

Sociology Of Education

Andrew Kenneth Cosway Ottaway

Sociology Of Education:

Education and Society Thurston Domina, Benjamin G. Gibbs, Lisa Nunn, Andrew Penner, 2019-08-20 Drawing on current scholarship *Education and Society* takes students on a journey through the many roles that education plays in contemporary societies Addressing students own experience of education before expanding to larger sociological conversations *Education and Society* helps readers understand and engage with such topics as peer groups gender and identity social class the racialization of achievement the treatment of immigrant children special education school choice accountability discipline global perspectives and schooling as a social institution The book prompts students to evaluate how schools organize our society and how society organizes our schools Moving from students to schooling to social forces *Education and Society* provides a lively and engaging introduction to theory and research and will serve as a cornerstone for courses such as sociology of education foundations of education critical issues in education and school and society

The Structure of Schooling Richard Arum, Irene R. Beattie, Karly Ford, 2014-11-13 *The Structure of Schooling* Readings in the Sociology of Education by Richard Arum Irene Beattie and Karly Ford exposes students to examples of sociological research on schools with a focus on the school as community Now in its Third Edition this engaging reader has broadened its scope even more presenting additional readings in particular related to the sociology of higher education The book draws from classic and contemporary scholarship to examine current issues and diverse theoretical approaches to studying the effects of schooling on individuals and society In addition to covering traditional areas such as stratification and racial inequality the book also veers off the beaten path including readings on such contemporary topics as bullying school shootings school choice and teen social media use

The Middling Sorts Maureen T. Hallinan, 2000-04-30 The aim of the *Handbook of Sociology of Education* is to present the most theoretically grounded and empirically rigorous sociological analyses of schools to date The authors are distinguished researchers in the field Their contributions to the *Handbook* offer major theoretical perspectives on the schooling process and describe significant empirical studies of schools and their effects on individuals and society The research presented in the *Handbook* is built on three fundamental tenets of sociology First the authors adopt the perspective that schools are a central institution in society An understanding of the function of schooling in social life is enhanced by viewing schools as interrelated with other societal institutions The study of how the context of schooling influences education processes is critical to an understanding of school outcomes Rather than being determined solely by ascribed and achieved characteristics an individual's cognitive and social development are influenced heavily by the structures and networks in which the individual is embedded Communities families schools and social groups are critical elements in the educative process By viewing the school as a societal institution and highlighting the interaction between context and individual behavior the *Handbook* chapters provide a broader and deeper understanding of the determinants of learning in contemporary society The second sociological insight that guides the research in the *Handbook* is that the school is a social

system *The Sociology of Education* P W Musgrave, 2017-05-08 First published in 1979 this third edition of *The Sociology of Education* at the time held the field as the standard textbook on the subject It takes into account the changes that occurred in the field from the publication of the first edition in 1965 and the second edition in 1972 The book is divided into three parts the first considers the way in which the child becomes a social being and the influences upon them of the family the peer group and the mass media the second deals with the sociology of schooling and looks at different types and stages of schools as well as the attitudes and forms of interaction within them and finally the third traces the relationship between education and social institutions and looks at the balance between the preservation of social stability and the introduction of change *The Sociology of Education* Olive Banks, 1969 ***The Sociology of Education*** Donald Swift, 2017-04-28 First published in 1969 this book examines the educational process as a whole in relation to its society The discussion is set within a specifically sociological frame of reference and looks at the school as an organisation as well as the social environment surrounding the school It concludes by considering some of the basic issues concerning the functions of education for society Written at a time when sociological studies of education were scarce this ground breaking work will be of interest to those studying education and its relationship with society *Education and Sociology* David Levinson, Peter Cookson, Alan Sadovnik, 2014-01-21 First Published in 2002 This single volume reference provides readers and researchers with access to details on a wide range of topics and issues in the sociology of education Entries cover both national and international perspectives and studies as well as tackling controversial points in education today including gender inequality globalization minorities meritocracy and more This is a key one of a kind resource for all educational researchers and educators

Schools and Society Jeanne H. Ballantine, Joan Z. Spade, Jenny M. Stuber, 2017-10-25 This comprehensive integrated overview of the sociology of education includes original readings and article excerpts by leaders in the field as well as theory methods and current issues *The Sociology of Education* Ivor Morrish, 2019-09-02 First published in 1972 this book aims to provide an introduction to the teacher or teacher in training to society and its relationship to education Although very much a product of its time rather than an instructive text for teachers in the 21st century this work will be of interest to those studying the evolution of the study of *Sociology of Education* Tomas Boronski, Nasima Hassan, 2015-09-26 An essential student friendly text for Education Studies Dr Gillian Forrester Subject Head for Education Early Childhood Studies Liverpool John Moores University Introducing students to the complexities of Education Studies is a difficult task and this book will go a long way to making it easier I will definitely be recommending this to all my students Kevin Brain Programme Leader Education Studies Leeds Trinity University This textbook explains the basic principles of sociology and relates these concepts to today's society and education system in order to deepen your understanding of how these issues affect our lives and the world we live in encouraging you to think critically and to develop a sociological imagination Coverage includes the wider political and economic context for education in the UK including an analysis of the reforms of the 2010 coalition

government childhood schooling and pupil voice non traditional consideration of critical pedagogy race and gender the role of education in a multicultural society inequalities in educational opportunity in terms of class ethnicity and disability This is essential reading for students on undergraduate Education Studies degrees and for sociology courses covering educational issues
