Soviet Government And The Jews 1948 1967:

The Soviet Government and the Jews 1948-1967 Benjamin Pinkus, Jonathan Frankel, 1984-09-13 A comprehensive analysis of Soviet policy towards the Jews with a section of documents accompanying each chapter Discusses the Soviet theory of nationality the legal status of Soviet Jewry the persistence of antisemitism and its exploitation by the regime the internal religious and cultural life of the Jews and the restrictions placed on them by the regime and the oriental Jewish communities See in particular ch 3 p 83 146 Anti Semitism in the Soviet Union ch 11 p 387 420 Jews in Soviet Literature and ch 12 p 421 438 The Holocaust and Jewish Resistance as Reflected in Soviet Academic Literature and the Press Jews and Jewish Life in Russia and the Soviet Union Yaacov Ro'i, 2016-02-11 The main focus of this book is Jewish life under the Soviet regime The themes of the book include the attitude of the government to Jews the fate of the Jewish religion and life in Post World War II Russia The volume also contains an assessment of the prospects for future emigration **An Anthology of Jewish-Russian Literature: Two Centuries of Dual Identity in Prose and Poetry** Maxim D. Shrayder, 2015-03-26 This definitive anthology gathers stories essays memoirs excerpts from novels and poems by more than 130 Jewish writers of the past two centuries who worked in the Russian language It features writers of the tsarist Soviet and post Soviet periods both in Russia and in the great emigrations representing styles and artistic movements from Romantic to Postmodern The authors include figures who are not widely known today as well as writers of world renown Most of the works appear here for the first time in English or in new translations The editor of the anthology Maxim D Shrayder of Boston College is a leading authority on Jewish Russian literature The selections were chosen not simply on the basis of the author's background but because each work illuminates questions of Jewish history status and identity Each author is profiled in an essay describing the personal cultural and historical circumstances in which the writer worked and individual works or groups of works are headnoted to provide further context The anthology not only showcases a wide selection of individual works but also offers an encyclopedic history of Jewish Russian culture This handsome two volume set is organized chronologically The first volume spans the nineteenth century and the first part of the twentieth century and includes the editor's extensive introduction to the Jewish Russian literary canon The second volume covers the period from the death of Stalin to the present and each volume includes a corresponding survey of Jewish Russian history by John D Klier of University College London as well as detailed bibliographies of historical and literary sources **Polish Jews in the Soviet Union (1939-1959)** Katharina Friedla, Markus Nesselrodt, 2021-12-14 Winner of the 2022 PIASA Anna M Cienciala Award for the Best Edited Book in Polish Studies The majority of Poland's prewar Jewish population who fled to the interior of the Soviet Union managed to survive World War II and the Holocaust This collection of original essays tells the story of more than 200 000 Polish Jews who came to a foreign country as war refugees forced laborers or political prisoners This diverse set of experiences is covered by historians literary and memory scholars and sociologists who specialize in the field of East European Jewish history and

