Sedinger,2011-11 Christ knew we would never be happy without a personal viable relationship with him and his Father He knew the only way for us to truly know him would be to learn his story This is why Jesus last commission to his disciples was for them to study the Word in order to teach the Word to others Through intense study of the New Testament The Good News of the Apocalypse shows you how to have a meaningful and an intimate relationship with Jesus Christ Pastor Sedinger offers a complete overview of the books of the New Testament She breaks down each book through guided readings and gives a thorough explanation of the book s events and message In addition Sedinger incorporates other biblical studies in her narrative to provide a well rounded understanding of the New Testament At the heart of this study is the overwhelming importance of accepting Jesus as your personal savior and developing a relationship with him Knowing about him is not enough to build this relationship Instead we must study Scripture and apply it to our lives The Good News of the Apocalypse will help you in this remarkable journey by complementing your Bible reading and giving you a new understanding of the Gospel      Why You Need Jesus Benjamin F.
