Sowing, Reaping, Keeping Laurence Singlehurst,1995 **The 40 Day Guide to Sowing, Reaping, Keeping** Liz West,Trevor Withers,Laurence Singlehurst,2009 **The Practical Art of Spiritual Conversation** James Harrison Shultz,David Rogers,2021-03-31 The Practical Art of Spiritual Conversation is about the art of when if and how to engage in a spiritual conversation The whens and the ifs inform the how Christians can be so concerned with how to share the gospel that they often fail to consider where the person is spiritually and when or even if they should share the gospel To be sure the Scriptures are clear that followers of Christ must spread the good news Yet there are times when sharing the gospel would be undeniably inappropriate How then do gospel centered evangelistic Christians discern when to share Christ or when to stay silent What determines when and if someone is even ready to hear the gospel How does one meaningfully engage a person who has already accepted the gospel Refined through tens of thousands of spiritual encounters this book provides a helpful framework for discerning where a person is spiritually and how to encourage each person to take a step toward Christ regardless of where they may presently be in their faith journey You will be equipped in the practical art of spiritual conversation so that you can meaningfully encourage every person to take a step toward Christ The Sabbath Manual. (The Proper Mode of Keeping the Sabbath, Being Sabbath Manual, No. 4.). Justin EDWARDS,1860 *As Pilgrims Progress - Learning how Christians can walk hand in hand when they don't see eye to eye* Stephen John March,David E. Bjork,2015-05-29 This book is for Roman Catholic and Evangelical Protestant lay people who wonder what relationship if any they might have with their friends who come from a different Christian faith tradition than their own The authors aim to address that question in a practical way They believe that while disagreements remain it is possible to preserve the integrity of the faith while relating positively to Christians who cherish other beliefs The opinions expressed in this book grew out of nearly thirty years of experience as evangelical protestant missionaries ministering in catholic parish communities in France The goal of the book is to move the readers beyond simply understanding each other to a place where they might begin using their diversity to stimulate and encourage each other in our common pursuit of obedient discipleship We know of no other book which targets ecumenical lay relations in this way How To Live An Abundant Life Carl Grant,2023-11-28
