Parliament. House of Lords,1864 [Parliamentary Papers](#) Great Britain. Parliament. House of Commons,1826 **Papers and Correspondence of William Stanley Jevons** William Stanley Jevons,1973-01-01 **Lives of the Lindsays; or, a Memoir of the Houses of Crawford and Balcares** Alex. Will. Crawford Lindsay,1849 [The Proceedings of the Governor and Assembly of Jamaica](#) Jamaica. Assembly, 1795-1796,1796 [Lives of the Lindsays](#) Alexander Crawford Lindsay Crawford,1849 **Sessional Papers** Great Britain. Parliament. House of Commons,1900 *Papers in Illinois History and Transactions for the Year ...* ,1915 **Life of Propriety** Katherine Mary Jean McKenna,1994 Anne Murray Powell was born to a middle class English family in 1755 She was neither famous nor unusually talented but her story embodies the values of her time place and class Having emigrated to Boston at sixteen in 1775 she married and returned to England during her husband s training as a lawyer They eventually settled in British North America residing chiefly in York Toronto Anne as well as being the mother of nine children was a leading figure in York s social circles a member of a generation that matured

during a period of dramatic social change Katherine McKenna's biography based on an extensive collection of letters and papers shows how the three distinct environments in which she and her family lived England New England and Upper Canada were shaped by important aspects of late eighteenth century and early Victorian society

African Musicians in the Atlantic World Mary Caton Lingold, 2023-11-28 Music that fundamental form of human expression is one of the most powerful cultural continuities fostered by enslaved Africans and their descendants throughout the Americas The roots of so much of the music beloved around the world today are drawn directly from the men and women carried across the Atlantic in chains from the west coast of Africa to the shores of the so called New World This important new book bridges African diaspora studies music studies and transatlantic and colonial American literature to trace the lineage of African and African diasporic musical life in the early modern period Mary Caton Lingold meticulously analyzes surviving sources especially European travelogues to recover the lives of African performers the sounds they created and the meaning their musical creations held in Africa and later for enslaved communities in the Caribbean and throughout the plantation Americas The book provides a rich history of early African sound and a revelatory analysis of the many ways that music shaped enslavement and colonization in the Americas

Sessional Papers Canada. Parliament, 1916 Report of the Dominion fishery commission on the fisheries of the province of Ontario 1893 issued as vol 26 no 7 supplement

The Life of Sir Henry Morgan. With an account of the English settlement of the island of Jamaica Ernest Alex Cruikshank, 2022-08-10 In *The Life of Sir Henry Morgan With an Account of the English Settlement of the Island of Jamaica* Ernest Alex Cruikshank provides a rich historical narrative that intricately weaves the life of the infamous buccaneer Sir Henry Morgan with the broader context of colonial Jamaica Cruikshank employs a meticulous scholarly approach utilizing primary sources and contemporary accounts that immerse the reader in Morgan's tumultuous exploits The book navigates through the complexities of the Caribbean piracy era exploring themes of colonial ambition adventure and the socio political dynamics of 17th century Jamaica marked by its burgeoning English settlement and the volatile interplay between colonizers and indigenous populations Cruikshank a noted historian and biographer had an enduring fascination with maritime history and Caribbean culture which informed his meticulous research His deep commitment to properly contextualizing narratives within colonial histories is evident as he sought to understand not only Morgan as a historical figure but also the implications of his actions on the Caribbean landscape Cruikshank's extensive research and background in historical interpretation lend credence to his vivid portrayal and analysis of this complex era Readers who are captivated by tales of adventure colonial history and the enigmatic lives of historical figures will find Cruikshank's work both enlightening and engaging This biography not only sheds light on Morgan's piratical endeavors but also serves as a crucial text for understanding the broader narratives of empire and identity in the Caribbean A must read for historians and enthusiasts alike

Calendar of State Papers Great Britain. Public Record Office, 1904

The Untold War at Sea Kylie A. Hulbert, 2022-01-15 Efforts upon

the waves played a critical role in European and Anglo American conflicts throughout the eighteenth century Yet the oft told narrative of the American Revolution tends to focus on battles on American soil or the debates and decisions of the Continental Congress The Untold War at Sea is the first book to place American privateers and their experiences during the War for Independence front and center Kylie A Hulbert tells the story of privateers at home and abroad while chronicling their experiences engagements cruises and court cases This study forces a reconsideration of the role privateers played in the conflict and challenges their place in the accepted popular narrative of the Revolution Despite their controversial tactics Hulbert illustrates that privateers merit a place alongside minutemen Continental soldiers and the sailors of the fledgling American navy This book offers a redefinition of who fought in the war and how their contributions were measured The process of revolution and winning independence was global in nature and privateers operated at its core *The Making of International Human Rights* Steven L. B. Jensen, 2016-02-09 This book fundamentally reinterprets the history of international human rights in the post 1945 era by documenting how pivotal the Global South was for their breakthrough In stark contrast to other contemporary human rights historians who have focused almost exclusively on the 1940s and the 1970s heavily privileging Western agency Steven L B Jensen convincingly argues that it was in the 1960s that universal human rights had their breakthrough This is a ground breaking work that places race and religion at the center of these developments and focuses on a core group of states who led the human rights breakthrough namely Jamaica Liberia Ghana and the Philippines They transformed the norms upon which the international community today is built Their efforts in the 1960s post colonial moment laid the foundation in profound and surprising ways for the so called human rights revolution in the 1970s when Western activists and states began to embrace human rights *A Digest of the Parliamentary Papers for the Session 1837-8* John Henry Barrow, 1839
