well loved hymns of Charles Wesley Anglican priest and co founder of Methodism Each daily meditation keyed to the scripture reading for the day and to portions of Wesley's texts concludes with a brief prayer based on the day s theme Reflective material on the hymns place Wesley in the rich soil of his Anglican heritage Daily readings including all of these materials are between 500 600 words in length A Circle in the Dark Rachael A. Keefe, 2011-07-22 This book invites the reader to experience Advent as a spiritual journey to Bethlehem a journey from darkness to light Each week explores the traditional themes of Hope Peace Joy and Love that are present throughout the season It begins on the first Sunday of Advent inviting the reader to be open to new or unexpected encounters with God to find the mystery and wonder so often missed in day to day life Each daily meditation offers a poetic insightful reflection on scripture verses that voice the human spirit s longing for the Holy Spirit the continued struggle to find light in a dark world As the journey unfolds the reader will walk through the cold bleakness of the winter season and the bitterness of despair guided by the hope peace joy and love promised in Christ fulfilled on Christmas Day Those familiar with biblical texts will be drawn in by the vivid images and relevant messages of the poems Similarly those for whom biblical texts are less well known will find intriguing and accessible images that might prompt a desire to learn more Laypeople and clergy across denominations will find comfort and challenge in the familiar being made new should they accept the invitation to seek the Light of Christ on the long often difficult journey Waiting for Christ ,2018-09-30 Come, Lord Jesus Mary Francis, 2010-09-13 These Advent reflections by to Bethlehem the abbess of a Poor Clare monastery an accomplished spiritual writer focus our attention on the coming of Jesus into our lives There is a double movement to this coming both our active preparation to be ready for him and our patient waiting for the Lord to arrive in his own good time There is also an art to this simultaneous preparation and waiting and no one knows better than the beloved Mother Mary Francis how to encourage us in our attempts to master this art Meditating on passages from Scripture about the coming of the Messiah into the world and our hearts Mother challenges us to persevere in overcoming our faults and keeping our eyes on the Lord who has called us to himself for it is he through the gifts of his grace who will complete in us the work of sanctification which he has begun Though written for Advent the wisdom of Mother Mary Francis collected by her sisters is profitable at any time because a Christian life is one of constant growth into the very likeness of God But it is a wonderful thing that we are not happy with ourselves because the most terrible thing would be that we are at peace with our faults absorbed in ourselves blaming our faults on other people the tenderness the sweetness of Advent is wedded to that great mystery which begins with the call Now is the time Now is the hour Wake up and be made perfect in holiness Mother Mary Francis P C C Light of Life Miriam Huffman Rockness, 2023-11 This Advent devotional helps one to focus on Christ during the Christmas Advent season Following common Advent themes each week addresses a particular aspect of the unfolding story of Jesus in anticipation of His birth the prophets who foretold Christ's coming Bethlehem where Christ was born the shepherds who first witnessed the Christ child the angels who heralded the

Incarnation culminating with the birth of Christ the Light of the world Each daily devotional starts with a painting and quotation by Lilias Trotter followed by related Scripture with several thought discussion questions and a meditation including a featured Moment with Lilias A final a heart song or hymn lyric captures the essence of each daily topic The devotionals gradually build a comprehensive picture of the Grand Miracle much like a jigsaw puzzle taking shape with each added piece
