Skellefteå In Heart And Soul:

Skellefteå in Heart and Soul Lars Westerlund,1999 **Understanding Literacy in Its Historical Contexts** Harvey J. Graff,Alison Mackinnon,Bengt Sandin,Ian Winchester,2009-01-01 For nearly 30 years the work of the Swedish Lutheran pastor and pioneering social historian Egil Johansson astonished the international scholarly world Working initially with parish registers especially examination registers from northern Sweden Johansson discovered the extraordinary usefulness of these documents to detail the history of universal literacy in Sweden In this book a group of renowned scholars review and explore the possibilities for the wider circulation and broader application of central dimensions of the early literacy studies The active thrust and exceptional growth in historical literacy studies over the past two decades has propelled the subject into a new prominence that has come to be the legacy of Egil Johansson's path breaking discoveries Literacy in Sweden occurred well before any other European nation despite the fact that Sweden was industrialised about 100 years later than the European norm Egil Johansson also developed imaginative data analysis techniques that help historians around the world to better picture the complete human cast of the past With the help of numerous contributors Johansson founded a giant data base of church records and other information which now can help the understanding of pre industrial society Johansson's work spans over many aspects of literacy and social history and their respective relation to religion and gender The contributors to this volume are influential academics in disciplines such as social history history of literacy and gender research and they work in all parts of the world Australia Great Britain Scandinavia as well North America [The Virgin Mary's Book at the Annunciation](#) Laura Saetveit Miles,2020 An overlooked aspect of the iconography of the Annunciation investigated Mary's book **Divine Wrath and Salvation in Matthew** Anders Runesson,2016-10-01 Judgment and the wrath of God are prominent themes in Matthew's Gospel Because judgment is announced not only on the hypocritical but also on those who reject God's messengers and because this rejection is implicitly connected with the destruction of Jerusalem the Gospel has often been read in terms of God's rejection of Israel with catastrophic results Anders Runesson sets out to show through careful study of Matthew's composition and comparison with contemporary Jewish literature that the theme of divine judgment plays very different and distinct roles regarding diverse groups of Jews including Jesus disciples and non Jews in this Gospel Runesson examines various assumptions regarding the criteria of judgment in each case and finds that Matthew does not support some of the most popular slogans in Christian theology The results and implications for our historical understanding of Christian origins and our theological estimation of Matthew's place in that story will be of vital interest to scholars and students for years to come [A Theology of Love](#) Werner G. Jeanrond,2010-03-21 [Scandinavians](#) Robert Ferguson,2022-09-01 An engaging layered look into a culture complex enough both to produce stylish rain gear and to embrace the foul weather that necessitates it The New York Times Book Review We fill our homes with Nordic furniture we envy their humane social welfare system and healthy outdoor lifestyle we devour their crime fiction

Even their strangely attractive melancholia seems to express a stoic commonsensical acceptance of life's vicissitudes. But how valid is this outsider's view of Scandinavia and how accurate is our picture of life in Scandinavia today? Scandinavians follows a chronological progression across the Northern centuries: the Vendel era of Swedish prehistory, the age of the Vikings, the Christian conversions of Denmark, Norway, Sweden, and Iceland, the unified Scandinavian state of the late Middle Ages, the sea change of the Reformation, the kingdom of Denmark-Norway, King Gustav Adolphus, and the age of Sweden's greatness, the cultural golden age of Ibsen, Strindberg, and Munch, the impact of the Second World War, Scandinavia's postwar social democratic nirvana, and the terror attack of Anders Behring Breivik. Scandinavians is also a personal investigation with award-winning author Robert Ferguson as the ideal companion as he explores not only the region's society, politics, culture, and temperament but also wide-ranging topics such as the power and mystique of Scandinavian women from the Valkyries to the Vikings, from Nora and Hedda to Garbo and Bergman. A delightful history in which the author truly captures the soul of the North. Kirkus Reviews *Dying Prepared in Medieval and Early Modern Northern Europe*, 2017-10-02. How did people of the past prepare for death and how were their preparations affected by religious beliefs or social and economic responsibilities? *Dying Prepared in Medieval and Early Modern Northern Europe* analyses the various ways in which people made preparations for death in medieval and early modern Northern Europe, adapting religious teachings to local circumstances. The articles span the period from the Middle Ages to Early Modernity, allowing an analysis over centuries of religious change that are too often artificially separated in historical study. Contributors are Dominika Burdzy, Otfried Czaika, Kirsi Kanerva, Mia Korpiola, Anu Lahtinen, Riikka Miettinen, Bertil Nilsson, and Cindy Wood. **Who Owns Whom**, 2002.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. *Pentecostal Politics in a Secular World*, Joel Halldorf, 2020-07-08. This book investigates the life and leadership of Lewi Pethrus, a monumental figure in Swedish and international Pentecostalism. Joel Halldorf describes Pethrus' role in the emergence of Pentecostalism in Sweden, the ideals and practices of Swedish Pentecostalism, and the movement's turn to professional party politics. When Pentecostals in the USA ventured into politics, they became allied with the Republican party and later Donald Trump. The Swedish Pentecostals took another route: while culturally conservative, they embraced the progressive economic politics of the Social Democratic party. During the 2010s, they have also rejected the nationalism of the growing populist movement. Halldorf analyzes and explains these differences between Swedish evangelicals and Pentecostals on the one hand and the Religious Right in the USA on the other.
