Memoirs of a Spanish Civil War Artist Carles Fontserè,2016-12-27 The political poster explosion of July 1936 has been highly acclaimed by critics and scholars worldwide One of the best known posters of the time Freedom which has acquired near cult status shows a peasant holding a sickle aloft set against the anarchist red and black flag The artist Carles Fontser was just twenty years old when he joined the revolution along with fellow artists and comrades in arms Josep Alum Helios G meiz Antoni Clav and many others who appear

in this account In his outstanding memoirs which are more artistic political and collective than intimate Fontser recounts his upbringing in a petit bourgeois family with Carlist leanings along with his experience in the Barcelona Requet His thirst for reading led him to the writings of Tolstoy which inspired his nascent libertarian ideals culminating in his road to Damascus transformation during the heady events of the Nationalist military uprising in Barcelona Fontser played a key role in the founding of the Professional Drawing Union in 1936 and went on to draw posters for the Iberian Anarchist Federation FAI and the Workers Party of Marxist Unification POUM among other political parties He served with the International Brigades and paradoxically survived several close brushes with death from his own side His story culminates with the Republican retreat from Barcelona and his escape over the Pyrenees together with Catalan president Lluís Companys and his cabinet into exile in France Fontser's *Memoirs of a Spanish Civil War Artist* masterfully combines autobiography and history through the eyes of one of the 20th century's foremost Catalan graphic artists known worldwide for his Republican propaganda posters The book of Carles Fontser's memoirs is not only an excellent translation from Catalan to English but one central to the history of Catalonia
