Sparrow Sparrow Mission:

Sparrow Richard B. Beal,2002-05-08 This is a World War II story of three American OSS officers sent on a secret and sensitive mission behind German lines They parachute in the dead of night from a British bomber into an obscure corner of Hungary The are to find and convince certain key figures in the Hungarian government to sever their alliance with Germany and surrender unconditionally to the Allies Their mission is complicated by the bewildering deportment of the Hungarian villagers who find them first the duplicity of a Hungarian general the efficiency and cruelty of the Gestapo and the wiles and whims of some beautiful Hungarian women

Operatives, Spies, and Saboteurs Patrick K. O'Donnell,2004-03-10 The first ever full story of American sabotage operations in World War II based on hundreds of revealing interviews The battles of World War II were won not only by the soldiers on the front lines and not only by the generals and admirals but also by the shadow warriors whose work is captured for the first time in Operatives Spies and Saboteurs Thanks to the interviews and narrative skills of Patrick O Donnell and to recent declassifications an entire chapter of history can now be revealed A hidden war a war of espionage intrigue and sabotage played out across the occupied territories of Europe deep inside enemy lines Supply lines were disrupted crucial intelligence was obtained and relayed back to the Allies resistance movements were organized Sometimes impromptu combat erupted more often the killing was silent and targeted The full story of the Office of Strategic Services OSS precursor to the CIA is a dramatic final chapter on one of history s most important conflicts In a world made unrecognizable by the restrictions placed on the CIA today OSS played fast and loose Legendary chief Wild Bill Donovan created a formidable organization in short order recruiting not only the best and brightest but also the most fearless His agents both men and women relied on guile sex appeal brains and sheer guts to operate behind the lines often in disguise always in secret Patrick O Donnell has made it his life s mission to capture untold stories of World War II before the last of its veterans passes away He has succeeded in extracting stories from the toughest of men the most elite of soldiers and now the most secretive of all the men and women of OSS From former CIA director William Colby who parachuted into Norway to sever rail lines to Virginia Hall who disguised herself as a milkmaid joined the French Resistance and became one of Germany s most wanted figures the stories of OSS are worthy of great fiction Yet the stories in this book are all true carefully verified by O Donnell s painstaking research The agents of OSS did not earn public acclaim There were no highly publicized medal ceremonies But the full story of OSS reveals crucial work in espionage and sabotage work that paved the way for the Allied invasions and disrupted the Axis defenses Operatives Spies and Saboteurs proves that the hidden war was among the most dramatic and important elements of World War II

Intelligence Allen Dulles commanded the OSS mission in Bern Switzerland *From Hitler's Doorstep* provides an annotated selection of his reports to Washington from 1942 to 1945 Dulles was a leading source of Allied intelligence on Nazi Germany and the occupied nations The messages presented in this volume were based on information received through agents and networks operating in France Italy Austria Eastern Europe and Germany itself They deal with subjects ranging from enemy troop strength and military plans to political developments support of resistance movements secret weapons psychological warfare and peace feelers The Dulles reports reveal his own vision of grand strategy and presage the postwar turmoil in Europe One of the largest collections of OSS records ever published these telegrams and radiotelephone transmissions from the National Archives provide an exciting account of the course of the European war offer insight on the development of American intelligence and illuminate the origins of the Cold War They will interest diplomatic and military historians as well as specialists on modern Europe This volume is almost unique as document based intelligence history and serves as a badly needed bridge between diplomatic history and intelligence studies Church Quarterly Review ,1915 The Romance of Missions William Henry Withrow,1879 **All Music Guide** Vladimir Bogdanov,Chris Woodstra,Stephen Thomas Erlewine,2001-11 Arranged in sixteen musical categories provides entries for twenty thousand releases from four thousand artists and includes a history of each musical genre *Myths and Traditions of the Crow Indians* Robert Harry Lowie,1993-01-01 Beginning in 1907 the anthropologist Robert H Lowie visited the Crow Indians at their reservation in Montana He listened to tales that for many generations had been told around campfires in winter Vivid tales of Old Man Coyote in his various guises heroic accounts of Lodge Boy and the Thunderbirds supernatural stories about Raven Face and the Spurned Lover and other tales involving the Bear Woman the Offended Turtle the Skeptical Husband all these were recorded by Lowie They were originally published in 1918 in an Anthropological Paper by the American Museum of Natural History *Myths and Traditions of the Crow Indians* is now reprinted with a new introduction by Peter Nabokov These concretely detailed accounts served the Crow Indians as entertainers moral lessons cultural records and guides to the workings of the universe Victory in Shanghai Robert S. Kim, *Jews for Sale?* Yehuda Bauer,1994-01-01 The world has recently learned of Oskar Schindler's efforts to save the lives of Jewish workers in his factory in Poland by bribing Nazi officials Not as well known however are many other equally dramatic attempts to negotiate with the Nazis for the release of Jews in exchange for money goods or political benefits In this riveting book a leading Holocaust scholar examines these attempts describing the cast of characters the motives of the participants the frustrations and few successes and the moral issues raised by the negotiations Drawing on a wealth of previously unexamined sources Yehuda Bauer deals with the fact that before the war Hitler himself was willing to permit the total emigration of Jews from Germany in order to be rid of them In the end however there were not enough funds for the Jews to buy their way out there was no welcome for them abroad and there was too little time before war began Bauer then concentrates on the negotiations that took place between 1942

