Raye of Light Tom Shanahan, 2014 When African American Quarterback Jimmy Raye enrolled at Michigan State University in 1964, he was much more than a student athlete; he was part of a groundbreaking movement that changed college football forever. The Michigan State team, with a progressive head coach, a pioneer black quarterback, and the first fully integrated roster in college football, is the subject of this engrossing new book by award-winning author Tom Shanahan. Michigan State was a world away from Raye's hometown of Fayetteville, NC, both in miles and culture. In his junior season in 1966, Raye was Michigan State's first black starting quarterback and the first black quarterback from the South to win a national title. The story of Raye's journey, as well as those of his Spartan teammates and coach Duffy Daugherty, is told in *Raye of Light*, the first book to fully explain Duffy Daugherty's Underground Railroad and its impact on college football.
