Soviet Man In An Open Society:

The Soviet Man in an Open Society Tamar Horowitz, 1989-09-30 Offers an examination of the absorption of Soviet immigrants in Israel during the years 1967 to 1985 The book attempts to demonstrate how the characteristics of Soviet man manifest themselves in various aspects of immigrant life in Israel Immigration to Israel Eliezer Leshem, Judith T. Shuval, This eighth volume in the Studies of Israeli Society series presents a broad array of topics related to the sociology of immigration to Israel The focus is on immigration and migration during the 1980s and 1990s The chapters were selected from a list of approximately 450 articles on the subject by Israeli sociologists The book covers such issues as migrants in the occupational structure migration and health formal and informal mechanisms of integration ethnic identities and processes of integration and processes of migration and their implications Immigration to Israel opens with two papers written specifically for this volume The first is a theoretical historical chapter by the editors They discuss the role and contribution of Israeli sociologists to the ongoing literature of migration The second by Sergio DellaPergola provides a historical and comparative perspective of the underlying demographic characteristics of migration to Israel in the context of global Jewish migration processes Other chapters and contributors include New Entrepreneurs and Entrepreneurial Aspirations among Immigrants from the Former USSR in Israel by M Lerner and Y Hendeles New Immigrants as a Special Group in the Israeli Armed Forces by V Azarya and B Kimmerling Iranian Ethnicity in Israel by J L Goldstein Ethiopian Immigrants in Israel by S Kaplan and C Rosen The Attitudes of Israeli Youth Toward Inter ethnic and Intra ethnic Marriage by R Shachar and Jewish Immigrants from Israel in the United States by Z Eisenbach Immigration to Israel Sociological Perspectives concludes with a selected bibliography This volume contains a wealth of information and will be important to sociologists historians scholars of Israeli culture and ethnicity specialists **Immigration to Israel** Elazer Leshem, 2017-09-04 This eighth volume in the Studies of Israeli Society series presents a broad array of topics related to the sociology of immigration to Israel The focus is on immigration and migration during the 1980s and 1990s The chapters were selected from a list of approximately 450 articles on the subject by Israeli sociologists The book covers such issues as migrants in the occupational structure migration and health formal and informal mechanisms of integration ethnic identities and processes of integration and processes of migration and their implications Immigration to Israel opens with two papers written specifically for this volume The first is a theoretical historical chapter by the editors They discuss the role and contribution of Israeli sociologists to the ongoing literature of migration The second by Sergio DellaPergola provides a historical and comparative perspective of the underlying demographic characteristics of migration to Israel in the context of global Jewish migration processes Other chapters and contributors include New Entrepreneurs and Entrepreneurial Aspirations among Immigrants from the Former USSR in Israel by M Lerner and Y Hendeles New Immigrants as a Special Group in the Israeli Armed Forces by V Azarya and B Kimmerling Iranian Ethnicity in Israel by J L Goldstein Ethiopian Immigrants in Israel by S Kaplan and C Rosen The

Attitudes of Israeli Youth Toward Inter ethnic and Intra ethnic Marriage by R Shachar and Jewish Immigrants from Israel in the United States by Z Eisenbach Immigration to Israel Sociological Perspectives concludes with a selected bibliography This volume contains a wealth of information and will be important to sociologists historians scholars of Israeli culture and ethnicity specialists Russian Jews on Three Continents Noah Lewin-Epstein,Paul Ritterband,Yaacov Ro'i,2013-10-31 In the past twenty years almost three quarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration The Elections in Israel 2009 Michal Shamir,2017-07-28 The elections to the 18th Knesset legislature of Israel were held on February 10 2009 almost three years after the elections to the 17th Knesset and approximately twenty months before the original date set for them to be held The elections are best understood in the context of the wars that were at each end of Ehud Olmert s government tenure corruption scandals involving the prime minister and the failure of Tzipi Livni the newly elected head of the ruling center party Kadima to form a new coalition following Olmert s resignation The election campaign of 2009 began with the resignation of Ehud Olmert in the shadow of his corruption scandals and issues of integrity and clean government This was followed by the world financial crisis which directed attention towards the economic dimension and performance of the candidates On the face of it the campaign was cut short when military action began in Gaza Still the election was on the minds of candidates and the question of who can best ensure security prevailed in the campaign It becamepersonalized and focused on the candidates the two candidates who had once headed the government and aspired to return Benjamin Netanyahu and Ehud Barak and the chairperson of Kadima Tzipi Livni who was running for the first time as head of a party The Elections in Israel 2009 will be of particular interest to those concerned with comparative politics and elections in an open society This volume is the latest in the series begun in 1969 Race, Ethnicity And Nation Peter Ratcliffe,2005-08-17 This text offers an international and comparative analysis of social division rooted in race ethnicity and national identity It provides an overview of the key issues underlying ethnic conflict which has now risen to the top of the international political agenda This book is intended for academics postgraduates and senior undergraduates within sociology race and ethnicity social anthropology as well as those involved in other areas such as politics geography development studies and international relations with an interest in ethnicity **Israeli Democracy at the Crossroads** Raphael Cohen-Almagor,2013-09-13 In recent years the discussion about Israel was dominated by post Zionist post Israeli opinions Important voices that represent large sectors of Israeli

