The Complete Works And Life Of Laurence Sterne 12 Volumes In 6 Yorick Edition:

The Life and Times of Laurence Sterne Wilbur Lucius Cross,1925 The Sermons of Laurence Sterne Laurence Sterne,1996 **The Papers of the Bibliographical Society of America** Bibliographical Society of America,1994-03
Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 **Dictionary of national biography, ed. by L. Stephen (and S. Lee). [With] Suppl. 3 vols.;Index and epitome [and] Errata** Dictionary,1898 *The Athenaeum* ,1872 **Athenaeum** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1873 *The National Union Catalog, Pre-1956 Imprints* ,1978 **Sotheran's Price Current of Literature** ,1901 Book-prices Current John Herbert Slater,William Roberta,F. Partridge,1904 *Theology and Literature in the Age of Johnson* Melvyn New, Gerard Reedy, S.J.,2012-06-14 Seventeen essays explore the complex relationships between literary intentions and theological concerns of authors writing in the second half of the eighteenth century The diversity of literary forms and subjects from Fielding and Richardson to Burke and Wollstonecraft is matched by a diversity of theologies to argue that the age resisted secularism is by no means to argue that that resistance was blindly doctrinal or rigidly uniform the many ways secularism could be resisted is the subject of the collection **Sentimental Democracy** Andrew Burstein,2000-05-24 For more than two centuries Americans have used words of sentiment and sympathy passion and power to explain their country s unique democratic mission Here Andrew Burstein examines the emotional dynamic and the metaphorically rich language which Americans developed to express their guiding principle that the New World would improve upon the Old Feeling he argues was a political and cultural phenomenon and in the impassioned rhetoric of feeling we can locate the sources of American patriotism Using newspapers and magazines private letters and public speeches diaries and books Burstein shows how the eighteenth century culture of sensibility encouraged early Americans to make a heartfelt commitment to the Enlightenment s optimism about a global society it would succeed they believed as much by sublime feeling as by intellectual achievement and political liberty Sentimental Democracy gives us a lively dual portrait of the American psyche and the American dream telling us as much about ourselves as about our morally passionate ancestors From publisher s description **Sotheran's Price Current of Literature** Henry Sotheran Ltd,1902 *The Bibliographer's Manual of English Literature* William Thomas Lowndes,1864 A Catalogue of Books in English Literature and History Bernard Quaritch (Firm),1915 **Tristram Shandy (Routledge Revivals)** Max Byrd,2014-08-01 Max Byrd s lucidly written and compelling volume aims to provide a scholarly introduction to one of the most puzzling pieces of eighteenth century literature and a stimulus to critical thought and discussion Laurence Sterne an eccentric and largely unsuccessful clergyman was forty six when he sat down in January of 1759 to being his literary masterpiece Aside from his sermons only two of which had ever been published Sterne had little

more to do with the literary life than any other respectable provincial clergyman His explosion into the history of English literature occurred not only without preparation but also without apparent aptitude Tristram Shandy first published in 1985 sketches Sterne's life and literary antecedents closely analysing key passages of his great satire and concluding with the critical history and bibliography It will thus be of use to all students of eighteenth century English literature **The Book-lover**, 1902 **Sterne, Tristram, Yorick** Melvyn New, Peter de Voogd, Judith Hawley, 2015-11-12 Sterne Tristram Yorick Tercentenary Essays on Laurence Sterne derives from the Laurence Sterne Tercentenary Conference held at Royal Holloway University of London on July 8-11 2013 It was attended by some eighty scholars from fourteen countries the conference heard more than sixty papers The organizers invited participants to submit revised versions of their contributions for this volume and the thirteen selected exhibit it is hoped the defining features both of the conference and of Sterne studies at the beginning of the twenty first century It is worth remarking that the selected authors represent seven countries that Sterne may well be the most internationally accepted of all eighteenth century English authors is certainly a claim worthy of a sentimental traveler This collection recognizes three faces of Sterne beginning with several biographical essays examining respectively his celebrity status family life politics and philosophy The second face is that of Tristram studied from vantage points provided by ethics linguistics gender studies and comparative literature The final group of essays examines the face of Yorick as the protagonist of A Sentimental Journey beginning with an ethnographic study of relationships moving through questions of identity and concluding with the possible future of literary studies a return to aesthetics Biblical Sterne Ryan J. Stark, 2021-01-14 Is Laurence Sterne one of the great Christian apologists Ryan Stark recommends him as such perhaps to the detriment of the parson's roguish reputation The book's aim however is not to dispel roguishness but rather to discern the theological motives behind Sterne's comic rhetoric from Tristram Shandy and the sermons to A Sentimental Journey To this end Stark reveals a veritable avalanche of biblical themes and allusions to be found in Sterne often and seemingly awkwardly in the middle of sex jokes and yet the effect is not to produce irreverence On the contrary we find an irreverently reverent apologetic Stark argues and a priest who knows how to play gracefully with religious ideas Through Sterne in fact we might rethink humour's role in the service of religion *P.J. & A.E.
