Elizabeth Jane Howard Artemis Cooper,2016-09-22 Elizabeth Jane Howard 1923 2014 wrote brilliant novels about what love can do to people but in her own life the lasting relationship she sought so ardently always eluded her She grew up yearning to be an actress but when that ambition was thwarted by marriage and the war she turned to fiction Her first novel The Beautiful Visit won the John Llewellyn Rhys prize she went on to write fourteen more of which the best loved were the five volumes of The Cazalet Chronicle Following her divorce from her first husband the celebrated naturalist Peter Scott Jane embarked on a string of high profile affairs with Cecil Day Lewis Arthur Koestler and Laurie Lee which turned her into a literary femme fatale Yet the image of a sophisticated woman hid a romantic innocence which clouded her emotional judgement She was nearing the end of a disastrous second marriage when she met Kingsley Amis and for a few years they were a brilliant and glamorous couple until that marriage too disintegrated She settled in Suffolk where she wrote and entertained friends but her turbulent love life was not over yet In her early seventies Jane fell for a conman His unmasking was the final disillusion and inspired one of her most powerful novels Falling Artemis Cooper interviewed Jane several times in Suffolk She also talked extensively to her family friends and contemporaries and had access to all her papers Her biography explores a woman trying to make sense of her life through her writing as well as illuminating the literary world in which she lived

Birds in the Second World War Nicholas Milton,2022-04-06 A love of birds has always been an important part of the British way of life but in wartime birds came into their own helping to define our national identity One the most popular bird books ever Watching Birds was published in 1940 while songs like There ll be Bluebirds over the White Cliffs of Dover epitomized the blitz spirit Birds even featured in wartime propaganda movies like the 1941 classic The First of the Few starring Leslie Howard where they inspired the design of the Spitfire Along the coast flooding to prevent a German invasion helped the avocet make a remarkable return while the black redstart found an unlikely home in our bombed out buildings As interesting as the birds were some of the people who watched them Matthew Rankin and Eric Duffey counted seabirds while looking for U boats Tom Harrisson the mastermind behind Mass Observation watched people as if they were birds while POW Guy Madoc wrote a truly unique book on Malayan birds typed on paper stolen from the Japanese commandant s office For Field Marshall Alan Brooke Britain s top soldier filming birds was his way of coping with the

continual demands of Winston Churchill In comparison Peter Scott was a wildfowler who was roused by Adolf Hitler before the war but after serving with distinction in the Royal Navy became one of the greatest naturalists of his generation With a foreword by Chris Packham CBE *Birds in the Second World War* is the story of how ornithology helped to win the war

The Odd Couple Richard Bradford,2012-10-30 Kingsley Amis was a mimic jester father husband atheist pseudo socialist and clubland Tory boozier with a limitless taste for adultery Philip Larkin a glum misanthrope who lived in self imposed solitude And yet after meeting at St John s Oxford in 1941 this unlikely pair struck up a friendship to endure for more than forty years despite a period of acrimony in the 1960s From their early days of undergraduate ambitions and enthusiasms through to the bitterness of middle age Richard Bradford charts the progress of a remarkable friendship and shows how crucial it was to the making of these two literary giants Without Larkin s inspiration and input Amis would never have written his award winning debut *Lucky Jim* if not for Amis s overnight success Larkin would never have abandoned his hopes of becoming a novelist and turned instead to verse Larkin s ensuing resentment would simmer beneath the surface of their relationship for years to come Drawing on an enormous archive of letters manuscripts and interviews *The Odd Couple* not only offers a rare glimpse into the private correspondence of two controversial and eccentric men it also illuminates some of the finest novels and poems of the twentieth century **Slipstream** ,1999 [A Pedagogist's Memoir](#) Grant

Rodwell,2025-10-07 Opportunities to write our memoirs are many and varied To meet emerging demands the memoir genre continually is evolving and it is possible for the memoirist to shape the memoirs with varying themes time and settings to be brought to bear on school education at a senior level and for a range of teacher development programs Thus the developing importance of an accompanying exegesis For better or for worse childhoods shape adult relationships and attachment styles profoundly shaping who we are as teachers teaching styles and generally the things we consider important and not so important The shape of our childhood and adolescence has a profound impact on how relationships are formed in adulthood It can affect our ability to trust be vulnerable and create productive bonds both at school and college and professionally and also our general levels of motivation Through the aforementioned theme and subthemes my memoirs here reveal how childhood struggle has shaped my approach to teaching and my academic career from an unskilled labourer from the country working class in the timber industry deprived of a high school education and recruited into the workforce at 15 years of age to a senior academic in one of Australia s G8 universities holding five PhDs With strong historical backgrounding a special appeal of this book is its drive to place childhood and adolescent events contained in the memoirs in a wider historical context looking to transnational movements such as discussions on anachronisms and eugenics In so doing the exegesis a fresh and exciting innovation is in harmony with the memoirs The memoir is so refashioned as a pedagogical tool [Arthur Koestler](#) Edward Saunders,2017-03-15 Born in Budapest in 1905 Arthur Koestler was a pivotal European writer and intellectual who inspired provoked and intrigued in equal measure Koestler wrote enduring works of reportage and memoir

but he is most famous for his political novel *Darkness at Noon* which received widespread international acclaim In Arthur Koestler Edward Saunders offers a fresh and clear eyed account of the life and work of an enigmatic challenging writer who continues to polarize opinion today Saunders sketches Koestler as a leading documentarian of some of the key moments in twentieth century European history showing the remarkable ways that he was able to stage himself as a witness to them Saunders explores Koestler s struggle with his Jewish identity outlines his ideas on the theory of science and the ways he tried to imagine the future of science and humankind and directly engages with the controversial claims of sexual violence that have emerged in the years following Koestler s suicide Differentiating the life Koestler led from the story he wanted to tell about it and various ways the public has influenced his reputation after his death this book offers a balanced portrait of a vibrant figure in twentieth century arts and letters *Victimhood and Vulnerability in 21st Century Fiction* Jean-Michel Ganteau,Susana Onega,2017-04-21 Editors Jean Michel Ganteau and Susana Onega have assembled a volume which addresses the relationship between trauma and ethics and moves one step further to engage with vulnerability studies in their relation to literature and literary form It consists of an introduction and of twelve articles written by specialists from various European countries and includes an interview with US novelist Jayne Anne Philips conducted by her translator into French Marc Amfreville addressing her latest novel *Quiet Dell* through the victimhood vulnerability prism The corpus of primary sources on which the volume is based draws on various literary backgrounds in English from Britain to India through the USA The editors draw on material from the ethics of alterity trauma studies and the ethics of vulnerability in line with the work of moral philosophers like Emmanuel Levinas as well as with a more recent and challenging tradition of continental thinkers virtually unknown so far in the English speaking world represented by Guillaume Le Blanc Nathalie Maillard and Corinne Pelluchon among others Yet another related line of thought followed in the volume is that represented by feminist critics like Catriona McKenzie Wendy Rogers and Susan Dodds **Slip Stream** Paula Green,2013-11-01 Moving and uplifting this compilation of mostly short poems conveys the author s personal battle with breast cancer from the initial mammogram through biopsy several operations radiotherapy treatment and recovery The poems express the reality of balancing a challenging life threatening disease with one s daily routine proposing small distractions and coping mechanisms while charting the passage of time by procedures done books read appointments made food cooked and dreams dreamed
