

SOLDIERS AND SLAVES

**American POWs Trapped
by the Nazis' Final Gamble**

ROGER COHEN

"Meticulously reported and passionately felt. . . . Haunting."

—Tom Brokaw, The New York Times

Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble

Arnold Krammer

Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble:

Soldiers and Slaves Roger Cohen, 2005-04-26 In February of 1945 350 American POWs selected because they were Jews thought to resemble Jews or simply by malicious caprice were transported by cattle car to Berga a concentration camp in eastern Germany Here the soldiers were worked to death starved and brutalized more than twenty percent died from this horrific treatment This is one of the last untold stories of World War II and Roger Cohen re creates it in all its blistering detail Ground down by the crumbling Nazi war machine the men prayed for salvation from the Allied troops yet even after their liberation their story was nearly forgotten There was no aggressive prosecution of the commandants of the camp and the POWs received no particular recognition for their sacrifices Cohen tells their story at last in a stirring tale of bravery and depredation that is essential for any reader of World War II history

Soldiers and Slaves Roger Cohen, 2006-04-11 In February of 1945 350 American POWs selected because they were Jews thought to resemble Jews or simply by malicious caprice were transported by cattle car to Berga a concentration camp in eastern Germany Here the soldiers were worked to death starved and brutalized more than twenty percent died from this horrific treatment This is one of the last untold stories of World War II and Roger Cohen re creates it in all its blistering detail Ground down by the crumbling Nazi war machine the men prayed for salvation from the Allied troops yet even after their liberation their story was nearly forgotten There was no aggressive prosecution of the commandants of the camp and the POWs received no particular recognition for their sacrifices Cohen tells their story at last in a stirring tale of bravery and depredation that is essential for any reader of World War II history

Operation Swallow Mark Felton, 2019-10-15 The true and heroic story of American POWs daring escape from a Nazi concentration camp In this little known story from World War II a group of American POW camp leaders risk everything to save hundreds of fellow servicemen from a diabolical Nazi concentration camp Their story begins in the dark forests of the Ardennes during Christmas 1944 and ends at the Buchenwald Concentration Camp in the spring of 1945 This appalling chapter of US military history and uplifting Holocaust story deserves to be widely known and understood Operation Swallow provides a historical first person perspective of how American GIs stood up against their evil SS captors who were forcing them to work as slave laborers A young GI is thrust into a leadership position and leads his fellow servicemen on a daring escape It is a story filled with courage sacrifice torture despair and salvation A compelling narrative driven nonfiction book has not been written that takes the reader deep into the dark story of Operation Swallow and Berga Concentration Camp until now Written from personal testimonies and official documents Operation Swallow is a tale replete with high adventure compelling characters human drama tragedy and eventual salvation from the pen of a master of the modern military narrative

Hitler and Nazi Germany Jackson J. Spielvogel, David Redles, 2020-05-05 Hitler and Nazi Germany A History is a brief but comprehensive survey of the Third Reich based on current research findings that provides a balanced approach to the study of Hitler s role in the history of the Third Reich The book considers the economic social and political forces that

made possible the rise and development of Nazism the institutional cultural and social life of the Third Reich World War II and the Holocaust World War II and the Holocaust are presented as logical outcomes of the ideology of Hitler and the Nazi movement This new edition contains more information on the Kaiserreich Imperial Germany as well as Nazi complicity in the Reichstag Fire and increased discussion of consent and dissent during the Nazi attempt to create the ideal Volksgemeinschaft people s community It takes a greater focus on the experiences of ordinary bystanders perpetrators and victims throughout the text includes more discussion of race and space and the final chapter has been completely revised Fully updated the book ensures that students gain a complete and thorough picture of the period and issues Supported by maps images and thoroughly updated bibliographies that offer further reading suggestions for students to take their study further the book offers the perfect overview of Hitler and the Third Reich

