Skylab EREP Investigations Summary Lyndon B. Johnson Space Center, 1978 The problems in the areas of agriculture range and forestry land use and cartography geology and hydrology oceans atmosphere and data analysis techniques were investigated and summarized using Earth Resources Experiment Package EREP data *Skylab EREP investigations summary*, 1978 **Skylab EREP Investigations Summary**, 1978 **Skylab EREP Investigations Summary** Estados Unidos National Aeronautics and Space Administration, 1978 **Scientific and Technical Aerospace Reports**, 1979 Lists citations with abstracts for aerospace related reports obtained from world wide sources and announces documents that have recently been entered into the NASA Scientific and Technical Information Database **Spies and Shuttles** James E. David, 2015-01-27 Revealing the connections between NASA and the United States defense community In this real life spy saga James E David reveals the extensive and largely hidden interactions between NASA and U S defense and intelligence departments The story begins with the establishment of NASA in 1958 and follows the agency through its growth not only in scope but also in complexity In *Spies and Shuttles* David digs through newly declassified documents to ultimately reveal how NASA became a strange bedfellow to the Department of Defense DoD and the Central Intelligence Agency CIA He tracks NASA s early cooperation supplying cover stories for covert missions analyzing the Soviet space program providing weather and other scientific data from its satellites and monitoring missile tests that eventually devolved into NASA s reliance on DoD for political and financial support for the Shuttle David also examines the restrictions imposed on such activities as photographing the Earth from space and the intrusive review mechanisms to ensure compliance The ties between NASA and the intelligence community have historically remained unexplored and David s riveting book is the first to investigate the twists and turns of this labyrinthine relationship Monthly Catalogue, United States Public Documents, 1979 The 1992 Shuttle Small Payloads Symposium Lawrence R. Thomas, 1992 The Shuttle Small Payloads Symposium is a continuation of the Get Away Special Symposium and is proposed to continue as an annual conference The focus of this conference is to educate potential Space Shuttle Payload Bay users as to the types of carrier systems provided and for current users to share experiment concepts *1992 Shuttle Small Payloads Symposium* Lawrence R. Thomas, Frances L. Mosier, 1992 Tides David Edgar Cartwright, 2000-08-17 A history of the study of the tides over two millennia from Ancient Greeks to present sophisticated space age techniques **NASA Scientific and Technical Publications**, 1987 **Earth Observing System: From pattern to process, the strategy of the earth observing system**, 1987 **Earth Observing System**, 1987 **Introduction to satellite oceanography** G.A. Maul, 2012-12-06 Satellite oceanography as the term is used in this book is a generic term that means application of the technology of aerospace electromagnetic remote sensing to the study of the oceans The key words here are application of technology to the study of the oceans The goal is to learn more about our planet s hydrosphere As such remote sensing technology is another tool in the oceanographer s sea bag just like a

bathymograph or a plankton net But is a whole book necessary if remote sensing is just another tool While it is true that no one has written a whole book on plankton nets volumes have been written about what is found in those nets Today's state of the art measurements from spacecraft or aircraft first must be interpreted in terms of their physics then the interpretations must be understood in terms of oceanic processes This is not materially different from the analogy to li plankton net marine biologists still argue about what didn't get caught in the net **Altimetric System** ,1987 **Monthly Catalog of United States Government Publications** United States.
