

Socrates In New York

Pamela Dell

Socrates In New York:

Socrates in New York John Kotselas,1998 Socrates Pamela Dell,2006 Learn about the life of the famous philosopher

Socrates Jim Whiting, One of the most famous executions in ancient times took place in Athens Greece in 399 BCE The philosopher Socrates was found guilty of several crimes by a jury of 500 of his fellow citizens He might have escaped the death penalty if he had been willing to leave his beloved city and go into exile Instead he suggested that the city provide his meals for the rest of his life This suggestion enraged the jurors including many who had voted not to convict him His fate was sealed Soon afterward he drank poisonous hemlock Socrates was dead But his legacy would live on Even today he is one of the most famous thinkers of all time **Deification in Classical Greek Philosophy and the Bible** James Bernard

Murphy,2024-06-27 The goal of human life according to Plato Aristotle and the Bible is to become as much like god as possible This book written in vivid and lucid English illuminates Greek philosophy by showing how it grows out of ancient Greek religion and how it compares to biblical religion **The Art of Living** Alexander Nehamas,1998-09-01 For much of its history philosophy was not merely a theoretical discipline but a way of life an art of living This practical aspect of philosophy has been much less dominant in modernity than it was in ancient Greece and Rome when philosophers of all stripes kept returning to Socrates as a model for living The idea of philosophy as an art of living has survived in the works of such major modern authors as Montaigne Nietzsche and Foucault Each of these writers has used philosophical discussion as a means of establishing what a person is and how a worthwhile life is to be lived In this wide ranging brilliantly written account Alexander Nehamas provides an incisive reevaluation of Socrates place in the Western philosophical tradition and shows the importance of Socrates for Montaigne Nietzsche and Foucault Why does each of these philosophers each fundamentally concerned with his own originality return to Socrates as a model The answer lies in the irony that characterizes the Socrates we know from the Platonic dialogues Socratic irony creates a mask that prevents a view of what lies behind How Socrates led the life he did what enabled or inspired him is never made evident No tenets are proposed Socrates remains a silent and ambiguous character forcing readers to come to their own conclusions about the art of life This Nehamas shows is what allowed Montaigne Nietzsche and Foucault to return to Socrates as a model without thereby compelling them to imitate him This highly readable erudite study argues for the importance of the tradition within Western philosophy that is best described as the art of living and casts Montaigne Nietzsche and Foucault as the three major modern representatives of this tradition Full of original ideas and challenging associations this work will offer new ways of thinking about the philosophers Nehamas discusses and about the discipline of philosophy itself **History of Political Theory: An**

Introduction George Klosko,2012-10-05 History of Political Theory An Introduction is an engaging introduction to the main figures in the history of Western Political Theory and their most important works Volume I traces the development of political theory from the beginning in ancient Greece through the Reformation Main subjects examined include the Classical political

theory of the Greek polis the Hellenistic period the rise of Christian political theory political theory of the middle ages and the Reformation Major figures examined include Socrates Plato Aristotle St Augustine St Thomas Marsilius of Padua and Martin Luther Throughout the great theorists are closely examined in their historical contexts with extensive quotations allowing them to speak for themselves Central concepts employed in their works are carefully examined with special attention to how these fit together to form coherent theories The works of the great theorists are further considered in regard to how they bear on issues of contemporary concern such as constitutionalism natural law and resistance to unjust authority The result is not only an exploration of the great works of political theory but a demonstration of their continuing relevance

CliffsNotes on Greek Classics Mary Ellen Snodgrass,2007-08-20 CliffsNotes on Greek Classics is the only reference book you need to understand the ideological and literary influence of the Greek civilization A fully indexed guide designed for students of English Literature World Literature Classical Literature and Languages Philosophy History Theater and Drama Women s Studies Music and Art Religion Use for concise overviews of Greek playwrights poets prose writers historians and philosophers Find term paper ideas and essay topics Check facts dates spelling and pronunciation Identify major Greek literary movements Understand the origins of Western drama Discover the genesis of such ideas as the Oedipus Complex the Golden Mean the Golden Fleece the Trojan Horse the Socratic Method and Platonic Love Recognize literary allusions to people and events such as the Olympic Games the Bronze Age the Fates Medea Electra and the Muses Comprehend through example such literary terms as *medias res* *hubris* and *nemesis* Place Greek authors in historical context and chronological relationship to one another Review major events of Greek civil wars as discussed by such writers as Herodotus Xenophon and Thucydides Recognize the roots of Western thought and philosophy in such writers as Plato Aristotle and Socrates For comprehensive in depth treatment of the following works see the Cliffs Notes on each title *Iliad* *Odyssey* *Agamemnon* *Oedipus Rex* *Electra* *Lysistrata* *Plato s Euthyphro* *Apology* *Crito* and *Phaedo* *Plato s Republic* and *Aristotle s Ethics*

Athens on Trial Jennifer T. Roberts,2011-10-23 The Classical Athenians were the first to articulate and implement the notion that ordinary citizens of no particular affluence or education could make responsible political decisions For this reason reactions to Athenian democracy have long provided a prime Rorschach test for political thought Whether praising Athens s government as the legitimizing ancestor of modern democracies or condemning it as mob rule commentators throughout history have revealed much about their own notions of politics and society In this book Jennifer Roberts charts responses to Athenian democracy from Athens itself through the twentieth century exploring a debate that touches upon historiography ethics political science anthropology sociology philosophy gender studies and educational theory

The New International Encyclopædia Daniel Coit Gilman,Harry Thurston Peck, Frank Moore Colby,1907

Classical Philosophy Peter Adamson,2014-06 Readership Anyone interested in philosophy the history of ideas or the ancient Greek world
