peoples and Europeans in the late fifteenth and early sixteenth centuries to the present day

State Formation and the Structure of Politics in Mamluk Syro-Egypt, 648-741 A.H./1250-1340 C.E. Winslow Williams Clifford, 2013 Winslow Williams Clifford is one of the few historians so far who have addressed the history and culture of the so called Mamluk Sultanate 1250 1517 on the basis of theoretical models This volume is a posthumous publication of his doctoral thesis submitted in 1995 at the University of Chicago Through his skillful application of social theory Clifford succeeded in providing highly convincing evidence that the Mamluk rulers did not as was maintained for a long time constitute a static form of oriental despotism but was rather a highly differentiated society It was primarily based on compliance with a complex system of order that had established itself during the rule of the first sultans **The Politics of Clientelism** John Martz, 2017-12-02 In Latin America the state is the prime regulator coordinator and pace setter of the entire national system the apex of the pyramid from which patronage wealth power and programs flow The state bears responsibility for the realization of civic needs providing goods and services to each citizen Doing so requires the exercise and maintenance of social and political control It is John Martz's contention that clientelism underlines the fundamental character of Latin American social and political life As the modernizing bureaucratic state has developed in Latin America there has been a concurrent shifting away from clientelistic relationships Yet in one form or another political clientelism still remains central Clientelism occurs when large numbers of low status individuals such as those in the slums of rural and underdeveloped areas are protected by a powerful patron who defends their interests in return for deference or material reward In Colombia the rural patron has become a member of the higher clientelistic system as well he is dependent on a patron who operates at the national level This enables urban elites to mobilize low status clients for such acts as mass demonstrations of political loyalty to the regime Thus traditional clientelism has been modified through the process of modernization Part One of The Politics of Clientelism examines Colombian politics focusing on the incarnation and traditional forms of clientelism Part Two explores the policies of Colombian governance from the administrations of Lleras Camargo through Julio Cesar Turbay Ayala Part Three discusses the modernization and restructuring of Colombia in recent decades under Belisario Betancur Virgilio Barco and Cesar Gaviria As the modernizing bureaucratic state has unfolded there has been a similar shift in many clientelistic relationships Martz argues that whether corporate clientelism remains or more

democratic organization develop

No Farewell To Arms? Claude Welch, 2019-04-11 In many contemporary nations particularly in Africa Asia and Latin America the armed forces play a major role in governing Historical economic and sociological factors have contributed to the political prominence of the military in developing countries Nevertheless in the 1980s several states in Latin America restored civilian rule followi

Democracy in Latin America Peter H. Smith, Cameron J. Sells, 2017 Examines processes of democratization in Latin America from 1900 to the present Thoroughly revised and expanded this new edition provides a widespread view of political transformation throughout the entire region

Military Institutions and Coercion in the Developing Nations Morris Janowitz, 1988-02-29 This book includes Janowitz's seminal work *The Military in the Political Development of New Nations* with additional new analysis of Latin American nations and of the increasing significance of paramilitary and police forces in authoritarian regimes in developing nations

U. S. Intervention and Regime Change in Nicaragua Mauricio Solaun, 2021-08-05 As President Carter's ambassador to Nicaragua from 1977-1979 Mauricio Solaun witnessed a critical moment in Central American history In *U. S. Intervention and Regime Change in Nicaragua* Solaun outlines the role of U. S. foreign policy during the Carter administration and explains how this policy with respect to the Nicaraguan Revolution of 1979 not only failed but helped impede the institutionalization of democracy there Late in the 1970s the United States took issue with the Nicaraguan dictator Anastasio Somoza Moral suasion economic sanctions and other peaceful instruments from Washington led to violent revolution in Nicaragua and bolstered a new dictatorial government A U. S. supported counterrevolution formed and Solaun argues that the United States attempts to this day to determine who rules Nicaragua Solaun explores the mechanisms that kept Somoza's poorly legitimized regime in power for decades making it the most enduring Latin American authoritarian regime of the twentieth century Solaun argues that continual shifts in U. S. international policy have been made in response to previous policies that failed to produce U. S. friendly international environments His historical survey of these policy shifts provides a window on the working of U. S. diplomacy and lessons for future policy making

A Selected Bibliography on the United States Army in Latin America US Army Military History Institute, Claude C. Sturgill, 1986

This book delves into Sinners And Heretics The Politics Of Military Intervention In Latin America.
