

# Spain Firsts

**Henry Thomas Buckle**

## **Spain Firsts:**

*Spain's First Democracy* Stanley G. Payne, 1993 Payne's study places Spain's Second Republic within the historical framework of Spanish liberalism and the rapid modernisation of inter war Europe. He aims to present a consistent and detailed interpretation demonstrating striking parallels to the German Weimar Republic. *Twenty-First Century Arab and African Diasporas in Spain, Portugal and Latin America* Cristián H. Ricci, 2022-12-30 This volume considers the Arabic and African diasporas through the underexplored Afro Hispanic Luso Africans and Mahjari South American and Mexican authors of Arab descent experiences in Spain Portugal and Latin America. Utilizing both established and emerging approaches the authors explore the ways in which individual writers and artists negotiate the geographical cultural and historical parameters of their own diasporic trajectories influenced by their particular locations at home and elsewhere. At the same time this volume sheds light on issues related to Spain Portugal and Latin American racial ethnic and sexual boundaries the appeal of images of the Middle East and Africa in the contemporary marketplace and the role of Spanish Portuguese and Latin American economic crunches in shaping attitudes towards immigration. This collection of thought provoking chapters extends the concepts of diaspora and transnationalism forcing the reader to reassess their present limitations as interpretive tools. In the process Afro Hispanic Afro Portuguese and Mahjaris are rendered visible as national actors and transnational citizens.

**The Routledge Handbook of Spanish History** Andrew Dowling, 2023-10-17 This handbook offers comprehensive coverage of the history of Spain exploring key themes and events in four broad but not necessarily rigid temporal categories: medieval, early modern, nineteenth century and twentieth century. The volume situates Spanish history firmly within the broader patterns unfolding across the European continent, emphasizing Spain's active participation in the processes that determined the development of modern European society. With chapters from leading scholars from both Spanish and international universities, the book helps fill long standing gaps in European history. This handbook provides original contributions on broad themes in Spanish history which are also accessible syntheses of the most recent scholarship. Making the latest research in Spanish history more widely accessible to an international audience, *The Routledge Handbook of Spanish History* is an essential reference point for students and scholars of Spain as well as those working in comparative European history.

**Spain's First Carlist War, 1833-40** M. Lawrence, 2014-10-01 Spain's First Carlist War was an unlikely agent of modernity. It pitted town against country, subalterns against elites and Europe's Liberal powers against Absolute Monarchies. This book traces the individual, collective and international experience of this conflict, giving equal attention to battle fronts and home fronts. *The Routledge Hispanic Studies Companion to Twentieth and Twenty-First Century Spain* Eduardo Ledesma, Luisa Elena Delgado, 2025-03-11 *The Routledge Hispanic Studies Companion to Twentieth and Twenty-First Century Spain* charts the key ideas, practices and imaginings that characterize Spain's cultural, historical, social and political history in the contemporary period. The volume brings together internationally acknowledged scholars

from around the globe and from diverse disciplines from cinema and sociology to sociolinguistics politics and history as well as various other cultural studies approaches It offers an integrated multi disciplinary volume that provides a more complete and nuanced multi perspective assessment of modern and contemporary Spanish culture with a special emphasis on recent decades This interdisciplinary and thematically organized Companion includes essays on literature and art history politics religion economics linguistics and visual culture and covers an extensive period of time with a focus on key events The volume explores cutting edge areas and engages with current debates controversies and questions in the field of Hispanic studies Offering a nuanced multi disciplinary assessment of modern and contemporary Spanish culture through a dichotomic organizing principle The Routledge Hispanic Studies Companion to Twentieth and Twenty First Century Spain is an expansive resource which will be of interest to students and scholars of Hispanic studies and those with a particular interest in Spanish history politics and culture

**The Basque Phase of Spain's First Carlist War** John F. Coverdale,2014-07-14 This work explores the background and first two years of the First Carlist War a conflict that pitted conservative northern peasants against the liberal Madrid government in the largest and most sustained case of armed peasant resistance to modernization in nineteenth century Europe Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Ideologies of History in the Spanish Golden Age** Anthony J. Cascardi,1997-09-15 Spain in the sixteenth and seventeenth centuries was in the throes of modernization arising from trade with the New World and the rise of an urban society During this period Spanish culture came to be dominated by the tension between an old regime of traditional values honor lineage purity of blood and these modernizing influences Anthony J Cascardi examines the literature of the Golden Age as the point at which tensions between the old and the new converged and proposes that this historical drama provided the context for subject formation in early modern Spain He examines how Spanish writers envisioned history and studies how these visions revealed or concealed contradictions between social values of their time particularly between the value systems of caste and class Ideologies of History in the Spanish Golden Age draws on recent theoretical paradigms in contemporary philosophy psychoanalysis political and social theory and literary history to place Spain s major literary figures in challenging new contexts By accounting for both modernizing desires and resistances to modernization Cascardi provides readers interested in theories of ideology and history with a new way of looking at the literature of the Spanish Golden Age

History of Spanish Literature George Ticknor,1849 Los Adaes, the First Capital of Spanish Texas Francis X. Galan,2020-09-25 In 1721 Spain established a fort and mission on the Texas Louisiana border or frontera to stem the tide of people and goods

flowing back and forth between northern New Spain and French Louisiana Named in part after the indigenous Adai people the complex of the presidio Nuestra Señora del Pilar de los Adaes and the mission San Miguel de Cuellar de los Adaes became collectively known as Los Adaes It was the capital of Texas for New Spain In the first book devoted to Los Adaes historian Francis X Galan traces the roots of the current US Mexico border to the colonial history of this all but forgotten Spanish fort and mission He demonstrates that despite efforts to the contrary Spain could neither fully block the penetration of smuggled goods and settlers into Texas from Louisiana nor could it successfully convert the Native Americans to Christianity and the Spanish economic system In the aftermath of the transfer of Louisiana from France to Spain in 1762 Spain chose to shutter the fort and mission The settlers or Adaeseos were forced to march to San Antonio in 1773 Some returned to East Texas soon after to establish Nacogdoches Others remained in San Antonio the new capital of Spanish Texas and settled on lands distributed from the secularized Mission San Antonio de Valero a mission now widely known as the Alamo Los Adaes the First Capital of Spanish Texas makes a major contribution to Texas history by providing a richer perspective on the shifting borders of colonial powers

**History of Spanish Literature** George Ticknor, 2023-03-07 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost

**List of Documents in Spanish Archives Relating to the History of the United States, which Have Been Printed Or of which Transcripts are Preserved in American Libraries** James Alexander Robertson, 1910 The two lists contained in this volume concern the history of the territory included within the boundaries of the present continental United States page v
