**James Eli Shiffer**

## **Skid Row:**

**The King of Skid Row** James Eli Shiffer, 2016-04-01 The story of a much different Minneapolis through the words and photographs of one of its most colorful characters now in paperback City blue laws drove the liquor trade and its customers hard drinking lumberjacks pensioners farmhands and railroad workers into the oldest quarter of Minneapolis In the fifty cent a night flophouses of the city s Gateway District they slept in cubicles with ceilings of chicken wire In rescue missions preachers and nuns tried to save their souls Sociology researchers posing as vagrants studied them And in their midst John Bacich aka Johnny Rex who owned a bar a liquor store and a cage hotel documented the gritty neighborhood s last days through photographs and film of his clientele The King of Skid Row follows Johnny Rex into this vanished world that once thrived in the heart of Minneapolis Drawing on hours of interviews conducted in the three years before Bacich s death in 2012 James Eli Shiffer brings to life the eccentric characters and strange events of an American skid row Supplemented with archival and newspaper research and his own photographs Bacich s stories recreate the violent alcohol soaked history of a city best known for its clean progressive self image His life captures the seamy richly colorful side of the city swept away by a massive urban renewal project in the early 1960s and gives us in a glimpse of those bygone days one of Minneapolis s most intriguing figures spinning some of its most enduring and enthralling tales

**Encyclopedia of Homelessness** David Levinson, 2004-06-21 Click Additional Materials for downloadable samples This valuable reference provides an excellent overview of a serious world wide problem As such it is an essential purchase for all libraries LIBRARY JOURNAL star review Levinson s remarkable work deserves an award for tackling this complex social problem in such a very thorough and well organized way Highly Recommended CHOICE At any given moment about 3 million American women men and children are homeless And another 5 million Americans spend over 50% of their incomes on housing meaning that one missed paycheck one health crisis or one unpaid utility bill can push them out the door into homelessness Homelessness is one of the major social problems and personal and family tragedies of the contemporary world No community city or nation is immune and the lack of affordable housing and a decline in secure well paying jobs means that the problem will only get worse The Encyclopedia of Homelessness is the first systematic effort to organize and summarize what we know about this complex topic that impacts not only the homeless but all of society The Encyclopedia focuses on the current situation in the United States with a comparative sampling of homelessness around the world Key Themes Causes Lifestyle Issues Health Issues and Services History Legal Issues and Advocacy Government Policies and Programs Organizations Research Approaches Service Systems and Settings Size and Characteristics of the Homeless Population Public Perceptions of Homelessness World Issues and Perspectives Quick and Easy Regional Comparisons Additional descriptive articles cover homelessness today in a sample of American cities and a sample of cities and nations of the world allowing for quick and easy comparisons The Encyclopedia contains entries on Australia Brazil Canada Cuba France Guatemala Japan Nigeria Russia Sweden the United Kingdom

Zimbabwe Tokyo Calcutta London and others around the world The Encyclopedia of Homelessness meets the needs of a broad audience offering a rich history and the data views and perspectives of experts from different disciplines and perspectives including Sociologists Anthropologists Economists Historians Social Policy Analysts and Planners Program Administrators Physicians Social Workers Lawyers who provide advocacy and services Journalists Students of history social studies and the social sciences in high school through graduate school Appendices In addition to the articles the Encyclopedia provides five carefully researched and compiled appendices that make this the key starting point for the study of homelessness Homelessness Autobiographical and Fictional Homelessness in Popular Culture Film Directory of Street Newspapers Documentary History Selection of primary source material Master Bibliography Key Features Two volumes and over 150 entries organized alphabetically Entries written by an international team of leading authorities in the field Reader's Guide groups entries by broad topic areas Appendices offer a wealth of additional information **SKID ROW Los Angeles**

**California** Béatrice Augier, 2020-04-18 Pictures story of the Homeless world in SKID ROW Los Angeles California Pictures taken in the streets of Skid Row by a French woman so surprised to discover that face of a big American Famous City

*Skid Row* William McSheehy, 1979 **New York and Los Angeles** David Halle, Andrew A. Beveridge, 2013-05-07 This interdisciplinary analysis of New York and Los Angeles the nation's two largest cities and urban regions is the first in depth study of the two cities and regions to incorporate new census data and an analysis of the impact of the ongoing financial crisis and economic recession The chapters authored by leading experts from each coast argue that old paradigms such as urban decline or resurgence are inadequate for grasping the new challenges and complexities facing these global cities

