Sojourners And Settlers Chinese Migrants In Hawaii:

Sojourners and Settlers Clarence E. Glick, 2017-04-30 Among the many groups of Chinese who migrated from their ancestral homeland in the nineteenth century none found a more favorable situation than those who came to Hawaii. Coming from South China largely as laborers for sugar plantations and Chinese rice plantations but also as independent merchants and craftsmen they arrived at a time when the tiny Polynesian kingdom was being drawn into an international economic, political, and cultural world. *Sojourners and Settlers* traces the waves of Chinese immigration, the plantation experience, and movement into urban occupations. Important for the migrants were their close ties with indigenous Hawaiians, hundreds establishing families with Hawaiian wives. Other migrants brought Chinese wives to the islands. Though many early Chinese families lived in the section of Honolulu called Chinatown, this was never an exclusively Chinese place of residence, and under Hawaii's relatively open pattern of ethnic relations, Chinese families rapidly became dispersed throughout Honolulu. Chinatown was however a nucleus for Chinese business, cultural, and organizational activities. More than two hundred organizations were formed by the migrants to provide mutual aid, to respond to discrimination under the monarchy and later under American laws, and to establish their status among other Chinese and Hawaii's multiethnic community. Professor Glick skillfully describes the organizational network in all its subtlety. He also examines the social apparatus of migrant existence: families, celebrations, newspapers, schools, in short the way of life. Using a sociological framework, the author provides a fascinating account of the migrant settlers' transformation from villagers bound by ancestral clan and tradition into participants in a mobile, largely Westernized social order.

Hawaii has one of the richest culinary heritages in the United States. Its contemporary regional cuisine, known as local food by residents, is a truly amazing fusion of diverse culinary influences. Rachel Laudan takes readers on a thoughtful, wide-ranging tour of Hawaii's farms and gardens, fish auctions and vegetable markets, fairs and carnivals, mom and pop stores and lunch wagons to uncover the delightful complexities and incongruities in Hawaii's culinary history. More than 150 recipes, photographs, a bibliography of Hawaii's cookbooks, and an extensive glossary make *The Food of Paradise* an invaluable resource for cooks, food historians, and Hawaiiana buffs.

Plague and Fire James C. Mohr, 2004-11-15 A little over a century ago bubonic plague the same Black Death that decimated medieval Europe arrived on the shores of Hawaii just as the islands were about to become a U S territory In this absorbing narrative James Mohr tells the story of that fearful visitation and its fiery climax a vast conflagration that engulfed Honolulu's Chinatown Mohr tells this gripping tale largely through the eyes of the people caught up in the disaster from members of the white elite to Chinese doctors Japanese businessmen and Hawaiian reporters At the heart of the narrative are three American physicians the Honolulu Board of Health who became virtual dictators when the government granted them absolute control over the armed forces and the treasury The doctors soon quarantined Chinatown where the plague was killing one or two people a day and clearly spreading They resisted intense pressure from the white community to burn down all of Chinatown at once and instead ordered a careful controlled burning of buildings where plague victims had died But a freak wind whipped one of those small fires into a roaring inferno that destroyed everything in its path consuming roughly thirty eight acres of densely packed wooden structures in a single afternoon Some 5000 people lost their homes and all their possessions and were marched in shock to detention camps where they were confined under armed guard for weeks Next to the attack on Pearl Harbor in 1941 the Chinatown fire is the worst civic disaster in Hawaiian history A dramatic account of people struggling in the face of mounting catastrophe Plague and Fire is a stimulating and thought provoking read
