A name inspired by no points for guessing the word intelligent Among many the suffix Jelly was agreed upon unanimously by us as a word that brought in memories of fun fun and more fun An amalgamation of these two words was our way of expressing our intention to make intelligent reading fun One of the intentions of this magazine is to be that companion for children that offers a series of situations and stories and encourages them to shape their own ideas The purpose is also to be a source of conversation which is beautifully woven into the lives of children and helps them develop to be limitless While brainstorming ideas on how this magazine will play a major role in a child's life we ideated with numerous scenarios We imagined a rough train ride where an 8 year old child is seated in a corner happily flipping through these pages We also pictured a beautiful bedtime routine where a 5 year old and his parents take the opportunity to flip through a few stories and discuss things about the world something that we rarely do otherwise We further imagined a 12 year old child engrossed in taking notes from this to build a science project When visualising all this we also imagined gadgets lying far away and not being asked or sought for We didn't just see a child being nurtured we saw the child's potential being discovered and an exciting future being created For kids aged 4 to 12 years iNTELLYJELLY offers a holistic approach to empower them through a kind of education that instils in them a sense of purpose and a willingness to create something worthwhile Some of the key areas that iNTELLYJELLY talks about each month are Values Leadership qualities Emotional quotient Teamwork Logical thinking Knowledge Science Geography Global literature UNESCO's proven methodology plays a major role in inspiring and moulding iNTELLYJELLY's content As a result you will find the magazine offering a vibrant and colourful array of comics
