The Communicators Commentary Hebrews Volume 1:

Hebrews 1-8, Volume 47A William L. Lane, 2017-10-10 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural, and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister, and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book, including context, date, authorship, composition, interpretive issues, purpose, and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text, reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases, and tenses, yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words, and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources, and tradition as they concern the origin of the pericope, its canonical form, and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse-by-verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research. Explanation: brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels: 1) within the context of the book itself; 2) its meaning in the OT or NT; 3) its place in the entire canon; 4) theological relevance to broader OT or NT issues. General Bibliography: occurring at the end of each volume, this extensive bibliography contains all sources used anywhere in the commentary.

Hebrews: a Commentary William H. Bicksler, 2005-09-14 This academic commentary on the original languages and NIV and Greek text of Hebrews focuses on the thought, beliefs, message, and that are unique to this biblical author without reference to any possible person. Tradition has considered as the author lest such a reference determine all possible outcomes of this study. The various theories of authorship are studied in the Introduction, but the message in its entirety is of unusual significance for Christian Jewish thought and relationships and the development of the Christian Jewish church in the first century and today. The so-called epistle in shell is actually a theological treatise and impassioned sermon to those facing extreme forms of persecution and efforts to coerce denial of the faith. These believers are faced with an accepted legal status as Jews in the Roman Empire versus the people of the Way that was viewed as sectarian by the Jews and as an illegal sect by Rome. The quick expansion of the church into the Roman world under the emphases and

apologetics of Paul combating some opposition to his message both in the Jewish leadership as well as in the Jewish Christian churches The cruciality of holding on to the eternal truths of the past and not compromising the truth in Jesus of Nazareth places this writing front and center to the basic questions of the relationships of church and Judaism The stance of this author is that of mainline Evangelical thought with awareness of the Wesleyan Lutheran Anabaptist and Calvinistic emphases as well as others The issues of text canon and history of interpretation are specialized studies not covered in this commentary

Augsburger,1991-05 *The Epistle to the Hebrews* Paul Ellingworth,1993-06-04 This superb work is sure to win a name for itself as one of the major commentaries on the Epistle to the Hebrews The principal purpose of this substantial volume is to clarify the meaning of Hebrews long considered a complicated and obscure book Paul Ellingworth s fine tooth comb coverage of Hebrews looks at the text up close and in a broad light enabling the reader to see the forest as well as the trees In his determined quest to understand Hebrews Ellingworth begins with a detailed study of the Greek text working outward to consider the wider context linguistic questions and the relation of Hebrews to other early Christian writings and to the Old Testament Nonbiblical writings such as Philo and the Dead Sea Scrolls though less directly related to Hebrews are considered where appropriate Unveiling the discourse structure of this carefully written letter Ellingworth s commentary helps make coherent sense of the complexities of Hebrews As a result of his exhaustive study Ellingworth finds Hebrews to be primarily a pastoral not a polemical writing Showing how Hebrews beautifully emphasizes the supremacy of Christ Ellingworth concludes that the essential purpose of the epistle which maintains the continuity of God s people before and after Christ is to encourage readers to base their lives on nothing other and nothing less than Jesus A substantive bibliography and a comprehensive introduction precede Ellingworth s commentary and three indexes of subjects authors and Greek words discussed conclude the volume **Hebrews 9-13, Volume 47B** William L. Hebrews: A Social Identity Commentary Matthew J. Marohl, 2025-09-04 In this volume Matthew J Marohl introduces a culturally sensitive reading of Hebrews employing a social identity approach This allows readers to encounter a unique and powerful depiction of the faithful Jesus and a dynamic group of Christ followers called upon to maintain their faithfulness In the end this social identity approach reveals a work with two strands thoroughly intertwined Through the lens of conceptual blending theory Marohl examines the way in which the author combines the multiple identities of the addressees shedding light on the community dynamics of early Christ followers Marohl explores how the author describes ingroup boundaries how faithfulness is held up as the ultimate ingroup norm and how the promised rest is grounded in the language of the anticipated future Ultimately Marohl argues that Hebrews is a prime example of literature created out of crisis

Preaching Hebrews Douglas D. Webster, 2017-10-09 Hebrews is a powerful meditation on the gospel It is a sixty minute sermon delivered to a worshipping congregation The spiraling impact of theological exposition and pastoral exhortation is impressive Hebrews weans us away from our preoccupation with the start of the Christian life and focuses our attention on the perseverance of faith Life is not a sprint it's a marathon Faithfulness to the end affirms faith from the beginning If we let the word of God have its way with us Hebrews will deepen our faith in Christ and strengthen our faithfulness Like Jesus in the Gospels Hebrews sees the fundamental difference between apostasy and faithfulness as the difference between a religion about God and a Christ centered relationship with God Any form of Christianity that competes like other religions for the attention of its adherents through its rituals practices pastors traditions and sacred spaces has fallen back into an obsolete and worldly strategy The pastor calls for a decisive end to religion even the best religion ever

conceived The flow of reasoned argument for Christ and against religion along with the pulsating emotional intensity of ultimate issues laid bare and heart felt warnings against complacency and unbelief deliver a powerful and timely message
