The Complete Sayings Of Jesus As Recorded In The King James Version:

The Complete Sayings Of Jesus Arthur Hinds,2014-06-02 The number of words in the New Testament is 181 253 Only 36 450 of these 181 253 words are the words of Christ barely over 20 per cent Considered as verses the New Testament has 7 959 verses of which but 1 599 are sayings of Christ These relatively few sayings of Jesus have not a place apart but run in an uneven distribution through the four Gospels a few in other Books and in each of the four Gospels Matthew Mark Luke John the sayings are unevenly distributed through the narrative Often a saying recorded it may be by Matthew is paraphrased or even duplicated by one or more of the other three biographers none of whom seems to have intended either a chronological harmony with the others or even a sustained sequence of his own Accordingly only the devoted reader of the New Testament the habitual reader is sufficiently the delver to have become familiar with Christ s sayings really familiar familiar with the sayings not only as severally set down by the four evangels but also as one message one gospel proclaiming the Saviour s great objective If relatively few persons in a Christian country are habitual readers of the sayings of Christ that may be because relatively few persons are delvers The publisher is convinced that this book provides the means for the nonreaders of the New Testament to become familiar with Jesus the Christ his sayings and his great purpose without delving indeed without effort so engaging is the story here recorded a glowing short story **The Complete Sayings of Jesus** G C

In His Own Words Matthew Trent,2015-05-12 Thousands of years ago a baby was born in a stable He was among the poorest of the poor but in his lifetime he says things that are so astonishing that millions of people are still living their lives by them today He told us to love each other and turn the other cheek And at a young age he was brutally crucified for simple telling people to love Those who killed him probably thought it would end in his death Yet today he is still remembered The shelves of the libraries and of the bookstores are packed with the sayings of other great men but it is rare to find in a library or bookstore in any published book the complete sayings of Jesus the bare sayings in simple sequence Christ s own words This compiler s purpose has been to enable any reader whether confirmed Christian or inquiring individual to get a clear view of Jesus Christ s message Many readers may have arrived at the end of the New Testament with still a hazy picture of Christ There were so many biographers Matthew Mark Luke John Paul each essaying not a biography as such not the record of the Teacher s sayings as such but intent upon launching each his own conception of Christ s mission Christ s sayings

complete brought into a sequence of times and occasions but lifted out of contexts alien to the present purpose may prove to be a glowing story new not only to the non reader but new even to the devout New Testament readers who have not as yet discerned the continuities Devoted readers will not be diverted from the Great Text Perhaps other readers the casual New Testament reader and the non reader after enjoying these pages may venture the greater enjoyment the attentive perusal of all the gospels and all the epistles perhaps of all the New Testament *Religious Books 1876-1982* ,1983 Jesus Saith... Rajen Jani,2014-12-15 This book compiles the complete sayings of Jesus Christ from the four gospels of St Matthew St Mark St Luke and St John as given in the King James Bible Authorized Version Cambridge Edition commonly known as the King James Version **Opening the Parables** M. D. Hayden,2024-07-11 For centuries Jesus parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters **The Sacred Books of China** ,1976

laws proverbs prophecies poems and letters each with their own character and origin stories Barton explains how and by whom these disparate pieces were written how they were canonized and which ones weren't and how they were assembled disseminated and interpreted around the world and importantly to what effect Ultimately A History of the Bible argues that a thorough understanding of the history and context of its writing encourages religious communities to move away from the Bible's literal wording which is impossible to determine and focus instead on the broader meanings of scripture
