Slaves Of Isis:

Slaves Wives and Brides Judit Neurink, 2018-08-05 Slaves wives and brides paints the situation of women under the role of the Islamic group ISIS This group that at one stage occupied large parts of Iraq and Syria kidnapped thousands of Yazidi women as sex slaves and treated them like animals Western women were recruited to give birth to the next generation of fighters Some of them volunteered to work with a special police force that checked if women were abiding by the strict rules acting no less brutal than the ISIS men All these women play a role in the history that was written in Iraq and Syria In Slaves wives and brides Judit Neurink gives a voice to Yazidi women who escaped from the state that ISIS founded and bear witness to the brutal treatment they received there She tells the story of the American aid worker Kayla Mueller who was the slave and even wife of ISIS leader Abu Bakr al Baghdadi She phones women in the occupied city of Mosul and analyses the rights that ISIS propaganda is giving to women Thus a clear image is drawn of the black reality of life under the occupation of ISIS The book is a complete update after the liberation of Mosul and other areas in Iraq of Neurink s book The Women of the Caliphate Judit Neurink 1957 is a Dutch journalist who lived in the Kurdistan Region of Iraq for ten years She reports for Dutch Belgian and international media Slaves wives and brides is her sixth book Slaves of Isis Madame de Morville, 2004-05-01

ISIS Hostages Chris Townsend, 2017-12-15 In August 2014 ISIS surged onto the global stage with the horrific killing of a journalist who had been held hostage by the group The gruesome video was followed by several others as ISIS sought to capture and maintain the attention of the world media and encourage recruits to join them ISIS s treatment of hostages has led some to take their own lives instead of being captured But not all hostages are equal under the Islamic State This book will explore to role of hostages under ISIS from those who are killed or forced to fight to those who are used for their value as propaganda or their ability to generate income in the form of bribes for the Islamic State Between the millstones , 2015-02-27 Since June 2014 the rapid spread of ISIS Islamic State of Iraq and al Sham forces across northern Iraq has triggered a wave of displacement with more than 2 million people uprooted Ethnic and religious minorities have been particularly targeted including Christians Kaka i Shabak Turkmen and Yezidis with thousands killed and many more injured or abducted Summary executions forced conversion rape sexual enslavement the destruction of places of worship the abduction of children the looting of property and other severe human rights abuses have been committed repeatedly by ISIS This report Between the Millstones The State of Iraq s Minorities Since the Fall of Mosul draws on extensive interviews fieldwork and research to document the plight of Iraq s minorities since June 2014 While minorities have long been vulnerable to attacks by extremists this violence appears to be part of a systematic strategy to remove these communities permanently from areas where they have lived for centuries The current situation for the millions of displaced persons in Iraq many of whom belong to minority groups is characterized by deteriorating humanitarian conditions Many are without adequate food water health care shelter and other necessities with women and children especially vulnerable With little

support or protection many Iraqis from minorities are now contemplating a life permanently outside the country To ensure their continued presence in Iraq authorities and other stakeholders must not only ensure their immediate protection but also promote a more inclusive future for minorities in Iraq

slavery in which people were considered as objects to be bought sold and destroyed dates back to the dawn of civilisation This work documents the legal basis for slavery and its many abuses across the ages by some of the main enslavers The voices of the victims and those who observed their plight are given prominence as personal histories in each chapter Slavery in the modern era includes enslavement by the Nazi regime and most recently of the Yazidis in Iraq and Syria by Islamic State Slave like practices often termed modern slavery are also included in a chapter of this volume The book ends with consideration of whether reparations for historic slavery should be made Possessed by the Right Hand Bernard K. Freamon,2019-05-20 In Possessed by the Right Hand the first comprehensive legal history of slavery in Islam ever offered to readers Bernard K Freamon an African American Muslim law professor provides a penetrating analysis of the problems of slavery and slave trading in Islamic history After examining the issues from pre Islamic times through to the nineteenth century Professor Freamon considers the impact of Western abolitionism arguing that such efforts have been a failure with the notion of abolition becoming nothing more than a cruel illusion He closes this ground breaking account with an examination of the slaving ideologies and actions of ISIS and Boko Haram asserting that Muslims now have an important and urgent responsibility to achieve true abolition under the aegis of Islamic law See Bernard Freamon live at Rutgers Law School October 8 2019 Listen to Possessed by the Right Hand An Interview with Prof Bernard Freamon from Network ReOrient on Anchor

The ISIS Apocalypse William McCants,2024-03-26 Based almost entirely on primary sources in Arabic including ancient religious texts and secret al Qaeda and Islamic State letters that few have seen William McCants s The ISIS Apocalypse explores how religious fervor strategic calculation and doomsday prophecy shaped the Islamic State s past and foreshadow its dark future The Islamic State is one of the most lethal and successful jihadist groups in modern history surpassing even al Qaeda Thousands of its followers have marched across Syria and Iraq subjugating millions enslaving women beheading captives and daring anyone to stop them Thousands more have spread terror beyond the Middle East under the Islamic State s black flag How did the Islamic State attract so many followers and conquer so much land By being more ruthless more apocalyptic and more devoted to state building than its competitors The shrewd leaders of the Islamic State combined two of the most powerful yet contradictory ideas in Islam the return of the Islamic Empire and the end of the world into a mission and a message that shapes its strategy and inspires its army of zealous fighters They have defied conventional thinking about how to wage wars and win recruits Even if the Islamic State is defeated jihadist terrorism will never be the same