society were not heard To somewhat change this situation some of the best scholars in their respective fields participate in this ultimate collection of essays about Israeli society its politics and schisms The book aims to tackle timely concerns like Israel s fight against terror its relationships with the Palestinians the mutual relationships between the civic society and the army the status of women in society and separation between state and religion Particular attention is given to probing the state of human rights minority rights and health rights The volume also discusses the tensions between liberalism and socialism between state and religion and between immigration groups most notably resulting from the immigration from the former Soviet Union

The Narrative Study of Lives Ruthellen Josselson, Amia Lieblich, 1993-03-31 This volume is especially appealing in that it celebrates diversity and embraces disagreement The narrative scholar regardless of her his research tradition or field will most certainly benefit from the diversity and depth provided in The Narrative Study of Lives Editors Ruthellen Josselson and Amia Lieblich have admirably fulfilled their criteria of breadth coherence and aesthetic appeal for works included in this volume Moreover they have provided the necessary forum for the study of lives and life histories We can only hope to continue the conversation in future volumes Journal of Contemporary Ethnography Few questions have a longer deeper and livelier intellectual history than how we construct our lives and indeed how we create ourselves in the process But it is a question newly alive today for modern scholarship has brought challenging new perspectives to the study of life writing Literary theorists linguists legal scholars and even political activists are bringing new and powerful insights to bear The Narrative Study of Lives provides a needed forum for the debates now in progress and should attract a loyal and numerous band of readers Jerome Bruner New York University For those psychologists searching for new approaches to the study of lives this volume takes an important step toward the editors promise of filling this gaping hole in psychology The Journal of Nervous and Mental Disease How do we derive concepts from stories and then use these concepts to understand people What would have to be added to transform story material from the journalistic or literary to the academic and theoretically enriching Addressing these and other such issues as the interface between life as lived and the social times this group of distinguished contributors from six different countries and four different disciplines explores this emerging new field Beginning with the philosophical framework that underlies the study of narrative the book covers such questions as What makes people want to preserve the stories of their past What methods can be used to deconstruct a narrative text Can what we learn from people s narratives of their past be used to account for their current psychological functioning What happens if people lose their ability to narrate their story Can people s narrative accounts tell us something about identity and its development Useful to researchers and students of human development and behavior The Narrative Study of Lives provides rich stories and analysis of narrative approaches to life history

Maximilian Voloshin's Poetic Legacy and the Post-Soviet Russian Identity M. Landa, 2015-06-10 Famed and outspoken Russian poet Maximilian Voloshin s notoriety has grown steadily since his slow release from Soviet censorship For the first time Landa showcases his vast poetic

