Six Times True:

The True Story of Six Months from Courthouse to County Jail to State Prison Jack Sterns, 2022-05-10 The Statesville Prison experience will pull you right in if not already. It was surreal being a White male in his forties locked up in one of the most horrific prisons in the country, Statesville Penitentiary. After another blink of an eye, he's transferred to minimum security East Moline, Illinois Prison. The bus ride experience is straight out of Hollywood except it's real. His time spent in sweet Moline doesn't last long as expected due to some trouble inside. The time he spends in segregation is brutally realistic and in your face. After a month in seg, he gets to take another bus ride to Hillsboro medium maximum security prison for the remainder of the six-month journey. Any trouble there and super maximum security prison would be next. A can't put down read that drags you right in.
