Spanish Society After Franco S. Mangen, 2001-08-14 Spanish Society After Franco investigates the origins of collective social welfare from the early nineteenth century to set the context for an analysis of contemporary social policy from the perspective of economic and political trends since the transition of democracy in the mid 1970s The review of policy evolution is complemented by an examination of the critical impact of social change particularly the decline of the power of the church regional devolution the gender dimension and social exclusion *The Forces of Freedom in Spain, 1974-1979* Samuel D. Eaton, 1981 **Militant Democracy** Svetlana Tyulkina, 2015-02-11 The term militant democracy was coined by Karl Loewenstein in the 1930s He argued that attempts to establish democracy in the Weimar Republic failed due to the lack of militancy against subversive movements The concept of militant democracy was introduced to legal scholarship and constitutional practice so as to provide democracy with legal means to defend itself against the range of possible activities of non democratic political actors This book offers a broad comparative look at the legal concept of militant democracy It analyses both theoretical and substantive aspects of this concept investigating its practice in a number of countries and on a diverse array of issues Examining cases in Australia Turkey Spain Germany Israel India the USA and the Council of Europe Svetlana Tyulkina maps the historical development of militant democracy in constitutional theory and explores its interaction with various traditional and contemporary notions of democracy The book analyses the possibilities and pitfalls of the concept of militant democracy when applied to protect democracy when it is under threat of harm or destruction by undemocratic actors and suggests possible solutions and measures to overcome those dangers In its evaluation of the capacity and justification for democracies to apply militant democracy measures this book will be of great use and interest to students and scholars of public comparative constitutional law international law human rights law and comparative politics
