*Spartanburg City and Spartanburg County, South Carolina* John Wells Simpson, Chamber of Commerce of Spartanburg, South Carolina,1903     History of Spartanburg County John B. O. Landrum,2009-06 This scarce work should be of interest to all researchers with early Tennessee ancestors inasmuch as it covers the controversial period prior to statehood when the settlement in eastern Tennessee was under quasi independent rule One such controversy involved the creation in 1784 by John Sevier and others of a separate self governing territorial unit from lands in western North Carolina known as the State of Franklin The Franklin episode and all of its participants is the subject of this volume     **South Carolina, City and County of Spartanburg** Spartanburg (S.C.),1888     **Spartanburg, City and County, South Carolina** Spartanburg (S.C.). Walker,2013-10-01 A window into the social and cultural life of the South Carolina upcountry during the nineteenth century The history of South Carolina s lowcountry has been well documented by historians but the upcountry the region of the state north and west of Columbia and the geologic fall line has only recently begun to receive extensive scholarly attention The essays in this collection provide a window into the social and cultural life of the upstate during the nineteenth century The contributors explore topics such as the history of education in the region post Civil War occupation by Union troops upcountry tourism Freedman s Bureau s efforts to educate African Americans and the complex dynamics of lynch mobs in the late nineteenth century Recovering the Piedmont Past illustrates larger trends of social transformation occurring in the region at a time that shaped religion education race relations and the economy well into the twentieth century The essays add depth and complexity to our understanding of nineteenth century southern history and challenge accepted narratives about a homogeneous South Ultimately each of the eight essays explores little known

facets of the history of upcountry South Carolina in the nineteenth century The collection includes a foreword by Orville Vernon Burton professor of history and director of the Cyberinstitute at Clemson University     *The Kappa Alpha Journal* Kappa Alpha Order,1916     **Industrial Development and Manufacturers Record** ,1920 Beginning in 1956 each vol includes as a regular number the Blue book of southern progress and the Southern industrial directory formerly issued separately     *American Berkshire Record* American Berkshire Association,1916     **FCC Record** United States.
