Spanish Style Postcards:

Spanish Style Postcards ,1992-06-01 **Palm Springs in Vintage Postcards** Judy Artunian, Mike Oldham, 2005 Palm Springs has been a desert vacation oasis for nearly a century and remains the ultimate posh desert spa in pop culture Film stars put Palm Springs on the map as a destination for weekend getaways In the postwar era it became a centerpiece for golfers and a second home for such Hollywood icons as Bob Hope and Bing Crosby Over the years postcards portraying Palm Springs have concentrated on its hotels spas golf courses celebrities and other aspects that have fed the national reputation of the city and its environs as a playground for the rich and famous **Postcards from the Sonora Border** Daniel D. Arreola, 2017-02-21 Postcards from the Sonora Border Visualizing Place through a Popular Lens 1900s 1950s examines the urban landscapes of Mexican border cities through picture postcards This volume aims to capture the evolution of Sonora border towns over time and create a sense of visual time travel for the reader by relying on Arreola s personal collection of postcards Provided by publisher **Hollywood 1900-1950 in Vintage Postcards** Tommy Dangcil, 2002-09-24 With the advent of new inexpensive photographic technology emerging in the United States during the mid 19th century communication by postcard became a very popular way to exchange travel stories news and gossip over the decades Drawing on a private collection of vintage postcards this new book features a history of Hollywood spanning half a century Exploring Hollywood before and after it became the entertainment capital of the world these images offer readers a glimpse of some of the city s most interesting places during its Golden Years Long before motion pictures arrived when the area was a residential neighborhood of beautiful homes and lemon groves Hollywood was just another suburb of Los Angeles striving to become a community From the familiar sights of Metro Goldwyn Mayer Studios and the Chinese Theater to the horse and buggy driven dirt roads and pineapple fields at the turn of the century Hollywood in Vintage Postcards will guide the curious through the city s progress in the first half of the 20th century **Postcards from the Baja California Border** Daniel D. Arreola, 2021-10-05 Postcards have a magical pull They allow us to see the past through charming relics that allow us to travel back in time Daniel D Arreola s Postcards from the Baja California Border offers a window into the historical and geographical past of storied Mexican border communities Once popular tourist destinations from the 1900s through the 1950s the border communities explored in Postcards from the Baja California Border used to be filled with revelers cabarets curio shops and more The postcards in this book show the bright and dynamic past of California s borderlands while diving deep into the historic and geographic significance of the imagery found on the postcards This form of place study calls attention to how we can see a past through a serial view of places by the nature of repetition and the photographing of the same place over and over again Arreola draws our focus to townscapes or built landscapes of four border towns Tijuana Mexicali Tecate and Algodones during the first half of the twentieth century With an emphasis on the tourist s view of these places this book creates a vivid picture of what life was like for tourists and residents of these towns in the early and mid

twentieth century Postcards from the Baja California Border is a rich and fascinating experience one that takes you on a time travel journey through border town histories and geographies while celebrating the visual intrigue of postcards The Postcard Tony Abbott,2008-04-01 She died today One phone call changes Jason s summer vacation and life forever When Jason s grandmother dies he s sent down to her home in Florida to help his father clean out her things At first he gripes about spending his summer miles away from his best friend doing chores and sweating in the Florida heat but he soon discovers a mystery surrounding his grandmother s murky past An old yellowed postcard a creepy phone call with a raspy voice at the other end asking So how smart are you an entourage of freakish funeral goers a bizarre magazine story All contain clues that will send him on a thrilling journey to uncover family secrets Award winning author Tony Abbott weaves an intriguing and entertaining mystery of adventure friendship and family **Greetings from Tucson a Postcard History of the Old Pueblo** Michelle Graye, **Historic Wilson in Vintage Postcards** J. Robert Boykin III,2003-04-02

Wilson North Carolina was formed in 1849 when the villages of Toisnot and Hickory Grove merged together Named for Mexican War hero Gen Louis D Wilson the new town came to be known for agriculture and education The Wilson of today holds fast to its roots offering antique shops laden with treasures from all walks of life and nationally recognized historic districts brimming with remarkable structures significant styles of architecture and numerous locations to taste the famed Eastern North Carolina style of barbecue Historic Wilson in Vintage Postcards is a priceless collection of images that depict among other views the Wilson Depot from the late 1800s local businesses street scenes churches cotton and tobacco and residential areas The volume also affords readers postcards of Nash Street when it was considered one of the most beautiful streets in America tobacco scenes when Wilson was the world s largest tobacco market and the infamous 1911 trial of the Lewis West gang