Long Hard Road Thomas Saylor, 2008-10-14 Between 1941 and 1945 more than 110 000 American marines soldiers airmen and sailors were taken prisoner by German Italian and Japanese forces Most who fought overseas during World War II weren t prepared for capture or for the life altering experiences of incarceration torture and camaraderie bred of hardship that followed Their harrowing story often overlooked in Greatest Generation narratives is told here by the POWs themselves Long hours of inactivity followed by moments of sheer terror Slave labor death marches the infamous hell ships Historian Thomas Saylor pieces together the stories of nearly one hundred World War II POWs to explore what it was like to be the guest of the Axis Powers and to reveal how these men managed to survive Gunner Bob Michelsen bailed out of his wounded B 29 near Tokyo only to endure days of interrogation and beatings and months as a special prisoner in a tiny cell home to seventeen other Americans Medic Richard Ritchie spent long moments of terror locked with dozens of others in an unmarked boxcar that was repeatedly strafed by Allied forces In the closing chapter to this moving narrative the men speak of their difficult transition to life back home where many sought not always successfully to put their experience behind them

Journey Out of Darkness Hal LaCroix, Jorg Meyer, 2007-09-30 Journey Out of Darkness is a poignant collection of portraits in words and photographs of 19 former prisoners of war who bravely endured captivity in Nazi Germany in World War II Through these men one can learn essential truths about the POW experience during that war truths that counter many popular myths and misconceptions The men featured here gather every week in offices of the Veterans Administration in Boston and Brockton Mass to talk about their experiences and find comfort in each other In their eighties and nineties they are unique individuals with unique wartime experiences but also representative of the more than 120 000 American POWs held in Nazi Germany They are men who fought a double war in combat and then as POWs Using both oral histories and photographs to tell their stories LaCroix and Meyer humanize a terrifying aspect of war redefining how we think about these men as POWs survivors patriots and members of the Greatest Generation Journey Out of Darkness is a poignant collection of portraits in words and photographs of 19 former prisoners of war who bravely endured captivity in Nazi Germany during World War II Through these men one

can learn essential truths about the POW experience during that war truths that counter many popular myths and misconceptions The 19 men featured here gather every week in offices of the Veterans Administration in Boston and Brockton Mass to talk about their experiences and find comfort in each other In their eighties and nineties they are unique individuals with unique wartime experiences but also representative of the more than 120 000 American POWs held in Nazi Germany They are men who fought a double war in combat and then as POWs Together their photos and their stories go beyond typical first person accounts Until the men in this book began meeting in VA support groups few had spoken of their POW experiences Some were told by the military not to talk others were coerced by military intelligence into signing non disclosure papers called security certificates With little exception they received no recognition for enduring as POWs even as they struggled with traumatic memories and shame for having been held captive for losing power over their fate and for surviving combat when friends died These portraits also illuminate another little known story the plight of Jewish American POWs Two of the men featured in the book were Jews who concealed their religious identities from the SS LaCroix and Meyer have crafted a powerful exploration of the struggles of these brave veterans Using both oral histories and photographs Journey Out of Darkness humanizes a terrifying aspect of war redefining how we think about these men as POWs survivors patriots and members of the Greatest Generation

The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos, 1933-1945, Volume IV Geoffrey P. Megargee, 2022-04-26 The United States Holocaust Memorial Museum Encyclopedia of Camps and Ghettos 1933 1945 Volume IV aims to provide as much basic information as possible about individual camps and other detention facilities Why were they established Who ran them What kinds of prisoners did they hold What kinds of work did the prisoners do and for whom What were the conditions like The entries detail the sources from which the authors drew their material so future scholars can expand upon the work Finally and perhaps most important this is a work of memorialization it preserves the histories of places where people suffered and died Volume IV examines an under researched segment of the larger Nazi incarceration system camps and other detention facilities under the direct control of the German military the Wehrmacht These include prisoner of war POW camps including camps for enlisted men camps for officers camps for naval personnel and airmen and transit camps civilian internment and labor camps work camps for Tunisian Jews brothels in which women were forced to have sex with soldiers and prisons and penal camps for Wehrmacht personnel Most of these sites have not been described in detail in the existing historical literature and a substantial number of them have never been documented at all The volume also includes an introduction to the German prisoner of war camp system and its evolution introductions to each of the various types of camps operated by the Wehrmacht and entries devoted to each individual camp representing the most comprehensive documentation to date of the Wehrmacht camp system Within the entries the volume draws upon German military documents eyewitness and survivor testimony and postwar investigations to describe the experiences of prisoners of war and civilian prisoners held captive by

the Wehrmacht Of particular note is the detailed documentation of the Wehrmacht s crimes against Soviet prisoners of war which have largely been neglected in the English language literature up to this point despite the fact that more than three million Soviet prisoners died in German captivity The volume also provides substantial coverage of the diverse range of conditions encountered by other Allied prisoners of war illustrating both the substantial privations faced by all prisoners of war and the stark contrast between the Germans treatment of Soviet prisoners and those of other nationalities The volume also details the significant involvement of the Wehrmacht in crimes against the civilian populations of occupied Europe and North Africa As a result this volume not only brings to light many detention sites whose existence has been little known but also advances the decades old process of dismantling the myth of the clean Wehrmacht according to which the German military had nothing to do with the Holocaust and the Nazi regime s other crimes **True to My God and Country**

