Killing and Dying Adrian Tomine, 2021-05-04 Killing and Dying is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss creative ambition identity and family dynamics With this work Adrian Tomine Shortcomings Scenes from an Impending Marriage reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature His gift for capturing emotion and intellect resonates here the weight of love and its absence the pride and disappointment of family the anxiety and hopefulness of being alive in the twenty first century Amber Sweet shows the disastrous impact of mistaken identity in a hyper connected world A Brief History of the Art Form Known as Hortisculpture details the invention and destruction of a vital new art form in short comic strips Translated from the Japanese is a lush full color display of storytelling through still images the title story Killing and Dying centers on parenthood mortality and stand up comedy In six interconnected darkly funny stories Tomine forms a quietly moving portrait of contemporary life Tomine is a master of the small gesture equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color Killing and Dying is a fraught realist masterpiece

Sleepwalking in Daylight Elizabeth Flock, 2009-03-01 Once defined by her career and independence stay at home mom Samantha Friedman finds that her days have been reduced to

errands car pools and suburban gossip What was an easy decision for Sam years ago has become a nagging awareness that this life was her choice Now she deals with a husband who shows up for dinner but is too preoccupied for conversation and a daughter swathed in black clothing and Goth makeup who won t talk at all Believing she s an adopted mistake seventeen year old Cammy has fallen into sex and drugs and pours herself into a journal filled with poetry and pain On parallel paths mother and daughter indulge in desperate furtive escapism for Sam a heady affair with her supposed soul mate fueled by clandestine coffee dates and the desire to feel something for Cammy a secretive search for her birth mother punctuated by pills pot and the need to feel absolutely nothing

The Cambridge Companion to the American Graphic Novel Jan Baetens,Hugo Frey,Fabrice Leroy,2023-09-28 The Cambridge Companion to the American Graphic Novel explores the important role of the graphic novel in reflecting American society and in the shaping of the American imagination Using key examples this volume reviews the historical development of various subgenres within the graphic novel tradition and examines how graphic novelists have created multiple and different accounts of the American experience including that of African American Asian American Jewish Latinx and LGBTQ communities Reading the American graphic novel opens a debate on how major works have changed the idea of America from that once found in the quintessential action or superhero comics to show new different intimate accounts of historical change as well as social and individual personal experience It guides readers through the theoretical text image scholarship to explain the meaning of the complex borderlines between graphic novels comics newspaper strips caricature literature and art

Drawing New Color Lines Monica Chiu,2014-11-01 The global circulation of comics manga and other such visual mediums between North America and Asia produces transnational meanings no longer rooted in a separation between Asian and American Drawing New Color Lines explores the culture production and history of contemporary graphic narratives that depict Asian Americans and Asians It examines how Japanese manga and Asian popular culture have influenced Asian American comics how these comics and Asian American graphic narratives depict the look of race and how these various representations are interpreted in nations not of their production By focusing on what graphic narratives mean for audiences in North America and those in Asia the collection discusses how Western theories about the ways in which graphic narratives might successfully overturn derogatory caricatures are themselves based on contested assumptions and illustrates that the so called odorless images featured in Japanese manga might nevertheless elicit interpretations about race in transnational contexts With contributions from experts based in North America and Asia Drawing New Color Lines will be of interest to scholars in a variety of disciplines including Asian American studies cultural and literary studies comics and visual studies Drawing New Color Lines makes an exciting contribution to the rapidly expanding inquiry at the crossroads of Asian American literary studies graphic narrative studies and transnational studies Foregrounding the shifting meanings of race within across and between various national contexts the fifteen essays in Chiu s collection explore the visual dimensions of Asian American transnational literary culture

with originality and offer particular insight into the complexities of production interpretation and reception for graphic narrative Pamela Thoma author of *Asian American Women's Popular Literature Feminizing Genres and Neoliberal Belonging* An informative smart and necessary collection *Drawing New Color Lines* investigates a growing and important field transnational Asian American comics with sophistication and breadth Hillary Chute author of *Graphic Women Life Narrative and Contemporary Comics* and *Outside the Box Interviews with Contemporary Cartoonists*

What Happens When Nothing Happens Greice Schneider, 2016-06-30 Boredom and melancholy in the experience of reading Contemporary graphic novels show an interesting shift from the extraordinary to the ordinary in slice of life stories in which nothing happens Present day graphic accounts are inhabited by melancholic characters whining about the lack of meaning in life This book examines this intriguing transition and brings a historical aesthetical and narratological approach to comics in which boredom is not only a topic but also awakens a deliberate affective response in the very experience of reading This volume brings together close readings of work by Lewis Trondheim Chris Ware and Adrian Tomine With a foreword by Raphael Baroni University of Lausanne

The Philosophical Contexts of Sartre's The Wall and Other Stories Kevin W. Sweeney, 2016-05-16 The Philosophical Contexts of Sartre's *The Wall and Other Stories* *Stories of Bad Faith* presents a philosophical analysis of all five stories in Sartre's short story collection Kevin W. Sweeney argues that each of the five stories has its own philosophical idea or problem that serves as the context for the narrative Sartre constructs each story as a reply to the philosophical issue in the context and as support for his position on that issue In the opening story *The Wall* Sartre uses the Constant Kant debate to support his view that the story's protagonist is responsible for his ally's death *The Room* presents in narrative form Sartre's criticism that the Freudian Censor is acting in bad faith In *Erostratus* Sartre opposes Descartes's claim in his hats and coats example that we recognize the humanity of others by using our reason In *Intimacy* Sartre again opposes a Cartesian position this time the view that our feelings reveal our emotions Sartre counters that Cartesian view by showing that the two women in the story act in bad faith because they do not distinguish their feelings from their emotions The last story *The Childhood of a Leader* shows how the protagonist acts in bad faith in trying to resolve the question of who he is by appealing to the view that one's roots in nature can provide one with a substantial identity The stories are unified by showing the characters in all five narratives engaged in different acts of bad faith The *Philosophical Contexts of Sartre's The Wall and Other Stories* is written for scholars interested in Jean Paul Sartre's early literary and philosophical work as well as for students interested in Sartre and twentieth century French literature

The Graphic Novel Jan Baetens, Hugo Frey, 2015 This book provides both students and scholars with a critical and historical introduction to the graphic novel Jan Baetens and Hugo Frey explore this exciting form of visual and literary communication showing readers how to situate and analyse graphic novels since their rise to prominence half a century ago Several key questions are addressed what is the graphic novel How do we read graphic novels as narrative forms Why is page design and publishing

format so significant What theories are developing to explain the genre How is this form blurring the categories of high and popular literature Why are graphic novelists nostalgic for the old comics The authors address these and many other questions raised by the genre Through their analysis of the works of many well known graphic novelists including Bechdel Clowes Spiegelman and Ware Baetens and Frey offer significant insights for future teaching and research on the graphic novel
