## **Spaniards And Aztecs Face To Face S:**

Faces of Resistance S. Ashley Kistler, 2018-06-26 The Maya have faced innumerable and constant challenges to their cultural identities in the last 500 years from the subjugation of the contact and colonial periods to the brutality of state sponsored violence in Guatemala and the introduction of new global technologies Oral tradition plays a fundamental role among the contemporary Maya as a means to record history and resist oppression Although scholars have examined the processes of resistance and identity in different spheres The Faces of Resistance Maya Heroes Power and Identity is the first to unpack the importance of heroes as a cornerstone of Maya cultural and political resistance This collection of essays by leading scholars explores how Maya communities draw on stories of indigenous heroes as an empowering cultural memory and a way to connect with the legacy of their extraordinary past In particular this volume considers how the Maya following centuries of persecution and marginalization use historical knowledge to generate and fortify their indigenous identities The analysis of Maya heroes presented in this volume reveals that narratives of hero figures help the Maya to re connect with an understanding of their history that has survived centuries of oppression and legitimize the practices beliefs and morality that will define their future *The World Today* H. J. de Blij, Peter O. Muller, Jan Nijman, 2010-10-04 Anyone interested in learning about geographic concepts will appreciate this concise book that highlights the most important concepts The fifth edition presents authoritative content currency and outstanding cartography It continues to build on its strength for understanding maps with the help of additional question types New coauthor Jan Nijman also helps provide a current view of the field With its up to date information and accessible introduction this book is engaging for any reader The Aztecs, the Conquistadors, and the Making of Mexican Culture Peter O. Koch, 2015-01-09 Tracing events from the discovery of the New World through the fall of the Aztec empire in 1521 this book discusses the battles between the Spanish explorers and the Aztecs battles that culminated in the ruin of a civilization The first half of the work alternates between Aztec and Spanish history discussing events and motivations on each side as the two cultures expanded toward one another on their way to inevitable conflict Placing special emphasis on Aztec mythology and religious beliefs the author explains how the Spanish exploited the Aztecs own cultural practices to insure the success of their invasion The gold and glory engines driving the Spanish Crown and the actions of contemporary Spanish explorers such as Juan Ponce de Leon and Francisco Cordoba are examined The concluding chapters give a thorough account of the struggle between Hernan Cortes and the Aztec ruler Montezuma including the role of other indigenous tribes in the eventual downfall of the empire The final chapter details the siege of the Aztec capital Tenochtitlan and summarizes the ultimate destruction of the Aztec civilization **Daily Life of the Aztecs on the Eve of the Spanish Conquest** Jacques Soustelle, 1970 The author describes the advancing civilization of the Aztecs destroyed by Spanish conquest *Spanish America, Its Romance, Reality and Future, Volume 1 (Illustrations)* Charles Reginald Enock, 2015-01-08 The purpose of this work is twofold to afford a broad survey of the Latin American

countries with the colour and interest which so strongly characterizes this half of the New World and to offer in some degree a detailed study of the region as concerns what elsewhere I have ventured to term a science of humanity or science of corporate life whose main factors are topographical occupational or industrial and ethical or ethical economic New responsibilities are arising in our dealings and contact with foreign lands especially those whose social affairs are still backward We must beware how we regard the folk of such lands mainly as hewers of wood and drawers of water or absorbents of exported goods or producers of dividends or their lands as mainly reservoirs of raw material Elemental forces are at work in the world to day which only justice and constructive intelligence can control The English speaking peoples have wide interests and consequent responsibilities in these lands matters which are discussed in the final chapter As will be seen I have embodied many descriptive passages in this book from the various authors of the South American Series to which the present work is in a measure auxiliary

**Mexico and the Spanish Conquest** Ross Hassig, 2014-08-04 What role did indigenous peoples play in the Spanish conquest of Mexico Ross Hassig explores this question in Mexico and the Spanish Conquest by incorporating primary accounts from the Indians of Mexico and revisiting the events of the conquest against the backdrop of the Aztec empire the culture and politics of Mesoamerica and the military dynamics of both sides He analyzes the weapons tactics and strategies employed by both the Indians and the Spaniards and concludes that the conquest was less a Spanish victory than it was a victory of Indians over other Indians which the Spaniards were able to exploit to their own advantage In this second edition of his classic work Hassig incorporates new research in the same concise manner that made the original edition so popular and provides further explanations of the actions and motivations of Cortés Moteuczoma and other key figures He also explores their impact on larger events and examines in greater detail Spanish military tactics and strategies