Postcards from the Chihuahua Border Daniel D. Arreola,2019-11-22 Just a trolley ride from El Paso Ciudad Ju rez was a popular destination in the early 1900s Enticing and exciting tourists descended on this and other Mexican border towns to browse curio shops dine and dance attend bullfights and perhaps escape Prohibition America In *Postcards from the Chihuahua Border* Daniel D Arreola captures the exhilaration of places in time taking us back to Mexico s northern border towns of Ciudad Ju rez Ojinaga and Palomas in the early twentieth century Drawing on more than three decades of archival work Arreola uses postcards and maps to unveil the history of these towns along west Texas s and New Mexico s southern borders Postcards offer a special kind of visual evidence Arreola s collection of imagery and commentary about them shows us singular places enriching our understandings of history and the history of change in Chihuahua No one postcard tells the entire story But image after image offers a collected view and insight into changing perceptions Arreola s geography of place looks both inward and outward We see what tourists see while at the same time gaining insight about what postcard photographers and postcard publishers wanted to be seen and perceived about these border communities *Postcards from the Chihuahua Border* is a colorful and dynamic visual history It invites the reader to time travel to revisit another era the first

half of the last century when these border towns were framed and made popular through picture postcards *Documenting Spain: Artists, Exhibition Culture, and the Modern Nation, 1929-1939* , The news media have given us potent demonstrations of the ambiguity of ostensibly truthful representations of public events Jordana Mendelson uses this ambiguity as a framework for the study of Spanish visual culture from 1929 to 1939 a decade marked on the one hand by dictatorship civil war and Franco's rise to power and on the other by a surge in the production of documentaries of various types from films and photographs to international exhibitions Mendelson begins with an examination of El Pueblo Español a model Spanish village featured at the 1929 International Exposition in Barcelona She then discusses Buñuel's and Dalí's documentary films relating them not only to French Surrealism but also to issues of rural tradition in the formation of regional and national identities Her highly original book concludes with a discussion of the 1937 Spanish Pavilion where Picasso's famed painting of the Fascist bombing of a Basque town Guernica was exhibited along with monumental photomurals by Josep Renau Based upon years of archival research Mendelson's book opens a new perspective on the cultural politics of a turbulent era in modern Spain It explores the little known yet rich intersection between avant garde artists and government institutions It shows as well the surprising extent to which Spanish modernity was fashioned through dialogue between the seemingly opposed fields of urban and rural fine art and mass culture *Stockton in Vintage Postcards* Alice Van Ommeren, 2004 Today's Stockton is a modern California city home to a quarter of a million people But few remember the details of its illustrious past Influenced by strategic waterways and rich soil Stockton attracted a succession of miners farmers shipbuilders and industrial entrepreneurs Throughout the years Stockton has evolved from a rough and tumble harbor town to an agricultural business and transportation center and has done so with a great amount of style and finesse This collection of vintage postcards showcases Stockton's early days from 1900 to 1950 capturing the elegance and industry of a young city on the journey to the modern era This book contains over 200 images of Stockton including the waterfront paddlewheel steamers beautiful hotels graceful estates sprawling farm vistas and the ornate buildings of downtown **New York Magazine** , 1979-05-21 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Postcard America** Jeffrey L. Meikle, 2016-01-20 This illustrated history of the colorized linen postcards of the 1930s and 40s is an incredible tour A veritable treasure trove of American culture Crave Online From the Great Depression through the early postwar years any postcard sent in America was more than likely a linen card Colorized in vivid often exaggerated hues and printed on card stock embossed with a linen like texture linen postcards celebrated the American scene with views of majestic landscapes modern cityscapes roadside attractions and other notable

features These colorful images portrayed the United States as shimmering with promise quite unlike the black and white worlds of documentary photography or Life magazine Linen postcards were enormously popular with close to a billion printed and sold Postcard America offers the first comprehensive study of these cards and their cultural significance Drawing on the production files of Curt Teich Co of Chicago the originator of linen postcards Jeffrey L Meikle reveals how photographic views were transformed into colorized postcard images often by means of manipulation adding and deleting details or collaging bits and pieces from several photos He presents two extensive portfolios of postcards landscapes and cityscapes that comprise a representative iconography of linen postcard views For each image Meikle explains the postcard s subject describes aspects of its production and places it in social and cultural contexts In the concluding chapter he shifts from historical interpretation to a contemporary viewpoint considering nostalgia as a motive for collectors and others who are fascinated today by these striking images

Postcards from the Río Bravo Border Daniel D. Arreola, 2013-08-01 A history in postcards of Mexican tourist towns in the first half of the twentieth century with nearly two hundred illustrations Between 1900 and the late 1950s Mexican border towns came of age both as tourist destinations in some cases by luring Americans who wanted to escape Prohibition and as emerging cities Commercial photographers produced thousands of images of their streets plazas historic architecture and tourist attractions which were reproduced as photo postcards Daniel Arreola has amassed one of the largest collections of these border town postcards and in this book he uses this amazing visual archive to offer a new way of understanding how the border towns grew and transformed themselves in the first half of the twentieth century as well as how they were pictured to attract American tourists Postcards from the Río Bravo Border presents nearly two hundred images of five towns on the lower Río Bravo Matamoros Reynosa Nuevo Laredo Piedras Negras and Villa Acuña Using multiple images of sites within each city Arreola tracks changes both within the cities as places and in the ways in which they've been pictured for tourist consumption He also shows how postcard images when systematically and chronologically arranged can tell us a great deal about how Mexican border towns have been viewed over time This innovative visual approach demonstrates that historical imagery no less than text or maps can be assembled to tell a fascinating geographical story This is masterful cultural geography with rich visual materials delivered in a unique and compelling fashion Journal of Latin American Geography

