Situations In Human Geography A Practical Approach:

Situations in Human Geography J. P. Cole, 1975 *Situations in Human Geography* John P. Cole, John Peter Cole, 1978

Geography, 1976 Includes section Reviews and other bibliographical material Territorial Division for Public Action

Antoine Laporte, Antonine Ribardi re, 2025-04-29 The reader may be amazed when they are faced with the sheer number of territorial divisions associated with public action and full of questions What justifies this diversity What are the problems that arise from these divisions Why don't the limits of public action simply follow administrative and political subdivisions Territorial Division for Public Action focuses on the situation in France proposing three different approaches First we consider the functions that are associated with these territorial divisions equitable distribution of resources across the territory administration and the management of public services However they are also a tool for maintaining power Lastly we consider the effects these divisions have on the implementation of public action and on socio spatial structures These divisions reflect political projects which embody the issues as much as the partition design itself does The recent reform of territorial regions alongside a gradual imposition of intercommunal links in France has given rise to political debates at both local and national levels *South African geographer*, 1980 Study Skills for Geography Students: A Practical Guide 2nd Edition Pauline E Kneale, 2014-04-23 Packed with practical hints study tips short cuts and examples this book is designed to help you throughout your degree Designed for all geography students this guide delves into coping with conflicting time commitments constructing essays dissertations and more Updated and revised throughout this new edition contains a new chapter on Careers and CVs showing how geography can help you develop skills of use to future employers

Multidimensional Approach to Quality of Life Issues Braj Raj Kumar Sinha, 2019-08-27 This comprehensive volume provides a broad overview of quality of life issues covering a wide geographical region North America Europe parts of Africa East Asia and South Asia Spread over more than 25 chapters it includes the latest findings from these regions to provide a multidisciplinary account of the major dimensions of quality of life and therefore has a vast scope The volume is divided into four thematic parts theoretical dimension Demographic dimension socio cultural and economic dimensions and urban and environment related dimensions Extensive maps diagrams and tables accompany the discussions and facilitate understanding This is an indispensable reference and serves the interest of students and scholars of human geography economics demography sociology anthropology social work and philosophy It is particularly useful for those engaged in further research on quality of life issues Doing Children's Geographies Lorraine van Blerk, Mike Kesby, 2013-10-31 Doing Children's Geographies provides a useful resource for all those embarking on research with young people Drawing on reflections from original cutting edge research undertaken across three continents the book focuses on the challenges researchers face when working with children youth and their families The book is divided into three sections The first section provides alternatives to some of the difficulties researchers face and highlights methodological innovations as geographers uncover new and

exciting ways of working The second part specifically addresses the issues surrounding children and youth s participation providing critiques of current practice and offering alternatives for increasing young people s involvement in research design Finally the book broadens to a consideration of wider areas of concern for those working with children and youth This section discusses the nature of childhood in relation to research the place of emotions in research with young people and the process of undertaking applied research This book was previously published as a special issue of Children s Geographies

International Encyclopedia of Human Geography ,2019-11-29 International Encyclopedia of Human Geography Second Edition Fourteen Volume Set embraces diversity by design and captures the ways in which humans share places and view differences based on gender race nationality location and other factors in other words the things that make people and places different Questions of for example politics economics race relations and migration are introduced and discussed through a geographical lens This updated edition will assist readers in their research by providing factual information historical perspectives theoretical approaches reviews of literature and provocative topical discussions that will stimulate creative thinking Presents the most up to date and comprehensive coverage on the topic of human geography Contains extensive scope and depth of coverage Emphasizes how geographers interact with understand and contribute to problem solving in the contemporary world Places an emphasis on how geography is relevant in a social and interdisciplinary context