culture **The Jews of the Soviet Union** Benjamin Pinkus, 1988 This is a comprehensive and topical history of the Jews in the Soviet Union and is based on firsthand documentary evidence and the application of a pioneering research method into the fate of national minorities Within a four part chronological framework Professor Pinkus examines not only the legal political status of the Jews and their reciprocal relationship with the Soviet majority but also the impact of internal economic demographic and social processes upon the religious educational and cultural life of Soviet Jewry A second layer of analysis describes in depth the complex linkages between the Jews of the Soviet Union the Jews in other diasporas and the state of Israel itself The Jews of the Soviet Union marks a major contribution to the historiography and social analysis of its subject and provides a worthy companion to Professor Pinkus's acclaimed documentary study *The Soviet Union and the Jews* 1948 1967 *Jewish Culture and Identity in the Soviet Union* Yaacov Ro'i, Avi Beker, 1991 Over ten years ago Benjamin Fain a physicist now living in Tel Aviv attempted to hold a conference on Jewish culture in Moscow an effort that was foiled by the KGB Many of the participants were eventually able to flee most emigrating to Israel In this book these distinguished scholars and others from around the world present their personal and professional views of Jewish culture in the Soviet Union The book explores a wide range of topics including underground literature religious revival and the rise of a national Jewish consciousness Some writers claim that the refuseniks are not the leaders of the Soviet Jews but rather an isolated minority with most Jews being assimilated acculturated and uninterested in fleeing Other essayists look at the ambivalent role traditionally played by the Soviet Union in both allowing some forms of cultural expression and suppressing any efforts at individual religious practice Others explore the revival of Jewish culture as instanced by underground teaching of Hebrew A major debate involves the Nature of Jewish emigration whether the Jews will go to Israel or to America *Documents on Ukrainian-Jewish Identity and Emigration, 1944-1990* Vladimir Khanin, 2012-11-12 This volume provides a unique perspective on the social cultural and political situation of the Jewish population in postwar Soviet Ukraine It is based on declassified collections of documents from the Ukrainian central and regional archives *Documents on Ukrainian Jewish Identity and Emigration, 1944-1990* Ze'ev Khanin, 2003 A collection of 93 documents mostly official Soviet ones showing the rise in Jewish identity consciousness in Ukraine from 1944-90 as well as the resentment of authorities toward this phenomenon and their attempts to suppress Jewish and especially Zionist activities Pt 1 p 39 111 covering the period of 1944-53 provides many accounts of antisemitic activity including cases of anti Jewish violence rampant in Ukraine at the time Some of the documents reflect the resentment of the authorities concerning the intervention of the Jewish Anti Fascist Committee in these affairs Pt 3 p 153 322 shows inter alia attempts by the authorities to suppress commemoration of the Holocaust at the Babii Yar site and elsewhere in the 1970s *Holocaust Memory and the Cold War* Anna Koch, Stephan Stach, 2024-10-21 Even before World War II had ended survivors historians writers and artists tried to make sense of the Holocaust To do so they relied on belief systems and narratives that as the bloc confrontation intensified were increasingly shaped by Cold War thinking

Foregrounding the Cold War's role in shaping Holocaust memory this book highlights how the global conflict between East and West influenced research legal proceedings and collective as well as individual memories of the murder of European Jews Contributions focusing on different parts of the world reveal commonalities differences and entanglements between Eastern and Western memories of the Holocaust Examining Holocaust memory from various disciplinary perspectives the authors highlight the many ways in which scholars writers artists and survivors both countered and contributed to dominant narratives shaped by oppositional ideological stances While such distinct ideological positions often mattered greatly at other times a shared interest in bringing perpetrators to justice commemorating victims and providing testimony to the atrocities committed against Europe's Jews led to cooperation and exchange across the Iron Curtain *City of Rogues and Schnorrers* Jarrod Tanny, 2011-11-14 Outstanding A delightfully written work of serious scholarship Jewish Book World Old Odessa on the Black Sea gained notoriety as a legendary city of Jewish gangsters and swindlers a frontier boomtown mythologized for the adventurers criminals and merrymakers who flocked there to seek easy wealth and lead lives of debauchery and excess Odessa is also famed for the brand of Jewish humor brought there in the nineteenth century from the shtetls of Eastern Europe and that flourished throughout Soviet times From a broad historical perspective Jarrod Tanny examines the hybrid Judeo Russian culture that emerged in Odessa in the nineteenth century and persisted through the Soviet era and beyond The book shows how the art of eminent Soviet era figures such as Isaac Babel Ilia Ilf Evgenii Petrov and Leonid Utesov grew out of the Odessa Russian Jewish culture into which they were born and which shaped their lives Traces the emergence development and persistence of the myth of Odessa as both Garden of Eden and Gomorrah A joy to read Robert Weinberg Swarthmore College *Jewish Identities in Postcommunist Russia and Ukraine* Zvi Y. Gitelman, 2012-10-15 The most comprehensive surveys ever undertaken of Jews in Russia and Ukraine show that their sense of Jewishness is powerful but detached from religion Their understandings of Jewishness differ from those of Jews elsewhere and create tensions in their interactions with other Jews especially in Israel This book examines in depth post Soviet Jews attitudes toward religion intermarriage emigration anti-Semitism and rebuilding Jewish life *Shostakovich in Dialogue* Judith Kuhn, 2017-07-05 A thorough examination of Shostakovich's string quartets is long overdue Although they can justifiably lay claim to being the most significant and frequently performed twentieth century oeuvre for that ensemble there has been no systematic English language study of the entire cycle Judith Kuhn's book begins such a study undertaken with the belief that despite a growing awareness of the universality of Shostakovich's music much remains to be learned from the historical context and an examination of the music's language Much of the controversy about Shostakovich's music has been related to questions of meaning The conflicting interpretations put forth by scholars during the musicological Shostakovich wars have shown the impossibility of fixing a single meaning in the composer's music Commentators have often heard the quartets as political in nature although there have been contradictory views as to whether Shostakovich was a loyal communist or a dissident The

