Members of the American Association of Teachers of Spanish American Association of Teachers of Spanish, 1943 The Routledge Handbook of Spanish Translation Studies Roberto Valdeón, África Vidal, 2019-05-28 Written by leading experts in the area, The Routledge Handbook of Spanish Translation Studies brings together original contributions representing a culmination of the extensive research to date within the field of Spanish Translation Studies. The Handbook covers a variety of translation-related issues, both theoretical and practical, providing an overview of the field and establishing directions for future research. It starts by looking at the history of translation in Spain, the Americas during the colonial period, and Latin America, and then moves on to discuss well-established areas of research such as literary translation and audiovisual translation, at which Spanish researchers have excelled. It also provides state-of-the-art information on new topics such as the interface between translation and humour, on the one hand, and the translation of comics, on the other. This Handbook is an indispensable resource for postgraduate students and researchers of translation studies. **Spanish by Association** Michael M. Magone, 2017-12-06 This fully revised and updated third edition reflects the considerable changes in Spain over the last decade as the country celebrates 40 years of its constitution. Key themes of the book include: A thorough overview of contemporary Spanish politics, especially the governments of Zapatero and Rajoy; Spain's political culture and institutional framework; The Spanish economy and the consequences of the economic and sovereign debt crisis; Foreign policy making, the reaction to the global anti-terrorist coalition, and the Madrid bombings; Policy making process and the system of interest intermediation; Party system and electoral process; The dynamics of regional territorial politics and the Basque, Catalan, and Galician nationalisms, particularly the quest for Catalan independence; External relations with the European Union, the Mediterranean, and Latin America; Constitutional reform; Immigration.
