Permanent Subcommittee on Investigations, 1988 *The People, Press, and Politics of Croatia* Stjepan Malovic, Gary W. Selnow, 2001-05-30 Malovic and Selnow examine the evolution of the press government relationship in Croatia from the Tito era to the present Their story is one of three interacting players the Croatian government which until recently has sat firmly in control the compliant press which seemed little motivated to change and the largely quiescent public which demanded little from its press or its government A provocative often first hand account that will be of interest to scholars and researchers involved with Balkan current affairs journalism and politics *Russian Politics and Presidential Power* Donald R. Kelley, 2016-10-05 Russian Politics and Presidential Power takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system **Global**
