The background of the book cover is a dark, atmospheric illustration. In the upper left, a large, bright full moon is partially obscured by wispy clouds. A parachute is shown in mid-descent, its canopy open and silhouetted against the moon. Below the moon, a dark, jagged mountain range is visible, with snow-covered peaks and slopes. The overall color palette is dominated by dark blues, greys, and the bright yellow of the text and moon.

Soe The Special Operations Executive 1940 46:

SOE Michael Richard Daniell Foot,1984 This book explains clearly and readably how the Special Operations Executive was created and run the astounding calibre of the men and women who fought in it what tools they used how and where they applied them where they did well and where they did badly From dustjacket **S. O. E. M. R. D. Foot,2014** *SOE the Special Operations Executive* was a small tough British secret service a dirty tricks department established in July 1940 and encouraged by Churchill to set Europe ablaze e tm Recruited from remarkably diverse callings the men and women who were members of this most secret agency lived in great and constant danger Their job e as saboteurs informers partisans couriers or secret agents e was to support and stimulate resistance behind enemy lines their credentials fortitude courage immense patience and a devotion to freedom In this classic study M R D Foot sheds light on the heroism of individual *SOE* agents across the world and provides us with a spellbinding account of the Executive e tm s crucial wartime work With an introduction by David Stafford *SOE* Thomas F. Troy,1984-06-30 *SOE* Michael Richard Daniel Foot,1984 ***SOE*** Michael Richard Daniel Foot,1990 *The Special Operations Executive 1940-46* , *SOE* Michael R. D. Foot,1990 ***SOE*** Michael Richard Daniell Foot,Folio Society (London, England),2008 ***The Special Operations Executive in Malaya*** Rebecca Kenneison,2019-05-30 During World War II agents of the Special Operations Executive *SOE* infiltrated Japanese occupied Malaya There they worked with Malayan guerrilla groups including the communist sponsored Malayan Peoples Anti Japanese Army MPAJA regarded as the precursor of the communist insurgent army of the Malayan Emergency This book traces the development of *SOE* s Malayan operations and analyses the interactions between *SOE* and the various guerrilla groups It explores the reasons for and the extent of Malay disillusionment with Japanese rule and demonstrates how guerrilla service acted as a training ground for some later Malay leaders of the independent nation However the reports written about the MPAJA by *SOE* operatives just after the war failed to draw out the likely future threat posed by the communists to the returning colonial administration Rebecca Kenneison shows that the British possessed a wealth of local information but failed to convert it into active intelligence in the period prior to the Malayan Emergency In doing so she provides new insights into the impact of *SOE* on Malayan politics the nature of Malayan communism s challenge to colonial rule and British post war intelligence in Malaya *Special Operations Executive* Mark Seaman,2013-01-11 This unique book presents an accurate and reliable assessment of the Special Operations Executive *SOE* It brings together leading authors to examine the organization from a range of key angles This study shows how historians have built on the first international conference on the *SOE* at the Imperial War Museum in 1998 The release of many records then allowed historians to develop the first authoritative analyses of the organization s activities and several of its agents and staff officers were able to participate Since this groundbreaking conference fresh research has continued and its original papers are here amended to take account of the full range of *SOE* documents that have been released to the National Archives The fascinating stories they tell range from

overviews of work in a single country to particular operations and the impact of key personalities SOE was a remarkably innovative organization It played a significant part in the Allied victory while its theories of clandestine warfare and specialised equipment had a major impact upon the post war world SOE proved that war need not be fought by conventional methods and by soldiers in uniform The organization laid much of the groundwork for the development of irregular warfare that characterized the second half of the twentieth century and that is still here more potent than ever at the beginning of the twenty first This book will be of great interest to students of World War II history intelligence studies and special operations as well as general readers with an interest in SOE and World War II
