Peace and Security in Northeast Asia Peter Hayes, Young Whan Kihl, 2016-09-16 This work provides an analysis of North Korea s nuclear controversy from a variety of perspectives including nuclear reactor technology and technology transfer economic sanctions and incentives confidence building measures environmental challenges and the views of Korea and the major powers

Peace Regime Building on the Korean Peninsula and Northeast Asian Security Cooperation Seung-Ho Joo, 2016-05-13 A permanent peace regime on the Korean peninsula has yet to be achieved even though the Korean War came to a halt more than half a century ago Without a peace treaty formally ending the Korean War the two Korean states are technically still at war The current situation on the Korean peninsula is extremely tense and precarious and tensions and distrust between the two Koreas and between the U S and North Korea escalated in the wake of North Korea s second underground nuclear weapons testing in 2009 The editors of this volume conceptually present a two track inter Korean and international approach to Korean peninsula peace regime building They argue that an inter Korean and international approach should be pursued simultaneously for the construction of a permanent peace regime on the Korean peninsula The contributing authors are established specialists and experts on Korean foreign relations and Northeast Asian international relations As natives of the

U S Korea China and Japan they provide objective scholarly and diverse perspectives on the Korean peace regime building

1974 Annual Supplement Joan Schmitz Bergholt,2013-12-21 **The Soviet Union In East Asia** Gerald

Segal,2019-07-11 This book is concerned with the predicaments of Soviet power in east Asia It attempts to study Soviet policy not through bilateral relations but by analysing key issues in the Soviet perspective The book also attempts to make sense of Soviet Korean relations **Security in South-East Asia and the South-West Pacific** ,1989 Asian Security

Jasjit Singh,1991 **The Military And Security In The Third World** Sheldon W. Simon,2019-06-26 This book explores two of the most important dimensions of the military as an institution in Third World politics its role in domestic power structures and internal development and its impact on the formation and execution of the security aspects of foreign policy These internal and external orientations are compared here across selected Third World countries in Asia Africa and Latin America The authors are area experts and specialists in comparative and international politics Part 1 focuses on how the interaction of military and civilian elites creates a specific domestic political climate The socioeconomic characteristics of these elites are compared and related to their policy preferences An examination of military establishments in regimes ranging from communist Cuba through business oriented Indonesia reveals whether military similarities persist among differing types of government In Part 2 the contributors examine the role of military force in the Third World through a general empirical treatment of military behavior in developing countries an assessment of the security policies with emphasis on their military components of several Middle Eastern and Asian states and an evaluation of the U S experience in supporting anti communist Third World security efforts *The Soviet Far East Military Buildup* Richard H.

Solomon,Masataka Kosaka,2021-01-26 This book first published in 1986 examines the challenges the United States faced in maintaining a strong nuclear deterrence capability in the Far East without giving rise to political tensions among its allies The Soviet aggression in the region shown in the invasion of Afghanistan and the shooting down of a Korean airliner demonstrated the need for a Western counterbalance but the Asian nations were wary of becoming pawns in a nuclear power play between the superpowers This book evaluates the meaning of Moscow s military buildup in the global context analyses the impact of the buildup from the perspective of China Korea Japan the nations of ASEAN Australia and New Zealand explores the interaction of the buildup with the unresolved conflict on the Korean peninsula and assesses the European experience with the Soviet nuclear threat and examines its implications for Asia It also evaluates the linkages between European and Asian security **Japanese-Russian Relations Under Brezhnev and Andropov** Hiroshi

Kimura,2016-07-08 This study by the leading Japanese specialist in the field offers a comprehensive analysis of the deterioration of Soviet Japanese relations in the 1970s and 1980s a period when the two countries clashed over issues ranging from military security to fishing rights and their competing claims to the southern Kuriles Japan s Northern Territories awarded to Stalin at Yalta *Threats to Peace and International Security: Asia versus West* Juan Cayón Peña,J.

Martín Ramírez,2023-03-27 This book aims to analyze from a multidisciplinary perspective the current geopolitical conflict between East and West between two differentiated and apparently conflicting cosmogonic visions The geopolitical evolution of the current panorama seems to lead to a new world in the field of international relations a new board played on a planetary level Once again bloc geopolitics can be glimpsed in the immediate future in which the most important actors such as Russia China the United States of America and the European Union are called to position themselves with respect to the territorial and strategic ambitions of the opponent International law seems to be overwhelmed by military actions and factual pressure on the ground while the battle of ideas extends to the technological field and cyberspace The different origins of the authors with extensive academic military police forces and business experience undoubtedly enriches the unique perspective that this work intends to address always in the attempt to enforce international law and the channels of dialogue between nations such as the best solution to conflicts **Problems of Communism** ,1973 **Socialist India** ,1973 Jap-rus Relations Under Brez Hiroshi Kimura,2000