**Stations of the Lost** Jacqueline P. Wiseman, 1979-11-15 When first published in 1970 *Stations of the Lost* won the C Wright Mills Award for Best Book in the Area of Social Problems The study considers the Skid Row alcoholic from two points of view that of the alcoholic himself and that of the agents of social control who treat him A major discovery of Wiseman's research was that Skid Row men spend only about one third of the year on Skid Row The rest of the time is spent making the loop going from Skid Row to city jail to county jail to the state mental hospital to the missions and back to Skid Row While these facilities are designed to handle or rehabilitate Skid Row men they are actually used by these men as a means of survival

**Skid Row** Joseph H. Werner Jr., 2011-07-15 The bum who put the touch on JoJo was just like any other bum on Skid Row red faced in clothes that didn't fit and with the shakes a condition that only a drink could still The line was the same with all of them and they always targeted JoJo for his big heart I ain't yet in two days they'd beg to JoJo but he knew if he parted with the quarter that is if he even had one to part with the bum would head straight for the nearest liquor store or beer joint Set in Memphis Tennessee during the Great Depression Skid Row follows the lives of a group of laborers known as tinnies There was Jew Bill Shorty Fingers Grinder Swede and Junior among others some said to be as ugly as homemade sin Also known as down and outers these men never missed a chance to gawk at the high steppers prancing in and out of the

flophouse across the street from the tin shops Yet they treated the lovely shapely Reba the Widow Hanna and the innocent Betty Jo with more respect All the while these were men trying desperately to make it to the next payday fighting within themselves whether to put food on the table for the family or use the last bit of pocket change for a much needed drink Teeming with vivid narrative about a lively yet lonely street from a time and place long forgotten Skid Row is told through the eyes of a young lad growing from teenager to manhood while working in his father s tin shop Joe Werner has filled his first novel with humor and yearning in his own unique bare knuckled voice With no subtlety or pretense Werner makes you root for a group of people struggling to simply exist in this gritty entertaining novel of bygone days Joe Werner was born and raised in Memphis Tennessee and worked until retirement as a tinsmith and contractor When taking a break from writing Joe and his wife Amelia travel the world and play golf These days he s busy working on his next novel For more on Joe please visit his website at [www.joewerner.com](http://www.joewerner.com) **Federal Probation** ,1972 **Responding to the Homeless** Russell K.

Schutt,Gerald R. Garrett,2013-11-21 Responding to the Homeless Policy and Practice is largely a product of a unique collaboration between Russell K Schutt and Gerald R Garrett and their Boston community As such it offers a rich perspective on the problem of homelessness that is derived from the authors shared experience with researchers academics students providers policymakers and homeless persons themselves Schutt and Garrett take the reader into the shelters and acquaint him or her with the philosophical and practical dilemmas facing line workers as well as policymakers They also take the reader into the community to better understand the housing market and the dysfunctional continuities among shelter housing treatment and social supports There are sensitive discussions of the salient health problems that too commonly touch the lives of homeless individuals such as substance abuse and AIDS The volume also includes clear descriptions of the sometimes elusive processes of counseling and case management for homeless individuals The sidebars of what to do and what not to do contain useful information that will both inform and empower individuals who are working on the front lines and inspire and prepare future caregivers While the eminently readable organization and style of the book are suggestive of a highly practical handbook on the basics of homelessness the authors and their contributors have also produced a scholarly volume that is replete with current research findings programs descriptions case studies and vignettes *Down on Their Luck*

David A. Snow,Leon Anderson,1993-02-12 David Snow and Leon Anderson show us the wretched face of homelessness in late twentieth century America in countless cities across the nation Through hundreds of hours of interviews participant observation and random tracking of homeless people through social service agencies in Austin Texas Snow and Anderson reveal who the homeless are how they live and why they have ended up on the streets Debunking current stereotypes of the homeless Down on Their Luck sketches a portrait of men and women who are highly adaptive resourceful and pragmatic Their survival is a tale of human resilience and determination not one of frailty and disability Amend the Public Health Service Act United States. Congress. House. Committee on the District of Columbia. Subcommittee on Fiscal Affairs and

