Franco's Disappeared is an obra magistral an opus magnum a masterwork It is an in depth and broad study in which further research on memory imposed forgetting counter memory and the dynamics of cultural memory will be rooted Maureen Tobin Stanley University of Minnesota Duluth USA This book examines a people's history of the Spanish Civil War's anti fascists who lost their 1936 1939 fight against far right military insurgents The book argues that the regime's disappeared have in fact since 1936 been the most visible protagonists safeguarded in the shared collective memory of the war's losers Narratives about Franco's up to 150 000 civilian shooting victims stories told in the form of memoirs political speeches visual art film novels and oral testimonies form the centerpiece of this study How have these narratives told by the war's losers focused explicitly on the figure of the dead body been mobilized in periods of political upheaval from 1936 to the present including WWII the 1950s and 60s of the Cold War the 1970s and 80s Spanish Transition ongoing mass media culture wars that have polarized the Right and the Left since public exhumations of unmarked graves began in the year 2000 Through fieldwork in the province of Cádiz the author has also recorded interviews with family members of citizens who were murdered Through oral narratives an entire community violently punished during the years of the dictatorship succeeded in keeping alive an alternative history of the pre war enterprise to establish the 1931 Spanish democratic Republic and to build a modern nation bound by constitutional law The discursive commonalities identified in the wide ranging testimonies including pioneering researchers publications beginning in the 1970s constitute a fascinating textual topography of popular cultural memory This book argues that this treasure trove of storytelling preserved an initially clandestine counter narrative of anti Francoist resistance as well as dreams of justice for the dead *Sex, Scandal, and Sermon in Fourteenth-Century Spain* L.

Haywood, 2016-04-30 This book is an innovative study of humour and the body in Juan Ruiz's Libro de Buen Amor 1330 using modern analytical techniques to examine the place of the Libro's bawdy and grotesque in relation to secular and sacred culture *Embodying Memory in Contemporary Spain* Alison Ribeiro de Menezes, 2014-04-02 This innovative book examines the emergence of a memory discourse in Spain since the millennium taking as its point of departure recent grave exhumations and the Law of Historical Memory Through an analysis of exhumation photography novels films television and comics the volume overturns the notion that Spanish history is pathological *Charting Memory* Stacy N.

Beckwith, 2019-05-23 Charting Memory Recalling Medieval Spain elaborates an interdiscursive picture of how Medieval Spain has been remembered by various Arab Jewish and Hispanic peoples from well before 1492 to the present The collection breaks with traditional foci on the legacies of separate Iberian communities and their descendants and on limited largely textual sets of their related cultural practices In distinct ways this collection takes a multi ethnic and multi modal approach departing from sociologist Maurice Halbwachs' premise that collective memories form not within individuals alone but through the inner and inter workings of actual and conceptual social milieus The volume hereby foregrounds the constitutive roles of communities created through prayer literary resonances architecture musical performance and name

giving in shaping memories of medieval Spanish contexts as well as complex identities in the Balkans the Near and Middle East North Africa Latin American and the United States The ten original essays in this collection by international specialists in anthropology ethnomusicology literary criticism folklore and onomastics are not arranged according to Arab Jewish and Hispanic cultural memories of medieval Spain Instead the collection s unique comparative emphasis illuminates ways in which various peoples have re articulated memories relating to medieval Spain in and across physical temporal and social locations with different types and degrees of impact

Idylls of Spain Rowland Thirlmere, 1897      **News in Public Memory** Ingrid Volkmer, 2006

News in Public Memory brings together a team of international experts to investigate the media-transmitted history of the twentieth century as it exists in the memories and minds of people living in diverse cultures across the globe. This book compares media-related childhood memories across three generations in nine countries. Results reveal that events of the past century are not only historical facts but have become substantial elements of a new global collective memory that has been integrated into generational identity worldwide. The global approach of this research encourages the idea that the world is an interconnected whole, but it also helps to advance a better understanding of the different perceptions of global and local news as they emerge from various cultural angles and geographical regions.