Françoise S. Ouzan,2024-02-06 True to My God and Country explores the role of the more than half a million Jewish American men and women who served in the military in the Second World War Patriotic Americans determined to fight they served in every branch of the military and every theater of the war Drawing on letters diaries interviews and memoirs True to My God and Country offers an intimate account of the soul searching carried out by young Jewish men and women in uniform Ouzan highlights in particular the selflessness of servicewomen who risked their lives in dangerous assignments Many GIs encountered antisemitism in the American military even as they fought the evils of Nazi Germany and its allies True to My God and Country examines how they coped with anti Jewish hostility and reveals how their interactions with Jewish communities overseas reinforced and bolstered connections to their own American Jewish identities Barbed Wire

Diplomacy Neville Wylie,2010-03-25 This book examines how the UK government protected the lives interests and well being of its POWs in Nazi Germany The comparatively good treatment of British POWs in Germany has been explained in terms of self interest Wylie presents a more nuanced picture of Anglo German relations and the politics of prisoners of war **Life**

Reclaimed Paul N. Frenkel,2013-03-25 In April of 1944 during the last year of World War II and two months before the D day landings at Normandy Paul N Frenkel was a fourteen year old living happily with his family in the rural Transylvanian town of Hadad Hungary Suddenly without explanation or justification the family was rounded up with other Hungarian Jews confined in a factory yard and then herded into cattle cars and shipped off to Auschwitz In Life Reclaimed Frenkel narrates the story of his lifehis prewar idyllic childhood in the foothills of the Carpathian Mountains his survival in four Nazi camps as a young teenager the loss of his parents and most of his relatives in Nazi hell his daring escape from the death march out of Berga Elster Camp and his ultimate success as an entrepreneurial business executive and devoted family man in America A story of endurance courage and hope Life Reclaimed represents Frenkels determined ongoing efforts to come to grips with his Word War II experiencewhy his family and the other Hungarian Jews failed to realize their dire peril from the Nazis why their Transylvanian neighbors and friends actively collaborated with the Nazis or passively abandoned their Jewish

colleagues to arrest enslavement and death and why this dark past continues to haunt his life and burden his thoughts

Masters of the Air MTI Donald L. Miller, 2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U S Eighth Air Force the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers arrival on the ground *Historical Dictionary of World War II* Anne Sharp Wells, 2013-12-24 This dictionary covers the complex and costly conflict that began when Germany ruled by Adolf Hitler and the Nazi Party invaded neighboring Poland on 1 September 1939 and concluded when Germany surrendered on 7 9 May 1945 leaving much of the European continent in ruins and its population devastated The war against Germany Italy and the other European Axis members was fought primarily in Europe the Mediterranean the Middle East East and North Africa and the Atlantic Ocean The Axis powers were defeated by the Allies led by the Grand Alliance of Great Britain the United States and the Union of Soviet Socialist Republics The *Historical Dictionary of World War II* The War against Germany and Italy relates the history of this war through a chronology an introductory essay maps and photos and an extensive bibliography The dictionary section has more than 300 cross referenced entries on the countries and geographical areas involved in the war as well as the nations remaining neutral wartime alliances and conferences significant civilian and military leaders and major ground naval and air operations This book is an excellent access point for students researchers and anyone wanting to know more about World War II *Japan's Holocaust* Bryan Mark Rigg, 2024-03-19 Japan s Holocaust is a comprehensive exploration of Japan s mass murder and sexual crimes during the Pacific and Asian Wars from 1927 to 1945 Japan s Holocaust combines research conducted in over eighteen research facilities in five nations to explore Imperial Japan s atrocities from 1927 to 1945 during its military expansions and reckless campaigns throughout Asia and the Pacific This book brings together the most recent scholarship and new primary research to ascertain that Japan claimed a minimum of thirty million lives slaughtering far more than Hitler s Nazi Germany Japan s Holocaust shows that Emperor Hirohito not only knew about the atrocities his legions committed but actually ordered them He did nothing to stop them when they exceeded even the most depraved person s imagination as illustrated during the Rape of Nanking as well as many other events Japan s Holocaust will document in painful detail that the Rape of Nanking was not an isolated event during the Asian War but rather representative of how Japan behaved for all its campaigns throughout Asia and the Pacific from 1927 to 1945 Mass murder rape and economic exploitation was Japan s modus operandi during this time period and whereas Hitler s SS Death s Head outfits attempted to hide their atrocities Hirohito s legions committed their atrocities out in the open with fanfare and enthusiasm Moreover whereas Germany has done much since World War II to atone for its crimes and to document them Japan has been absolutely disgraceful with its reparations for its crimes and in its efforts to educate its population about its wartime past Shockingly Japan continues in general to glorify its criminals and its wartime past *Prisoners of War* Bob Moore, 2022-04-14 The Second World War between the European Axis powers and the Allies saw more than twenty million soldiers taken as