Health, 1985      **Social Problems and Public Policy** Lee Rainwater, 1974 Deviance is by definition a social problem Since deviant behavior violates the normative expectations of a given group deviance must be regarded as a problem for that group since all groups of people want their norms to be enforced Many modern societies place considerable value on personal liberty so much so that interference with personal choices to deviate from group norms can be justified only in terms of the potential damage that particular kinds of behavior might do to the legitimate interests of others Sociological research suggests that the social problem associated with deviance is often the behavior of individuals who violate norms cannot be justified in terms of basic values of liberty social order or justice In other kinds of deviance though the social problem is that people or in a more organized way social institutions interfere with individual liberty and self realization Each selection in this volume has been chosen to cover a full range of substantive problematic issues a range of social science perspectives that can be brought to bear on issues of all kinds and a range of social science methodologies used in studying modern society Deviance and Liberty is divided up into thirty nine contributions and five main parts ranging from Modern Perspectives on Deviance and Social Problems Deviant Exchanges Gambling Drugs and Sex Deviant Personal Control Illness Violence and Crime Deviance Identity and the Life Cycle and Moral Enterprise and Moral Enforcement It is a welcome addition to the libraries of those interested in the study of deviance or society as a whole      **Homelessness in America** Stephen Eide, 2022-06-02 The last thirty years have witnessed an urban renaissance in America Major cities have managed to drive down the murder rate improve the schools restore the built environment and revitalize their economies Middle class families are putting down roots in neighborhoods once given up for dead But solutions to homelessness have eluded even the most successful cities While the South Bronx was once synonymous across the globe for slum now San Francisco and Los Angeles are just as internationally notorious for their homelessness crises Indeed the same cities with the worst homelessness crises rank among America's most successful One of the crisis more perplexing features is how cities that have met with so much success with respect to economic development crime and public education have failed to even ease their homelessness crisis much less end it In Homelessness in America Stephen Eide examines the history governmental and private responses and future prospects of this intractable challenge The chronic nature of the challenge should be understood he argues by reference to American history and American ideals The history of homelessness is bound up with industrialization and urbanization the closing of the West the Great Depression and the post WWII decline and subsequent revival of great American cities Though we've used different terms tramp hobo bum at other times something like homelessness has always been with us and the debate over causes and solutions has always involved conflicts over fundamental values After explaining why homelessness persists in America and correcting popular misconceptions about the issue Eide offers concrete recommendations for how we can do better for the homeless population Homelessness in America engages readers by answering the most common questions their audience brings to the topic and exploring other questions

that are no less important for being not as commonly asked Homelessness intersects with multiple other policy areas education urban development criminal justice reform mental health By exploring the intersection of homelessness with so many other policy areas this book aspires to provide a comprehensive account of the challenge *Down & Out, on the Road* Kenneth L. Kusmer,2002 A definitive history of homelessness in the United States page 4 of cover [Housing the Homeless](#) Jon Erickson,Charles Wilhelm,2017-07-12 Homelessness has become a lasting issue of vital social concern As the number of the homeless has grown the complexity of the issue has become increasingly clear to researchers and private and public service providers The plight of the homeless raises many ethical anthropological political sociological and public health questions The most serious and perplexing of these questions is what steps private charitable and public organizations can take to alleviate and eventually solve the problem The concept of homelessness is difficult to define and measure Generally persons are thought to be homeless if they have no permanent residence and seek security rest and protection from the elements The homeless typically live in areas that are not designed to be shelters e g parks bus terminals under bridges in cars occupy structures without permission e g squatters or are provided emergency shelter by a public or private agency Some definitions of homelessness include persons living on a short term basis in single room occupancy hotels or motels or temporarily residing in social or health service facilities without a permanent address *Housing the Homeless* is a collection of case studies that bring together a variety of perspectives to help develop a clear understanding of the homelessness problem The editors include information on the background and politics of the problem and descriptions of the current homeless population The book concludes with a resource section which highlights governmental policies and programs established to deal with the problem of homelessness *Hearings, Reports and Prints of the Senate Committee on Government Operations* United States. Congress. Senate. Committee on Government Operations,1967 **Hearings** United States. Congress Senate,1966 [American Taboo](#) Lauren Rosewarne,2013-08-13 America s often unspoken morality codes make many topics taboo in the land of the free This book analyzes hundreds of popular culture examples to expose how the media both avoids and alludes to how we derive pleasure from our bodies Flatulence male nudity abortion masturbation these are just a few of the taboo topics in the United States What do culturally enforced silences about certain subjects say about our society and our latent fears This work provides a broad yet detailed overview of popular culture s most avoided topics to explain why they remain off limits and examines how they are presented in contemporary media or in many cases delicately explored using euphemism and innuendo The author offers fascinating in depth analysis of the meaning behind these portrayals of a variety of both mundane and provocative taboos and identifies how new television programs films and advertising campaigns intentionally violate longstanding cultural taboos to gain an edge in the marketplace **The Substance of Sociology** Ephraim Harold Mizruchi,1967 **Weird Washington** Jeff Davis,Al Eufrazio,2008 Each fun and intriguing volume offers more than 250 illustrated pages of places where tourists usually don t venture These unique travel guides are chock full of

information about oddball curiosities ghostly places local legends and peculiar roadside attractions