works are also often described as vivid narratives perhaps a confessional autobiography or a chronicle of the composer's times. The cycle has also been heard to examine major philosophical issues posed by the composer's life and times including war, death, love, the conflict of good and evil, the nature of subjectivity, the power of creativity and the place of the individual and particularly the artist in society. Soviet commentaries on the quartets typically describe the works through the lens of Socialist Realist mythological master narratives. Recent Western commentaries see Shostakovich's quartets as expressions of broader twentieth-century subjectivity filled with ruptures and uncertainty. What musical features enable these diverse interpretations? Kuhn examines each quartet in turn, looking first at its historical and biographical context and goes on to give special attention to the cultural questions being discussed at the time of its writing. Modern Judaism Nicholas Robert Michael De Lange, Miri Freud-Kandel, 2005. This collection of newly commissioned essays covers the major areas of thought in contemporary Jewish studies including considerations of religious differences, sociological, philosophical and gender issues, geographical diversity and interfaith relations. *The Politics of Nonassimilation* David Verbeeten, 2017-05-15. Over the course of the twentieth century, Eastern European Jews in the United States developed a left-wing political tradition. Their political preferences went against a fairly broad correlation between upward mobility and increased conservatism or Republican partisanship. Many scholars have sought to explain this phenomenon by invoking antisemitism, an early working-class experience, or a desire to integrate into a universal social order. In this original study, David Verbeeten instead focuses on the ways in which left-wing ideologies and movements helped to mediate and preserve Jewish identity in the context of modern tendencies toward bourgeois assimilation and ethnic dissolution. Verbeeten pursues this line of inquiry through case studies that highlight the political activities and aspirations of three generations of American Jews. The life of Alexander Bittelman provides a lens to examine the first generation. Born in Ukraine in 1892, Bittelman moved to New York City in 1912 and went on to become a founder of the American Communist Party after World War I. Verbeeten explores the second generation by way of the American Jewish Congress, which came together in 1918 and launched significant campaigns against discrimination within civil society before, during, and especially after World War II. Finally, he considers the third generation in relation to the activist group New Jewish Agenda, which operated from 1980 to 1992 and was known for its advocacy of progressive causes and its criticism of particular Israeli governments and policies. By focusing on individuals and organizations that have not previously been subjects of extensive investigation, Verbeeten contributes original research to the fields of American Jewish intellectual and radical history. His insightful study will appeal to specialists and general readers interested in those areas. Russian Jews on Three Continents Noah Lewin-Epstein, Paul Ritterband, Yaacov Ro'i, 2013-10-31. In the past twenty years, almost three quarters of a million Russian Jews have emigrated to the West. Their presence in Israel, Europe, and North America and their absence from Russia have left an indelible imprint on these societies. The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and

economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration **Reconstructing the Old Country** Eliyana R. Adler, Sheila E. Jelen, 2017-11-20 Scholars and students of American Jewish history and literature in particular will appreciate this internationally focused scholarship on the continuing reverberations of the Second World War and the Holocaust