and 1945 as Himmler tried to keep open options for a separate peace with the Western powers In fascinating detail Bauer portrays the dramatic intrigues that took place a group of Jewish leaders bribed a Nazi official to stop the deportation of Slovakian Jews a Czech Jew known as Dogwood tried to create an alliance between American leaders and conservative German anti Nazis Adolf Eichmann s famous trucks for blood proposal to exchange one million Jews for trucks to use against the Soviets failed because of Western reluctance and much more Tormenting questions arise throughout Bauer s discussion If the Nazis were actually willing to surrender more Jews should the Allies have acted on the offer Did the efforts to exchange lives for money constitute collaboration with the enemy or heroism In answering these questions Bauer s book engrossing profound and deeply moving adds a new dimension to Holocaust studies NASA Thesaurus ,1982 **The Juvenile Instructor** ,1906 *ISRAEL'S DIVINE MISSION AGAINST IRAN: How Meticulously Israel Plans To Break Iran's Ayatollah's Neck* Aaron Bernstein, Benjamin Netanyahu Israel s longest serving prime minister emerged from the ashes of the October 7 Hamas massacre with a singular unyielding vision to reshape the Middle East s geopolitical landscape by eradicating the Iranian axis of terror and ensuring Israel s unchallenged security dominance The catastrophic intelligence and military failures of that day which saw over 1 200 Israelis slaughtered and hundreds taken hostage became a catalyst for Netanyahu to recalibrate his strategy pivoting from containment to annihilation of threats Central to his post October 7 doctrine is the belief that Israel cannot coexist with a nuclear capable Iran or its proxies Hezbollah Hamas and the Houthis and that the Jewish state must act unilaterally if necessary to dismantle Tehran s ring of fire Netanyahu s plan hinges on a three pronged approach decimating Hamas in Gaza to restore deterrence forging unprecedented regional alliances with Sunni Arab states under the banner of countering Iran and preparing for a potential preemptive strike against Iran s nuclear infrastructure His government has accelerated defense partnerships including integrating a U S led Middle East NATO style air defense network into Israel s defense structure and expanding covert operations targeting Iranian nuclear scientists missile engineers and Revolutionary Guard commanders Netanyahu s historical obsession with Iran from his 2012 UN speech brandishing a cartoon bomb to his vehement opposition to the 2015 JCPOA nuclear deal has crystallized into an existential imperative Post October 7 he frames Iran not merely as a sponsor of terrorism but as the architect of a genocidal coalition leveraging proxies to encircle Israel while advancing toward weapons grade uranium enrichment To fracture this axis Israel has intensified shadow war tactics cyberattacks crippling Iranian fuel stations and nuclear facilities drone strikes on IRGC convoys in Syria and assassinations like the 2023 takedown of Seyed Razi Mousavi a senior IRGC logistical intermediary in Damascus Netanyahu s ultimate objective however transcends tactical victories He seeks to realign the region by normalizing ties with Saudi Arabia a process frozen on October 7 but quietly revived through U S brokered talks conditioned on Riyadh joining an anti Iran coalition and accepting Israeli military supremacy Fordow s mountain shielded centrifuges and Natanz s fortified halls would require a complex aerial campaign likely involving hundreds of sorties mid air refueling and

bunker buster bombs to penetrate granite and concrete Yet Netanyahu emboldened by Israel's growing self reliance in defense tech and Mossad's global reach appears undeterred His rhetoric echoes Menachem Begin's 1981 Osirak strike framing preemption as a moral duty Domestically he leverages the trauma of October 7 to silence opposition portraying critics as naive to Iran's apocalyptic ambitions Internationally he capitalizes on Arab states fatigue with Tehran's destabilization from Houthi Red Sea attacks to Iraqi militia rocket barrages to position Israel as the region's indispensable guardian Netanyahu's endgame is clear a Middle East where Iran's nuclear program lies in ruins its proxies disarmed and Sunni states integrated into an Israeli led security architecture But his legacy and Israel's survival hinge on eliminating the Iranian threat Until then he warns the October 7 horrors will repeat metastasizing into a nuclear nightmare Whether through diplomacy sabotage or war Netanyahu's unfinished revolution seeks to ensure that Iran's empire of terror never darkens the region again
