unique approach to the study of the world's foods, musics, and cultures. Covering over four dozen regions, the entries in these collection each include a regional food-related proverb, a recipe for a complete meal, a list of companion readings and listening pieces, and a short essay that highlights the significant links between music and food in the area. The *Ethnomusicologists Cookbook Volume 2* will appeal to ethnomusicologists, anthropologists, and sociologists but should also find a welcome place on the bookshelf of anyone who enjoys eating and learning about foods from around the world. By *Bread Alone* Kendall Vanderslice, 2023. A satisfying offering that will prove good medicine for the hungry soul. Publishers Weekly. Bread is central to God's story and to your story too. Our spiritual lives are deeply connected to bread: the bread we break with family and friends and the Bread that is Christ's Body, given and broken for us. It's easy to choose the cheapest, most convenient option, but the life of Jesus and the story of Scripture, as well as the substance of bread itself, shows us that there is more. In *By Bread Alone*, Kendall Vanderslice, a professional baker and practical theologian who spends her days elbow-deep in dough, reveals that there is no food more spiritually significant than bread, whether eating, baking, sharing, or breaking. Kendall has struggled with hunger ever since she can remember; hunger for bread, yes, but also for community and for the ability to taste and see the goodness of God. She knows the tension of bread as blessing and bread as burden, but has learned that bread also offers a unique opportunity to heal our relationship to the body of Christ and to our own bodies. In *By Bread Alone*, she weaves her own faith-filled journey together with original recipes and stories about the role of bread in church history, revealing a God who draws near to us and creatively provides for our daily needs. When words fail, when we cry out in longing and loneliness, when God feels impossibly far away, *By Bread Alone* displays the tangible expression of God's presence and provision for us in the form of bread. It's the story of hunger and family, of friendship and unmet longing. It's the story of a God who meets us in both sacred and mundane ways. In the mixing and kneading, in the waiting and partaking, may God also meet you. **Food & Wine Annual Cookbook 2017** Matt Moore, 2017-02-07. Food & Wine's annual cookbook is filled with the year's best recipes from chefs around the world. This expertly curated collection features fabulous dishes, fresh flavors, and new ways to prepare familiar ingredients. Discover creative ideas for every occasion, from weeknight dinners and weekend brunches to cocktail parties and holiday meals. Gorgeous color photographs throughout provide endless inspiration, while clear instructions and step-by-step photographs guarantee delicious success. *Making Levantine Cuisine* Anny Gaul, Graham Auman, Pitts, Vicki Valosik, 2021-12-08. Melding the rural and the urban with the local, regional, and global, Levantine cuisine is a mélange of ingredients, recipes, and modes of consumption rooted in the Eastern Mediterranean. *Making Levantine Cuisine* provides much-needed scholarly attention to the region's culinary cultures while teasing apart the tangled histories and knotted migrations of food. Akin to the region itself, the culinary repertoires that constitute Levantine cuisine endure and transform; they are unified but not uniform. This book delves into the production and circulation of sugar, olive oil, and pistachios, examines the social origins of kibbe, Adana kebab, shakshuka, falafel, and shawarma, and offers a sprinkling of family

recipes along the way The histories of these ingredients and dishes now so emblematic of the Levant reveal the processes that codified them as national foods the faulty binaries of Arab or Jewish and traditional or modern and the global nature of foodways Making Levantine Cuisine draws from personal archives and public memory to illustrate the diverse past and persistent cultural unity of a politically divided region