contributions proving his words to be an overlooked solution both to the political and cultural turmoil engulfing the Soviet Union in the early twentieth century *Inclusion through Exclusion* Anja Schmidt-Kleinert, 2018-11-08 How do young people from immigrant families become engaged in politics Anja Schmidt Kleinert examines the case of young Israelis who are actively engaged with the nationalist Yisra el Beitenu party led by the Israeli minister of defence Avigdor Lieberman She explores how the activists present Israeli citizenship in a way that is exclusionary to non Jewish citizens and analyses their strategy to actively construct a sense of belonging to Israeli society or more precisely to the Jewish collective by re producing the ethno nationalist discourse *The Open Society and Its Complexities* Gerald Gaus, 2021-08-06 The Open Society is a society of free individuals cooperating while pursuing diverse ways of living The Open Society and Its Complexities marshals formal models and empirical evidence to show that our open society is grounded on the moral foundations of human cooperation originating in our distant evolutionary past but has built upon these foundation a complex society that requires us to rethink both the nature of moral justification and the meaning of democratic self governance **Jewish Identities: Fifty Intellectuals Answer Ben-Gurion** Eliezer Ben-Rafael, 2002-07-01 Who and what is a Jew Is there any common denominator between an ultra Orthodox rabbi of an Israeli North African community and a Berkeley academic of the Movement for a Secular and Humanistic Judaism Do Jews the world over converge and emphasize their unity or do they share contrasting concepts of collective identity Part I of this book presents a systematic discussion of Jewish identities in this era of post modernity The opportunity is offered by a set of invaluable texts which appear in Part II These texts about Jewish identity were invited in 1958 by Ben Gurion from 50 intellectuals rabbis writers scientists and lawyers from the Diaspora and Israel representative of the principal streams of contemporary Jewish thought Jewish Life After the USSR Zvi Y. Gitelman, Musya Glants, Marshall I. Goldman, 2003 Provides up to date information and insights on the political economic and cultural situation of post Soviet Jewry **Policy Making in Israel** Ira Sharkansky, 2010-11-23 All governments face problems and are judged by their ability to solve them and the policies they develop in doing so Compared with other Western democracies Israel has faced a devastating number of problems of unusual severity in a relatively short time war terrorism heavy immigration unsettled boundaries economic stresses internal disputes about ethnicity and religion and the lingering scars of the Holocaust and other persecutions Sharkansky s analysis of the Israeli government s routines and methods for coping with such an array of difficulties from simple to complex to intractable offers general insights into how governments make policy in a democracy The Open Society in Theory and Practice D. Germino, K. van Beijme, 2012-12-06 From June 28 until July 4 1972 a group of scholars all of them academics committed to the critical study of man and society which may be called political theory met at The Rockefeller Foundation s Villa Serbelloni in Bellagio Italy to present papers on and discuss the subject of The Open Society These papers as revised are published here most of them for the first time They reflect no consensus of view nor were they intended to do so That such a consensus did not

emerge from the conference is not in our judgment a cause for regret it may rather be regarded as a manifestation of a healthy and desirable plurality of approaches which itself indirectly tells us something important about the nature of the open society All the papers deal in different contexts and from a variety of philosophical and theoretical perspectives with the interrelated themes of openness and the open society Some of the panelists are skeptical of the capacity of modern industrial or post industrial society with its heavy emphasis upon technological rationality to foster authentic openness under currently prevailing assumptions about man and nature

Culture, Leadership, and Organizations Robert J. House, Paul J. Hanges, Mansour Javidan, Peter W. Dorfman, Vipin Gupta, 2004-04-29 Culture Leadership and Organizations reports the results of a ten year research program the Global Leadership and Organizational Behavior Effectiveness GLOBE research program GLOBE is a long term program designed to conceptualize operationalize test and validate a cross level integrated theory of the relationship between culture and societal organizational and leadership effectiveness A team of 160 scholars worked together since 1994 to study societal culture organizational culture and attributes of effective leadership in 62 cultures Culture Leadership and Organizations The GLOBE Study of 62 Societies reports the findings of the first two phases of GLOBE The book is primarily based on the results of the survey of over 17 000 middle managers in three industries banking food processing and telecommunications as well as archival measures of country economic prosperity and the physical and psychological well being of the cultures studied GLOBE has several distinguishing features First it is truly a cross cultural research program The constructs were defined conceptualized and operationalized by the multicultural team of researchers Second the industries were selected through a polling of the country investigators and the instruments were designed with the full participation of the researchers representing the different cultures Finally the data in each country were collected by investigators who were either natives of the cultures studied or had extensive knowledge and experience in that culture A unique feature of this book is that while it is an edited book and many experts have written the different chapters unlike other edited books it is a fully integrated seamless and cohesive book covering the many aspects of the theory underpinning the GLOBE

