Solution-Centered Sociology Stephen F. Steele, Anne Marie Scarisbrick-Hauser, William J. Hauser, 1999 Elegant and economical in approach Solution Centered Sociology is an ideal introduction to the world of applied sociology It provides students with an applied view of the many social factors which affect everyday life and offers a number of tools to help find solutions to issues which arise in the social world Written in a style which is both encouraging and pragmatic Solution Centered Sociology is intended to be continually drawn upon like a tool kit to help students better view their world and to develop practical uses of sociology As such it is not only intended as a core text in an applied sociology course but ideally as a supplement to basic courses such as Social Problems or the Introduction to Sociology
