his own peculiar methods some of them secret some not for beating the long odds of killing a deer The Ojibwa Indians of the Great Lakes figured out they could attract deer by smoking wild aster in a pipe the smell of which was like the scent of a deer s hooves Other tribes such as the Choctaws and Cherokees in the Southeast would carry skinned out deer heads on their belts which they could wear over their heads whenever they needed to make a stalk this is no longer an advisable or legal technique They used decoys and calls and they knew that banging a pair of antlers together could summon a buck during the rut In this book we have tried to compile some of the best information and most interesting pieces written about deer in Sports Afield since the magazine was founded in 1887 There were not as many deer to hunt back then but over the last quarter century deer populations have boomed in nearly every state but Alaska and Hawaii and so have the articles written about them Many of these pieces originally appeared in the Sports Afield Almanac which was introduced by Editor Ted Kesting in 1972 others appeared as departments or short features All told more than 250 deer hunters contributed making this we hope a very unique look at what is now America s favorite game animal Some of the contributors like Dwight Schuh and Peter Fiduccia Tom McIntyre and Ted Kerasote are what we would call pros They have hunted studied and written about deer all their lives Others are just guys who wanted to share a couple of their best deer hunting secrets Do not be surprised if you turn up some contradictory views There s more than one way to shoot skin and cook a deer but it may be that the best way of all is the one you have to figure out on your own This is the finest book on whitetail hunting that I have seen Larry Myhre Sioux City Journal      □□□□ ,1893      The Total Deer Hunter Manual: 301 Hunting Skills You Need Scott Bestul,2020-10-27 This new 2020 Paperback edition reveals the secrets of Deer Hunting as told by the leading experts at Field Stream Magazine and Whitetail365 com Across 256 pages The Total Deer Hunter Manual is your definitive and high value guide to the art of Deer Hunting Whether a committed Bow hunter an old school Muzzleloader advocate or a traditional rifle hunter you will find all the tips techniques and guidance you need to become the hunter you always wanted to be