*De Bellis Renationis version 2.0* Phil Barker, 2019-04 De Bellis Renationis is a set of wargames rules for Renaissance battles covering the period from 1494 AD to 1700 AD DBR version 2.0 offers a combination of realism and excitement for this warfare using miniature figures in any scale from 2mm to 30mm The creation of the experienced wargame designers Phil Barker and Richard Bodley Scott DBR can be used to refight historical engagements or your own scenarios from small scale skirmishes to the largest battles of the period With its command system using player initiative points DBR emphasizes the player's generalship rather than their ability to manipulate a set of rules It allows players to fight actions from the whole period and across the whole world from Japan to Europe and the Americas and from the Italian Wars to the Nine Years War This edition combines the 2002 edition of the rules with all three of the books of Army Lists and includes everything the wargamer needs to refight these battles in one single convenient volume

**War In The Early Modern World, 1450-1815** Jeremy Black, 2020-09-23 This book presents a collection of essays charting the developments in military practice and warfare across the world in the early modern period It also considers the nature and role of technological change and the relationship between military developments and state building

*Colonial Spanish America*

Kenneth R. Mills, Kenneth Mills, William B. Taylor, 1998 This text provides an examination of the cultural development of colonial Latin America using readings documents historical analysis and visual material including photographs drawings and paintings The illustrations are intended to offer avenues to discussion topics **Aztec Goddesses and Christian**

**Madonnas** Joseph Kroger, Patrizia Granziera, 2020-04-28 The face of the divine feminine can be found everywhere in Mexico One of the most striking features of Mexican religious life is the prevalence of images of the Virgin Mother of God This is partly because the divine feminine played such a prominent role in pre Hispanic Mexican religion Goddess images were central to the devotional life of the Aztecs especially peasants and those living in villages outside the central city of Tenochtitlan present day Mexico City In these rural communities fertility and fecundity more than war rituals and sacrificial tribute were the main focus of cultic activity Both Aztec goddesses and the Christian Madonnas who replaced them were associated and sometimes identified with nature and the environment the earth water trees and other sources of creativity and vitality This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror

Six Faces of Mexico Edward Holland Spicer, 1966 **The Boy's Own Annual**, 1894 **Empire of the Aztecs** Barbara A. Somervill, 2010 Empire of the Aztecs opens with a summary of the rise and fall of the empire placing it within the context of its time period and geographical location The second half of this book explores the daily lives of the Aztec people focusing on their social customs religious practices family and community structure and cultural accomplishments **Many**

**Faces, One Church** Peter C. Phan, Diana Hayes, 2004-11-20 Many Faces One Church Cultural Diversity and the American Catholic Experience both captures and facilitates a seismic shift in the who what where when why and how of Catholic theology today Along with a diverse group of theologians who represent the many faces of the church editors Peter C Phan and Diana Hayes recast the story of the church in America by including immigrant groups either forgotten or ignored and in light of these new and not so new voices retooling the theological framework of Catholicism itself That the American Catholic Church is an immigrant church is not news What is news however is how diverse the immigrant church really is and how much work there is to be done to include their voices in theological discourse and training Beyond the German and Irish immigrants what of other European immigrant groups such as the Italians Poles Lithuanians Czechs Slovaks and Eastern rite Catholics Where are the stories of the older presence of native Mexican Native American and African American Catholics in this country And more recently of Asian American Catholics especially the Chinese the Japanese and the Filipinos of the nineteenth and early twentieth century And more recently still Catholic immigrants have come from El Salvador Guatemala Vietnam Cambodia Korea India and the Pacific Islands What impact are these immigrants having on American society and religious groups Many Faces One Church is a profound attempt to address these key questions and their implications for the

Catholic way of being church worshipping and practicing theology The result of three years of conferences sponsored by Elms College exploring the new faces of the American Catholic Church this thoughtful collection highlights opportunities and challenges lying ahead as the American Church tries to respond to the continuing presence of new immigrants in its midst Many Faces One Church is a beginning of a long but exciting journey in which the strangers welcomed today into the bosom of the American Catholic Church will be themselves the hosts to welcome with equal warmth and generosity the new strangers into their midst so that hosts and guests are truly one

