*Class, Culture and Suburban Anxieties in the Victorian Era* Lara Baker Whelan,2011-12-20 In this study Whelan demonstrates the way in which representations of the Victorian suburb in mid to late nineteenth century British writing

occasioned a literary sub genre unique to this period that attempted to reassure readers that the suburb was a place where outsiders could be controlled and where middle class values could be enforced In particular Whelan draws attention to the discourse of the suburb as a space of cultural contention in an attempt to illuminate a facet of class history that has often been ignored overgeneralized or misunderstood At the same time she recontextualizes Victorian fiction for modern readers in light of middle class suburban anxieties

Dramatic Experiments Eyal Peretz,2013-09-26 Dramatic Experiments offers a comprehensive study of Denis Diderot one of the key figures of European modernity Diderot was a French Enlightenment philosopher dramatist art critic and editor of the first major modern encyclopedia He is known for having made lasting contributions to a number of fields but his body of work is considered too dispersed and multiform to be unified Eyal Peretz locates the unity of Diderot s thinking in his complication of two concepts in modern philosophy drama and the image Diderot s philosophical theater challenged the work of Plato and Aristotle inaugurating a line of drama theorists that culminated in the twentieth century with Bertolt Brecht and Antonin Artaud His interest in the artistic image turned him into the first great modern theorist of painting and perhaps the most influential art critic of modernity With these innovations Diderot provokes a rethinking of major philosophical problems relating to life the senses history and appearance and reality and more broadly a rethinking of the relation between philosophy and the arts Peretz shows Diderot to be a radical thinker well ahead of his time whose philosophical effort bears comparison to projects such as Gilles Deleuze s transcendental empiricism Martin Heidegger s fundamental ontology Jacques Derrida s deconstruction and Jacques Lacan s psychoanalysis

Instant Recovery with Write-Ahead Logging Goetz Graefe,Wey Guy,Caetano Sauer,2022-11-10 Traditional theory and practice of write ahead logging and of database recovery techniques revolve around three failure classes transaction failures resolved by rollback system failures typically software faults resolved by restart with log analysis redo and undo phases and media failures typically hardware faults resolved by restore operations that combine multiple types of backups and log replay The recent addition of single page failures and single page recovery has opened new opportunities far beyond its original aim of immediate lossless repair of single page wear out in novel or traditional storage hardware In the contexts of system and media failures efficient single page recovery enables on demand incremental redo and undo as part of system restart or media restore operations This can give the illusion of practically instantaneous restart and restore instant restart permits processing new queries and updates seconds after system reboot and instant restorepermits resuming queries and updates on empty replacement media as if those were already fully recovered In addition to these instant recovery techniques the discussion introduces much faster offline restore operations without slowdown in backup operations and with hardly any slowdown in log archiving operations The new

restore techniques also render differential and incremental backups obsolete complete backup commands on the database server practically instantly and even permit taking full backups without imposing any load on the database server Table of Contents Preface Acknowledgments Introduction Related Prior Work Single Page Recovery Applications of Single Page Recovery Instant Restart after a System Failure Single Pass Restore Applications of Single Pass Restore Instant Restore after a Media Failure Multiple Failures Conclusions References Author Biographies *Heritage Comics Dallas Signature Auction Catalog #820* Ivy Press,2006-03 **Dark Matter** Elsa Jade,2016-11-07 While it is a verifiable reality that the universe is vast and strange no one in all those lightyears could ever love an emotionless soul sucking space vampire Unless there are deeper truths out there somewhere The secretive ancient species of the vrykoly were designed to pilot the deathly cold distances of space and Ivan has never known anything else even his dreams have always been black and empty Though he guides the Sinner s Prayer to a neglected little planet to find brides from the Intergalactic Dating Agency Ivan dispassionately considers bonding and mating to be irrational pursuits But when his captain and first officer find incandescent love with the extraordinary females of Earth this vrykoly is forced to wonder if he was dare he say it wrong After the tragic death of her first love Montana river guide Delaney Nazario thought she d be alone forevermore So she quietly signed up with the Big Sky matchmaking outpost in Sunset Falls wishing an alien will whisk her away Instead it was her two roommates who found their mates also staving off an attack by interstellar mercenaries trying to kidnap Earth women Now Del is being guarded by a silent hulking scary vrykoly who might be the only being in the universe she could never ever date But while there are deeper truths in the universe there is also secret menace And Big Sky s only hope is a space vampire who s never felt anything and an Earther girl who feels too much Welcome to the Big Sky Intergalactic Dating Agency DARK MATTER is the second book in the fast fun Big Sky Alien Brides series Putting the sigh and friction in science fiction romance The first trilogy features a cybernetically enhanced alien prince an alien dragon shifter and a space vampire in hot pursuit of the Earther women of their celestial dreams Each book in the Big Sky Alien Brides series follows a different couple to their happy ever after guaranteed And the adventures continue with more trilogies or trilogies 1 Black Hole Brides abducted Earth girls aren t easy Cyborg Cowboys of Carbon County sexy cyborgs Mermaids of Montana mermen also sexy and Beast Battalion alien warrior shifters Join the Intergalactic Dating Agency today and leave this world behind Keywords science fiction romance SFR sci fi romance alien romance alien abduction alien mate fated mates space opera steamy romance action adventure romance fast fun and sexy happily ever after guaranteed **The Comics Journal Library** Gary Groth,Michael Dean,2016-11-09 No comics publisher has had a greater impact or generated more controversy than the immensely influential EC Comics The second and concluding volume of conversations with the creators behind the EC war horror science fiction suspense line brings The Comics Journal s definitive interviews together with several never before published sessions including a new interview with the legendary Jack Davis conducted by Gary Groth It also includes