prisoners of war While this total is inflated by the unconditional surrender of all German forces in Europe on 8 May 1945 it nonetheless highlights the fact that captivity was one of the most common experiences for all those in uniform even more common than frontline service Despite this and the huge literature on so many aspects of the war prisoner of war histories have remained a separate and sometimes isolated element in the wider national chronicles of the conflict constructed in the post war era Prisoners of every nationality had their own narratives of military service and captivity While it is impossible to encompass their collective histories let alone the individual experiences of all twenty million prisoners in a single volume Bob Moore uses a series of case studies to highlight the key elements involved and to introduce analyse and refine some of the major debates that have arisen in the existing historiography The study is divided into three broad sections captivity in Eastern and Western Europe during the war itself comparative studies of specific categories of prisoners and the repatriation and reintegration of prisoners after the war War Crimes, Genocide, and the Law Arnold Krammer, 2010-04-09 This timely handbook offers an examination of man s history of war crimes and the parallel development of rules of war to prevent them in the future Kosovo Rwanda Sierra Leone Darfur Auschwitz War crimes have occurred in regions around the world and continue to this day Although atrocities are as old as war itself they did not become punishable crimes until the law evolved to define them as such War Crimes Genocide and the Law A Guide to the Issues examines the types of war crimes and the motivations behind them as well as the laws that seek to control and abolish these heinous acts Within the handbook centuries of war crimes and genocides are analyzed and catalogued At the same time the author offers a history of the development of the rules of war enabling readers to grasp the importance of such precedent setting events as the 1946 Nuremberg Trials and to see the gradual evolution of the laws intended to punish perpetrators and prevent future barbarism

The Ardennes, 1944-1945 Christer Bergström, 2014-12-19 A comprehensive photo filled account of the six week long Battle of the Bulge when panzers slipped through the forest and took the Allies by surprise In December 1944 just as World War II appeared to be winding down Hitler shocked the world with a powerful German counteroffensive that cracked the center of the American front The attack came through the Ardennes the hilly and forested area in eastern Belgium and Luxembourg that the Allies had considered a quiet sector Instead for the second time in the war the Germans used it as a stealthy avenue of approach for their panzers Much of US First Army was overrun and thousands of prisoners were taken as the Germans forged a fifty mile bulge into the Allied front But in one small town Bastogne American paratroopers together with remnants of tank units offered dogged resistance Meanwhile the rest of Eisenhower s broad front strategy came to a halt as Patton from the south and Hodges from the north converged on the enemy incursion Yet it would take an epic six week long winter battle the bloodiest in the history of the US Army before the Germans were finally pushed back Christer Bergström has interviewed veterans gone through huge amounts of archive material and performed on the spot research in the area The result is a large amount of previously unpublished material and new findings including reevaluations of tank and

personnel casualties and the most accurate picture yet of what really transpired from the perspectives of both sides With nearly four hundred photos numerous maps and thirty two superb color profiles of combat vehicles and aircraft it provides perhaps the most comprehensive look at the battle yet published *Wartime Captivity in the 20th Century* Anne-Marie Pathé, Fabien Théofilakis, Helen McPhail, 2016-08-01 Long a topic of historical interest wartime captivity has over the past decade taken on new urgency as an object of study Transnational by its very nature captivity's historical significance extends far beyond the front lines ultimately inextricable from the histories of mobilization nationalism colonialism law and a host of other related subjects This wide ranging volume brings together an international selection of scholars to trace the contours of this evolving research agenda offering fascinating new perspectives on historical moments that range from the early days of the Great War to the arrival of prisoners at Guantanamo Bay

