Solution Oriented Woman Creating The Life You Want:

The Solution-oriented Woman Patricia O'Hanlon Hudson, 1996 The co author of Love Is a Verb distills her twenty plus years of psychotherapy and radio counseling down to four essential solutions the thinking solution the action solution the dreaming solution and the feeling solution to help women create the lives they want Stop Blaming, Start Loving! William Hudson O'Hanlon, Bill O'Hanlon, Patricia O'Hanlon Hudson, 1996 This fresh new approach to relationships goes beyond analyzing them to changing them even if one partner isn't interested Using a solution oriented approach the authors show readers how to break free of old patterns in days or weeks rather than months or years improve their sex lives get over past hurts and more An excellent resource for anyone who wants to have a healthy relationship Bernie Siegel M D *Handbook of Solution-Focused Therapy* Bill O'Connell, Stephen Palmer, 2003-08-20 On a scale of 0 10 I would give the Handbook of Solution Focused Therapy a nine it met my best hopes in terms of an insight into the theory and mechanics of SFT and gave me ideas for extending my current use of the therapy I found it engaging readable and well presented with useful reference lists within each chapter to guide further reading Solution News This collection of fifteen chapters each written by a different specialist in the SFT field is a valuable contribution to the Solution Focused therapist's bookshelf A must read for any informed SF therapy practitioner Mark McKergow The Solutions Focus This book has 14 chapters on diverse applications of Solution Focus between introductory and closing chapters by Bill O'Connell The book relates to work being done in the UK and in Ireland excepting Alasdair MacDonald's piece on research in SFT which is an up to date and welcome review of research findings world wide All the chapters are succinct and they convey a clear impression of the lightness and excitement of this approach for service users and therapists alike The book is a good read for any therapist professional helper or service manager Robert Cumming Nurturing Potential Solution Focused therapy is an increasingly popular approach used by practitioners in a wide range of contexts and settings Illustrating the breadth and depth of contemporary practice the Handbook of Solution Focused Therapy brings together contributions from leading practitioners in fields such as social work education and health care to show how solution focused techniques can be effective in many different situations Beginning with an introduction to the origins and theory of the approach the book examines different areas of practice explaining how and why the solution focused approach is applicable and highlighting the issues specific to each context Each chapter features a case example which demonstrates the practical advantages and difficulties involved in using the solution focused approach The Handbook of Solution Focused Therapy is an ideal text for training courses in solution focused therapy and a source of new ideas for practitioners trained in other approaches who want to integrate solution focused techniques with their existing practice Bill O'Connell is a Senior Lecturer in Counselling at University of Birmingham and author of Solution Focused Therapy SAGE 1998 and Solution Focused Stress Counselling Continuum 2001 Professor Stephen Palmer is Director of the Centre for Stress Management and the Centre for Coaching London He has written and edited over 25 books

The Quick Theory Reference Guide Karin Jordan, 2007 Since the beginning of the concepts of family therapy mental health professionals have known that the family the system is a powerful source of support for change or a powerful force for resistance to change Some professionals work with individuals some with families and some with groups However all work with the context of the systems family group community country etc Students especially beginning students are overwhelmed and confused at the variety of approaches to working with clients Many programs introduce students to individual as well as systems concepts in the course of training Students need assistance in learning this variety of theories They need to be able to compare and contrast theories and techniques to determine when and where to utilise the best skills in order to facilitate client change Dr Karin Jordan has compiled a comprehensive text that enables the students to discover each theory as it is presented in its purist form The text is accessible yet the content provides comprehensive knowledge of each theory Dr Jordan has brought together the master educators and clinicians in our fields to write about their particular expertise 8 Steps to Create the Life You Want Dr. Creflo Dollar, 2008-01-02 Don't wait until tomorrow for the life you want today Dr Creflo A Dollar illuminates eight steps to the magnificent life you crave Confidence peace and abundant life we all long for these things In this life changing book author and renowned pastor Dr Creflo A Dollar challenges readers to stop wishing for a satisfying life Instead Dr Dollar proclaims we should be claiming the success that God promises today We do not have to be defined by past failures or mediocrity we must move forward into the richness available to us right now God has designed a glorious destiny for each of us and all we have to do is take hold of it In order to seize our destiny each of us must be willing to radically transform our lives If you don't like the way you feel says Dollar you've got to change the way you think By taking manageable steps along the way each of us can achieve life to the fullest until it overflows New Woman, 1998
