information they need without a lot of obscure facts they don t need A key resource for every Bible teacher and anyone else A Thematic Access-Oriented Bibliography of who wants to understand the New Testament and how it applies to real life Jesus's Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease A Faith Worth Living Chuck Queen, 2011-03-03 What does a Christianity constructed upon and pervaded by a theology of God's unconditional love look like Aimed at a wide audience A Faith Worth Living provides one portrait Chuck Queen weaves together biblical interpretations theological reflections and spiritual observations drawn from stories movies literature and common life experiences in his argument for an inclusive Christianity In a simple though scholarly informed style he addresses Christians students of religion and spiritual seekers Key elements of the presentation include a transformative faith holistic and non dualistic God's dream for the world kingdom theology Jesus nonviolent atonement the church as a kingdom community universal salvation judgment and the cosmic Christ acceptance of other religious traditions and the dynamics of a radical discipleship to the way of Jesus The Character and Purpose of Luke's Christology Douglas Buckwalter, 1996-08-28 Luke's christology is carefully designed Luke portrays the exalted Jesus as God's co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him The Preacher's Commentary, Complete 35-Volume Set: Genesis - Revelation Leslie C.