Print Matters Maria Antonella Pelizzari, Andrés Mario Zervigón, 2025-11-11 This volume presents a nuanced exploration of how illustrated magazines shaped global visual culture between 1910 and 1970 In the early to mid twentieth century the vast majority of printed photographs appeared in the pages of illustrated magazines Publications such as Life China Pictorial Drum Picture Post and Ebony did more than showcase photographs they crafted visual narratives by combining images text and graphics into influential cultural artifacts These periodicals shaped public perception and mass media consensus like the Internet does today bringing a shared visual experience to homes and newsstands around the world The essays in this volume delve into the technologies and visual

strategies behind these publications showing how their layouts were affected by political commercial editorial and artistic factors leading up to World War II The commentaries also explore how democracy dictatorships colonization and modernity at large gave rise to experimental magazine designs turning avant garde art and lifestyle reporting into popular formats Featuring over 150 images Print Matters traces how illustrated magazines evolved across countries and continents offering new insights into their history and enduring impact on culture and society

The Spanish Craze Richard L. Kagan, 2019-03-01 The Spanish Craze is the compelling story of the centuries long U S fascination with the history literature art culture and architecture of Spain Richard L Kagan offers a stunningly revisionist understanding of the origins of hispanidad in America tracing its origins from the early republic to the New Deal As Spanish power and influence waned in the Atlantic World by the eighteenth century her rivals created the Black Legend which promoted an image of Spain as a dead and lost civilization rife with innate cruelty and cultural and religious backwardness The Black Legend and its ambivalences influenced Americans throughout the nineteenth century reaching a high pitch in the Spanish American War of 1898 However the Black Legend retreated soon thereafter and Spanish culture and heritage became attractive to Americans for its perceived authenticity and antimodernism Although the Spanish craze infected regions where the Spanish New World presence was most felt California the American Southwest Texas and Florida there were also early quite serious flare ups of the craze in Chicago New York and New England Kagan revisits early interest in Hispanism among elites such as the Boston book dealer Obadiah Rich a specialist in the early history of the Americas and the writers Washington Irving and Henry Wadsworth Longfellow He also considers later enthusiasts such as Angeleno Charles Lummis and the many writers artists and architects of the modern Spanish Colonial Revival in the United States in the late nineteenth and early twentieth centuries Spain s political and cultural elites understood that the promotion of Spanish culture in the United States and the Western Hemisphere in general would help overcome imperial defeats while uniting Spaniards and those of Spanish descent into a singular raza whose shared characteristics and interests transcended national boundaries With elegant prose and verve The Spanish Craze spans centuries and provides a captivating glimpse into distinct facets of Hispanism in monuments buildings and private homes the visual performing and cinematic arts and the literature travel journals and letters of its enthusiasts in the United States

The Postcard's Radical Openness Mariluz Restrepo, 2024-04-05 The Postcard s Radical Openness offers a groundbreaking exploration of what this multifaceted double sided open card entails and how it has affected our being in the world With a holistic approach it focuses on studying the postcard s specific way of being and performing a particular ontology that opens up what is constitutively implicated in such an apparently trivial artifact The book organized into four parts meticulously unveils the postcard s political technological aesthetic and ethical dimensions ending with a coda correlating the postcard s radical openness to G Klimt s painting Nuda Veritas 1899 in reference to the scope of truth By examining the postcard s complex worldwide history its socio cultural significance and its global effect the

book reveals hidden stories shedding light on its impact on photography printing marketing trade and business practices and exposes the aesthetic communicative and ethical qualities that lie behind the enormous success of postcards at the turn of the 20th century This comprehensive study is positioned as a thought provoking invitation to scholars and students interested in material culture media studies and human interactions as well as to history enthusiasts art lovers and postcard collectors Offering a distinctive contribution the book not only fills a void in the literature but also encourages readers to question and reflect on the transformative power inherent in the postcard s radical openness presenting a novel and unparalleled analysis of this seemingly trivial yet culturally significant object **Saltdean From Old Photographs** Douglas d'Enno,2018-09-15 A fascinating portrait of the Saltdean area of East Sussex near Brighton presented through a remarkable collection of historical photographs **Manuel de Falla and Modernism in Spain, 1898-1936** Carol A. Hess,2001 Although studies of Modernism have focused largely on European nations Spain has been conspicuously neglected As Carol A Hess argues in this compelling book such neglect is wholly undeserved Through composer Manuel de Falla 1876 1946 Hess explores the advent of Modernism in Spain in relation to political and cultural tensions prior to the Spanish Civil War The result is a fresh view of the musical life of Spain that departs from traditional approaches to the subject and reveals an open and constantly evolving aesthetic climate **Open Letters** Alison Rowley,2013-01-01 In Open Letters the most comprehensive study of Russian picture postcards to date Alison Rowley uses this medium to explore a variety of aspects of Russian popular culture

The Enigmatic Realm of **Spanish Style Postcards**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing lacking extraordinary.