Media Cultures of the Russian 1990s Maya Vinokour, 2025-10-14 Examining Russian language media from the long 1990s the period beginning with Mikhail Gorbachev's policy of glasnost openness and ending with the election of President Vladimir Putin Media Cultures of the Russian 1990s shows how post Soviet civil society emerged simultaneously with the explosion of new media especially a newly liberated television and internet A brief and contested period of media independence ensued as explosive creativity collided with rank commercialism journalistic

integrity with burgeoning political ambitions and fringe with mainstream By the late 1990s however the media landscape had succumbed to economic and political exploitation The causes and nature of this shift which set the stage for Putin s crackdown on independent media after 2000 as well as Russia s slide into aggressive authoritarianism are embedded in the era s media artifacts Written by an interdisciplinary group of experts this edited collection addresses the mutual influence among disparate spheres of public life that enabled the media Wild West of the first post Soviet decade As a joint platform the volume and the associated Multimedia Sourcebook of the Russian 1990s present the decade s media cultures in a manner that reflects their historical interconnectedness and relationship to the global present Edited by Maya Vinokour with contributions from Bradley Gorski Courtney Doucette Fabrizio Fenghi Rita Safariants Daniil Leiderman Thomas Keenan and Pavel Khazanov

Toward an Anthropology of Nation Building and Unbuilding in Israel Fran Markowitz, Stephen Sharot, Moshe Shokeid, 2015-01-01 Toward an Anthropology of Nation Building and Unbuilding in Israel presents twenty two original essays offering a critical survey of the anthropology of Israel inspired by Alex Weingrod emeritus professor and pioneering scholar of Israeli anthropology In the late 1950s Weingrod s groundbreaking ethnographic research of Israel s underpopulated south complicated the dominant social science discourse and government policy of the day by focusing on the ironies inherent in the project of Israeli nation building and on the process of migration prompted by social change Drawing from Weingrod s perspective this collection considers the gaps ruptures and juxtapositions in Israeli society and the cultural categories undergirding and subverting these divisions Organized into four parts the volume examines our understanding of Israel as a place of difference the disruptions and integrations of diaspora the various permutations of Judaism and the role of symbol in the national landscape and in Middle Eastern studies considered from a comparative perspective These essays illuminate the key issues pervading motivating and frustrating Israel s complex ethnoscape

The New Jewish Diaspora Zvi Gitelman, 2016-07-27 In 1900 over five million Jews lived in the Russian empire today there are four times as many Russian speaking Jews residing outside the former Soviet Union than there are in that region The New Jewish Diaspora is the first English language study of the Russian speaking Jewish diaspora This migration has made deep marks on the social cultural and political terrain of many countries in particular the United States Israel and Germany The contributors examine the varied ways these immigrants have adapted to new environments while identifying the common cultural bonds that continue to unite them Assembling an international array of experts on the Soviet and post Soviet Jewish diaspora the book makes room for a wide range of scholarly approaches allowing readers to appreciate the significance of this migration from many different angles Some chapters offer data driven analyses that seek to quantify the impact Russian speaking Jewish populations are making in their adoptive countries and their adaptations there Others take a more ethnographic approach using interviews and observations to determine how these immigrants integrate their old traditions and affiliations into their new identities Further chapters examine how despite the oceans separating them members of this

diaspora form imagined communities within cyberspace and through literature enabling them to keep their shared culture alive Above all the scholars in *The New Jewish Diaspora* place the migration of Russian speaking Jews in its historical and social contexts showing where it fits within the larger historic saga of the Jewish diaspora exploring its dynamic engagement with the contemporary world and pointing to future paths these immigrants and their descendants might follow

When people should go to the books stores, search foundation by shop, shelf by shelf, it is really problematic. This is why we offer the books compilations in this website. It will definitely ease you to see guide **Soviet Man In An Open Society** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections.
