

Spanish American Fiction

Kessel Schwartz

Spanish American Fiction:

An Introduction to Spanish-American Literature Jean Franco, 1994 A revised updated edition of Jean Franco s Introduction to Spanish American Literature first published in 1969 The Post-boom in Spanish American Fiction A Companion to Modern Spanish American Fiction Donald Leslie Shaw, 2002 With such figures Donald L. Shaw, 1995 as Jorge Luis Borges Miguel ngel Asturias and Gabriel Garc a M rguez both the latter Nobel Prizewinners Spanish American fiction is now unquestionably an integral part of the mainstream of Western literature This book draws on the most recent research in describing the origins and development of narrative in Spanish America during the nineteenth and twentieth centuries tracing the pattern from Romanticism and Realism through Modernismo Naturalism and Regionalism to the Boom and beyond It shows how while seldom moving completely away from satire social criticism and protest Spanish American fiction has evolved through successive phases in which both the conceptions of the writer s task and presumptions about narrative and reality have undergone radical alterations DONALD SHAW holds the Brown Forman Chair of Spanish American literature in the University of Virginia A New History of Spanish American Fiction: Social concern, universalism, and the new novel Kessel Schwartz.1972 Spanish-American Fiction Bulletin of Hispanic Studies Staff, 1989-01-01 A Guide to Studies in Spanish American Literature Nina Lee Weisinger, 1940 A New History of Spanish American Fiction Kessel Schwartz.1971 Contemporary Spanish-American Fiction Jefferson Rea Spell, 1968 **Twentieth-Century** Spanish American Fiction Naomi Lindstrom, 1994-09 In this book Naomi Lindstrom offers English language readers a comprehensive survey of the twentieth century s literary production in Latin America excluding Brazil Structures of **Power** Terry J. Peavler, Peter Standish, 1996-02-15 Explores the many faces of power as revealed in twentieth century The Post-Boom in Spanish American Fiction Donald Leslie Shaw, 1998-01-01 Provides a clear Spanish American fiction account of the issues in Spanish American fiction in the last quarter century by attempting to answer questions on the Boom Post Boom and its relation to Postmodernism Studies in Spanish-American Literature Isaac Goldberg, 1920 Latin American Fiction Phillip Swanson, 2008-04-15 This book introduces readers to the evolution of modern fiction in Spanish speaking Latin America Presents Latin American fiction in its cultural and political contexts Introduces debates about how to read this literature Combines an overview of the evolution of modern Latin American fiction with detailed studies of key texts Discusses authors such as Mario Vargas Llosa Gabriel Garc a M rquez Jorge Luis Borges and Isabel Allende Covers nation building narratives modernismo the New Novel the Boom the Post Boom Magical Realism Hispanic fiction in the USA and A New History of Spanish American Fiction: From colonial times to the Mexican Revolution and beyond more Kessel Schwartz.1972 Spanish-American Literature; a History Enrique Anderson Imbert, 1969 Foreigners in the **Homeland** Mario Santana, 2000 Foreigners in the Homeland analyzes the reception of the Latin American Boom novel in Spain It argues in favor of an expanded concept of national literature that is not restricted to the native production of citizens

but also takes into consideration the importance and nationalization of foreign cultural products Charting the courses of interliterary relations between Spain and Spanish America the book analyzes the conditions of the literary market during the 1960s and 1970s follows the appropriation and canonization of Latin American authors and texts by readers and writers and examines their impact on the resurgence of regional literatures within Spanish territory **Library of Congress Subject Headings** Library of Congress, Cataloging Policy and Support Office, 2009 The Twentieth-Century Spanish American Novel Raymond Leslie Williams, 2005-03-01 Spanish American novels of the Boom period 1962 1967 attracted a world readership to Latin American literature but Latin American writers had already been engaging in the modernist experiments of their North American and European counterparts since the turn of the twentieth century Indeed the desire to be modern is a constant preoccupation in twentieth century Spanish American literature and thus a very useful lens through which to view the century's novels In this pathfinding study Raymond L Williams offers the first complete analytical and critical overview of the Spanish American novel throughout the entire twentieth century Using the desire to be modern as his organizing principle he divides the century s novels into five periods and discusses the differing forms that the modern took in each era For each period Williams begins with a broad overview of many novels literary contexts and some cultural debates followed by new readings of both canonical and significant non canonical novels A special feature of this book is its emphasis on women writers and other previously ignored and or marginalized authors including experimental and gay writers Williams also clarifies the legacy of the Boom the Postboom and the Postmodern as he introduces new writers and new novelistic trends of the 1990s Spanish American Literature Since Independence Jean Franco, 1973 Library of Congress Subject Headings Library of Congress, 2002