Faces around the World Margo DeMello, 2012-02-14 This book provides a comprehensive examination of the human face providing fascinating information from biological cultural and social perspectives Our faces identify who we are not only what we look like and what ethnicities we belong to but they can also identify what religions we practice and what personal ideologies we have This one of a kind A Z reference explores the ways we change beautify and adorn our faces to create our personalities and identities In addition to covering the basics such as the anatomical structure and function of parts of the human face the entries examine how the face is viewed around the world allowing students to easily draw connections and differences between various cultures around the world Readers will learn about a wide variety of topics including identity in different cultures religious beliefs folklore extreme beautification the evil eye scarification facial piercing and facial tattooing masks social views about beauty including cosmetic surgery and makeup how gender class and sexuality play a role in our understanding of the face and skin eye mouth nose and ear diseases and disorders This encyclopedia is ideal for high school and undergraduate students studying anthropology anatomy gender religion and world cultures

Dancing the New World Paul A. Scolieri, 2013-05-01 Winner Oscar G Brockett Book Prize in Dance Research 2014 Honorable Mention Sally Banes Publication Prize American Society for Theatre Research 2014 de la Torre Bueno Special Citation Society of Dance History Scholars 2013 From Christopher Columbus to first anthropologist Friar Bernardino de Sahag n fifteenth and sixteenth century explorers conquistadors clerics scientists and travelers wrote about the Indian dances they encountered throughout the New World This was especially true of Spanish missionaries who intensively studied and documented native dances in an attempt to identify and eradicate the idolatrous behaviors of the Aztec the largest indigenous empire in Mesoamerica at the time of its European discovery Dancing the New World traces the transformation of the Aztec empire into a Spanish colony through written and visual representations of dance in colonial discourse the vast constellation of chronicles histories letters and travel books by Europeans in and about the New World Scolieri analyzes how the chroniclers used the Indian dancing body to represent their own experiences of wonder and terror in the New World as well as to justify lament and or deny their role in its political spiritual and physical conquest He also reveals that Spaniards and Aztecs shared an understanding that dance played an important role in the formation maintenance and representation of imperial power and describes how Spaniards compelled Indians to perform dances that dramatized their own conquest thereby transforming them into colonial subjects Scolieri s

pathfinding analysis of the vast colonial dance archive conclusively demonstrates that dance played a crucial role in one of the defining moments in modern history the European colonization of the Americas      **Aztec Warfare** Sabine

Lorca, AI, 2025-03-29 Aztec Warfare explores how the Aztec Empire a relatively small group dominated Mesoamerica through its sophisticated military system The book examines the Aztecs military organization weaponry tactics and the role of ritual warfare Readers will learn the Aztec army possessed a complex command structure and logistical support enabling sustained military campaigns Also the controversial practice of sacrificial captivity intertwined military action with religious belief The book progresses logically beginning with the historical context before delving into the structure of the Aztec army weaponry and battlefield tactics Finally it explores the religious dimensions of Aztec Warfare By drawing on archaeological evidence indigenous codices and Spanish accounts Aztec Warfare avoids simplistic portrayals of the Aztecs as solely bloodthirsty warriors Instead it analyzes their military system as an integrated part of their society offering valuable insights into pre Columbian military history      Mirrors of a Disaster Gerard Chaliand, 2019-08-08 In Mirrors of a Disaster Gerard Chaliand

narrates the major events that followed the Spanish conquest of Mexico and Peru with the scope and rhythm of an epic poem He seeks to make meaningful the strict chronicle of a conquest through those who lived it Human details and the broader political background bring to life one of history's great tragedies A new introduction by the author is included in this paperback edition The comprehensive work is organized into three parts The Conquest of Mexico The Conquest of Guatemala and Yucatan and The Conquest of Peru In each section the author provides a summary prior to in many cases a day by day account of the events as they unfolded Enriched by significant contemporary documents Mirrors of a Disaster relates the many facets of the conquest presenting the Indians perception of their defeat by the Spaniards the conquerors narratives of the same events and the author's own retelling of a tragedy in which he says the vanquished could not ultimately but be vanquished      **The Conquistadors** Jean Descola, 2023-03-08 The Conquistadors 1954 examines the discovery of the New

World of South America and the spread from the Caribbean islands of adventurers in search of gold Through sword and fire and torture they found gold and in the process destroyed the great civilisations of Mexico and Peru      **Sheba's Daughters**

Jacqueline de Weever, 2013-05-13 Exploring how the depiction of otherness or alterity during the Middle Ages became problematic in the aesthetics of the Romance epics written during the centuries of the Crusades this book offers a vital contribution to the growing interest in the way foreign women are presented in the texts of the Latin West and will be of consuming interest to students in women's studies cultural studies and medieval literature The texts considered are written in the major European languages of the time and range from the Song of Songs through Geoffrey of Vinsauf's Poetria Nova to such epics and romances as Erec et Enide Doon de Maience Fierabras La Prise d'Orange Ars Versificatoria The Sowdone of Babylone and Parzifal
