Sowing Seeds From The Gospels:

Sowing Seeds from the Gospels James L. Menapace, 2005-09-01 It is 1982 and Jerry Andrews is a man who never did play it by the book This was the case when he decided to unbuckle the straps of stability to pursue a dream The dream that of teaching college history was achieved but it didn't come without the blues His marriage dissolved his best friend died and then just when he smelled the scent of tenure he was terminated The termination leaves him broken whereupon he retreats into the tunnel of internalized solitude Thus begins the slow journey to redefine his life his place in the world He breaks the solitude to take his personal journey on the road from Illinois to New York Follow him as he works in a restaurant tips his elbow in bars and unwittingly gets deeper into the heart of America tasting tidbits of current events politics art environment landscape and regional cuisine along the way Through it all and commingling within his journey is a quilted story of America with the concept of we the people as the center pole He learns to listen more closely to everyday stories from a passing variety of characters They float by some stopping their voices filtering in and out becoming stimuli that intersects throughout the book For this journey his constant companion is his lost profession of history His historical love didn't end with his termination It takes on other forms as images dreams and visions Yes that's right dreams and visions Jerry Andrews a man who never did play it by the book is someone who sees and touches the world a little differently than most people For example the memory of a mystical Zuni bracelet becomes the setting sun in the western sky and transports him to a place of remembered warmth A place where he dances with migrating sandhill cranes and ponders why is a lonesome coyote showing herself and singing to him a predator This isn't everyday daydreaming it's real It's real because to Jerry Andrews it actually happened His companion history walking isn't textbook neat it's unrestrained and full of the blues It's against forgetting and is transmitted via historical inserts that flow as tributaries through the river of the book The history is varied from coal mining to farming to the Delta Blues from Native American to Hispanic history from Vietnam to Guatemala to Ulysses S Grant to John Dillenger These multifaceted inclusions weave a fabric that is America and transcend the borderlines of time and place His journey to mend his broken spirit is an honest gathering of spiritual knowledge that acknowledges what Black Elk said a true journey never ends *Touchpoints -- Sowing Seeds from the Gospels* Gary Adams, Matt Bulley, 1996-11-01

Vernon McGee,1995-03-15 Radio messages from J Vernon McGee delighted and enthralled listeners for years with simple straightforward language and clear understanding of the Scripture Now enjoy his personable yet scholarly style in a 60 volume set of commentaries that takes you from Genesis to Revelation with new understanding and insight Each volume includes introductory sections detailed outlines and a thorough paragraph by paragraph discussion of the text A great choice for pastors and even better choice for the average Bible reader and student Very affordable in a size that can go anywhere it s available as a complete 60 volume series in Old Testament or New Testament sets or individually *Viral Jesus* Ross Rohde,2012 By returning to what we once had We can recover what we once enjoyed In the early centuries Christianity was an explosive viral movement that spread by word of mouth Persecution could not stop it In fact it often helped to spread it But today the gospel is no longer spreading like wildfire throughout the Western world Slowly Christianity has morphed into something much different a stable institutionalized religion that no longer grips us with the excitement and spirituality of the early years Ross Rohde believes that this excitement and passion can be recaptured In *Viral Jesus* he uses examples from the Bible and today to explore how we can return to our roots and once again enjoy the excitement simple spirituality and explosive growth of early Christianity Gospel Hymns Combined Philip Paul Bliss,Ira David Sankey,James McGranahan,George Coles Stebbins,1879 A course of Sunday school lessons on the Gospel according to st. Matthew John Watson,1891 **Saturate** Jeff Vanderstelt,2015-04-16 What does living for Jesus look like in the everyday stuff of life Many Christians have unwittingly embraced the idea that church is a once a week event rather than a community of Spirit empowered people that ministry is what pastors do on Sundays rather than the 24 7 calling of all believers and that discipleship is a program rather than the normal state of every follower of Jesus Drawing on his experience as a pastor and church planter Jeff Vanderstelt wants us to see that there s more much more to the Christian life than sitting in a pew once a week God has called his people to something bigger a view of the Christian life that encompasses the ordinary the extraordinary and everything in between Packed full of biblical teaching compelling stories and real world advice this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people People just like you **A Commentary on the Gospel of LUKE** David Pawson,2017-11-16 This long awaited major volume shows how this Gospel is for all sorts and conditions of people including the poor women and above all sinners with a
