Doctor Who Episodes of Ncuti Gatwa Jonathan Ward,2025-06-29 You can never go home again It could be the case that Russell T Davies should have heeded that quote before he agreed to make a surprise return to Doctor Who Some felt that Doctor Who with Russell T Davies back at the helm was so underwhelming it actually made the Chris Chibnall era seem better in retrospect But is this fair Well let s take a deep dive into the Fifteenth Doctor era and examine the highs and lows of RTD 2 Trump Fiction Stephen Hock,2019-11-15 Trump Fiction Essays on Donald Trump in Literature Film and Television examines depictions of Donald Trump and his fictional avatars in literature film and television including works that took up the subject of Trump before his successful presidential campaign in terms that often uncannily prefigure his presidency as well as those that have appeared since he took office Covering a range of texts and approaches the essays in this collection analyze the place Trump has assumed in literary and popular culture By investigating how authors including Bret Easton Ellis Amy Waldman Thomas Pynchon Howard Jacobson Mark Doten Olivia Laing and Salman Rushdie along with films and television programs like The Fresh Prince of Bel Air Sesame Street Sex and the City Two Weeks Notice Our Cartoon President and Pose have approached and shaped the discourse surrounding Trump the contributors collectively demonstrate the ways these cultural artifacts serve as sites through which the culture both resists and abets Trump and his rise to power

Lord of the Second Advent Steve Kemperman,1981 *I Am J* Cris Beam,2011-03 J who feels like a boy mistakenly born as a girl runs away from his best friend who has rejected him and the parents he thinks do not understand him when he finally decides that it is time to be who he really is **I Am a Strange Loop** Douglas R Hofstadter,2007-08-01 One of our greatest philosophers and scientists of the mind asks where does the self come from and how our selves can exist in the minds of others Can thought arise out of matter Can self soul consciousness I arise out of mere matter If it cannot then how can you or I be here I Am a Strange Loop argues that the key to understanding selves and consciousness is the strange loop a

special kind of abstract feedback loop inhabiting our brains The most central and complex symbol in your brain is the one called I The I is the nexus in our brain one of many symbols seeming to have free will and to have gained the paradoxical ability to push particles around rather than the reverse How can a mysterious abstraction be real or is our I merely a convenient fiction Does an I exert genuine power over the particles in our brain or is it helplessly pushed around by the laws of physics These are the mysteries tackled in I Am a Strange Loop Douglas Hofstadter's first book length journey into philosophy since G del Escher Bach Compulsively readable and endlessly thought provoking this is a moving and profound inquiry into the nature of mind

Cinematic Worldbuilding Nicholas LaRue, 2025-07-29 Everybody has a story in them Some people lack the language and the tools to tell that story effectively As an avid tabletop role playing game player I'm amazed at people's ability to tell stories on the spot Both the players and the game masters are creating worlds in their minds and playing out the events using improv in real time Being an author and screenwriter I know how difficult it is to create consistent and well constructed characters themes and conflicts I believe that storytellers looking to level up in the classroom their hobby or career could learn a lot from games like Dungeons Dragons Pathfinder and others This book seeks to give people the tools and language to create and master their worlds and characters using TTRPG mechanics and rulesets as foundational elements This book will contain insights and interviews from some of today's most respected game masters players actual play actors and we'll also hear from some of the people behind the scenes responsible for creating these games and how they view worldbuilding and storytelling for their audiences