Atrocities, Massacres, and War Crimes Alexander Mikaberidze, 2013-06-25 Both concise and wide ranging this encyclopedia covers massacres atrocities war crimes and genocides including acts of inhumanity on all continents and serves as a reminder that lest we forget history will repeat itself The 400 plus entries in *Atrocities Massacres and War Crimes An Encyclopedia* provide accessible and concise information on the difficult subject of abject human violence committed on all continents The entries in this two volume work describe atrocities massacres and war crimes committed in the 20th century thereby documenting how human beings have repeatedly proven their capability to commit horrific acts of inhumanity even in relatively recent times and within the modern era The encyclopedia covers countries treaties and terms profiles individuals who had been formally indicted for war crimes as well as those who have committed mass atrocities and gone unpunished and addresses human rights violations crimes against humanity and crimes against peace

The Joy of Pain Richard H. Smith, 2013-07-02 Few people confess easily to taking pleasure in the misfortunes of others Maybe this is why there is no word for the feeling in English And so schadenfreude that beguiling German word is borrowed to label the experience This book written by one of the world's foremost scholars of envy and shame explores the emotion we dare not admit Although schadenfreude is hardly a feeling to nourish in oneself or to encourage as a cultural habit Smith argues that there is no getting rid of it when the misfortunes of others can lead to our benefit Indeed schadenfreude can be sweet revenge when it is personal but as Smith argues in a fascinating exploration of anti semitism in the 20th century that concludes the book this passive thrill can lead to devastating consequences

The Liberators Michael Hirsh, 2010-03-16 At last the everyday fighting men who were the first Americans to know the full and horrifying truth about the Holocaust share their astonishing stories Rich with powerful never before published details from the author's interviews with more than 150 U S soldiers who liberated the Nazi death camps *The Liberators* is an essential addition to the literature of World War II and a stirring testament to Allied courage in the face of inconceivable atrocities Taking us from the beginnings of the liberators final march across Germany to V E Day and beyond Michael Hirsh allows us to walk in their footsteps experiencing the journey as they themselves experienced it But this book is more than just an in

depth account of the liberation It reveals how profoundly these young men were affected by what they saw the unbelievable horror and pathos they felt upon seeing stacks of bodies like cordwood and skeletonlike survivors in camp after camp That life altering experience has stayed with them to this very day It s been well over half a century since the end of World War II and they still haven t forgotten what the camps looked like how they smelled what the inmates looked like and how it made them feel Many of the liberators suffer from what s now called post traumatic stress disorder and still experience Holocaust related nightmares Here we meet the brave souls who now in their eighties and nineties have chosen at last to share their stories Corporal Forrest Robinson saw masses of dead bodies at Nordhausen and was so horrified that he lost his memory for the next two weeks Melvin Waters a 4 F volunteer civilian ambulance driver recalls that a woman at Bergen Belsen fought us like a cat because she thought we were taking her to the crematory Private Don Timmer used his high school German to interpret for General Dwight Eisenhower during the supreme Allied commander s visit to Ohrdruf the first camp liberated by the Americans And Phyllis Lamont Law an army nurse at Mauthausen Gusen recalls the shock and ultimately the hope that you can save a few From Bergen Belsen in northern Germany to Mauthausen in Austria The Liberators offers readers an intense and unforgettable look at the Nazi death machine through the eyes of the men and women who were our country s witnesses to the Holocaust The liberators recollections are historically important vivid riveting heartbreaking and on rare occasions joyous and uplifting This book is their opportunity perhaps for the last time to tell the world

Thank you very much for downloading **Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble**. Maybe you have knowledge that, people have search hundreds times for their favorite books like this Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble, but end up in malicious downloads. Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for

specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Soldiers And Slaves American Pows Trapped By The Nazis Final Gamble any PDF files. With these platforms, the world of PDF downloads is just a click away.