Cosmopolitanism, Nationalism and the Jews of East Central Europe Michael Miller, Scott Ury, 2016-01-22 Since ancient times Jews have had a long and tangled relationship to cosmopolitanism Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies many Jews have sought a third seemingly neutral option that of becoming citizens of the world cosmopolitans Few regions witnessed such intense debates on these questions as the lands of East Central Europe as they entered the modern era From Berlin to Moscow and from Vilna to Bucharest the Jews of East Central Europe were repeatedly torn between people nation and the world While many Jews and individuals of Jewish descent embraced cosmopolitan ideologies and movements across the span of the nineteenth century such appeals to transcend the nation became increasingly suspect with the rise of integral nationalism In Germany Poland Russia and other lands Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries Although such sentiments reached their peak during the Second World War anti cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti Jewish campaigns in the Soviet Union Czechoslovakia Poland and Romania Even after the end of the Cold War the connection between Jews and cosmopolitanism continues to befuddle ideologues cultural leaders and politicians in Europe North America and Israel The fourteen chapters amassed in this volume address these and other questions including What lies at the roots of the longstanding connection between Jews and cosmopolitanism How has this relationship changed over time What can different cultural economic and political developments teach us about the ongoing attraction and tension between Jews and cosmopolitanism And what can these test cases tell us about the future of Jews and cosmopolitanism in the twenty first century This book was originally published as a special issue of the European Review of History **Organizing Rescue**

Selwyn Ilan Troen, Benjamin Pinkus, 1992 Eighteen interpretive essays and case studies who assess the dynamics and achievements of organized rescue in the modern period **Becoming Soviet Jews** Elissa Bemporad, 2018-11-01 An endlessly rewarding contribution to the study of Jewish life in the Soviet Union Fascinating nuanced and respectful of human limitations Slavic Review Minsk the present capital of Belarus was a heavily Jewish city in the decades between the world wars Recasting our understanding of Soviet Jewish history Becoming Soviet Jews demonstrates that pre revolutionary forms of Jewish life in Minsk maintained continuity through the often violent social changes enforced by the communist project

Using Minsk as a case study of the Sovietization of Jews in the former Pale of Settlement Elissa Bemporad reveals the ways in which many Jews acculturated to Soviet society in the 1920s and 1930s while remaining committed to older patterns of Jewish identity such as Yiddish culture and education attachment to the traditions of the Jewish workers Bund circumcision and kosher slaughter This pioneering study also illuminates the reshaping of gender relations on the Jewish street and explores Jewish everyday life and identity during the years of the Great Terror Highly readable and brimming with novel facts and insights A rich and engaging portrayal of a previously overlooked period and place H Judaic *Paul Merker, the GDR, and the Politics of Memory* Alexander D. Brown, 2024-07-13 This book presents ground breaking research into the Merker affair a series of events that took place in the German Democratic Republic GDR in the early 1950s which saw Paul Merker a member of the ruling party s Politburo become ensnared in the agent hysteria of the period He was ultimately deposed arrested and convicted on charges of espionage However the cultural significance of this affair goes far beyond the history of the early Cold War it has become the definitive symbol of alleged antisemitism in the GDR The narrative complex of an antisemitic GDR has in turn become a prominent topos within the politics of memory in Germany The author combines an empirical study of the pertinent primary sources with a genealogical analysis of discourse on the Merker affair in order to question and historicise many of the entrenched historiographical tropes surrounding it and indeed broader subjects such as antifascism and antisemitism in a German context In doing so the book offers insight into how German state mandated institutions and official bodies have shaped our collective vision of the past

Thank you very much for reading **Soviet Government And The Jews 1948 1967**. As you may know, people have search hundreds times for their favorite books like this Soviet Government And The Jews 1948 1967, but end up in infectious downloads.
